1. Current zoning classifications shall remain in effect.

2. Use of this map is to be in combination with the text and land use classification map to ensure proper application of Municipalities' comprehensive plan.

3. Properties in the Urban Growth Boundary (UGB) should be annexed into the municipalities as defined in the Envision Jefferson 2035 Comprehensive Plan.

4. The areas below are highlighted on this map with a colored land use classification, but not annexed into a municipality, from developing using the Zoning Resolution Appendix C. The recommendation is to ensure that the UGB and municipal boundaries are clearly defined.

Note: Properties within Municipalities are shown as White.
