

**Jefferson County Broadband meeting
with Design 9**

**Friday July 22nd @ 9:30 AM via Go To Meeting video conferencing
Minutes**

Committee Members Present: Patsy Noland, Ralph Lorenzetti, Sandy McDonald, Stephanie Grove, Ev Erlich, Jim Bowman, Todd Fagen, Russell Burgess, Liz Cook, Dennis Jarvis, & Jeffrey Polcznski

Others: Andrew Cohill, Jack Maytum of Design 9 ; Matt Pennington & Bill Clark of Region 9

Patsy Welcomed everyone including new Development Director Dennis Jarvis and called the meeting to order.

The Agenda was approved .

Andrew Cohill and Jack Maytum explained the survey and questioning strategy. They had sent links to the proposed surveys prior to the meeting. There was much discussion regarding the survey questions and proposed ideas will be forwarded to Design 9. The group agreed in general that the survey questions met the goals and objectives for the plan.

The committee discussed ways of promoting the survey. Several ideas including reaching out to the local paper, social media , press release and an engagement on a regional radio talk show. All were agreed to pursue including the paper survey being sent to each residence. CoVID would make distribution by the students nearly impossible.

It was suggested that design 9 meet with the Jefferson School technology leaders.

There was no Public comment

It was decided that the next meeting would be scheduled after getting responses from the survey..
