Classes & Camps  
Winter & Spring 2021

[www.jcprc.org](http://www.jcprc.org) ...a perfect place to grow.

Hello everyone!

As we continue to muddle our way through the COVID-19 pandemic, we continue to develop new ways to join our community together for recreational fun.

This season, you will notice a combination of virtual and in-person classes.

Some things you should notice:

- In-person classes are accepting registrations at a 40% capacity.
- Any person who wishes to enter the Jefferson County Community Center will require a health screening, including a no-touch temperature screening.
- Facemasks are required for entry into the Community Center.
- Non-participants are discouraged from waiting for the participant inside the Community Center lobby, although we know in some cases it will be necessary.
- Programs and activities are created in conjunction with guidelines provided by the Jefferson County Health Department and WV DHHR. If COVID-19 concerns arise and classes must be canceled, pro-rated class fees will be refunded.
- If you have personal health concerns, please stay home for the safety of all participants.
- Hand sanitizer is provided in numerous locations around the Community Center. Please wash hands and sanitize to the greatest extent.
- During this time, buildings are cleaned and sanitized more frequently; however if you have concerns about any touchpoints, please notify our staff.

We ask for your patience as we continue to navigate the changing needs and requirements necessary for the health, well-being and safety of our community.

*Thank you for supporting your Jefferson County Parks and Recreation ...a perfect place to grow.*
