This Week in Programs:

The first class for our Martial Artists was a success, they were great listeners and began learning the basic Martial Arts techniques. Floor Hockey is back, and all the kids had a blast scrimmaging! Ms. Cara's dance classes were so excited to get back into the dance studio and begin dancing their hearts out! Our Baby Ninja Warriors were as cute as they could have been, they shook their sillies out, then were exploring all the different colors and textures through out the obstacle course. Our first Quilting class was a major success, all the participants were awesome and having a great time putting together their projects! Futsal practices are off to a great start, focusing on working together as a team and honing in on their skills.
