Jefferson County Cable Franchise Renewal

The Jefferson County Commission is in the process of reviewing the Comcast Cable Franchise Agreement that is coming up for renewal in 2019.

A cable television franchise agreement is a legal agreement between the Jefferson County Commission and Comcast Cable, and is required by state and federal law. The agreement authorizes Comcast to install utilities in the county, and mandates obligations that Comcast must meet.

The Jefferson County Commission franchise agreement with Comcast was approved by the County Commission in April, 2009 and will expire in May, 2019.

The County Commission is collecting your input on the Comcast franchise renewal. Share your experience with the delivery of cable service from Comcast and suggestions at info@jeffersoncountywv.org or by mail to P.O. Box 250, Charles Town, WV 25414.

A public hearing will be held in the future.
