BASEMENT & INTERIOR RENOVATIONS

Instructions for Building Permit Application & Inspections

Jefferson County building permit requirements are only applicable for property located within the unincorporated areas of Jefferson County and do not apply in the five incorporated jurisdictions: Charles Town, Ranson, Harpers Ferry, Bolivar and Shepherdstown.

TO OBTAIN A PERMIT THE FOLLOWING ITEMS ARE NEEDED:

1. Provide Permit Application form with all the information completely filled-in.
2. Provide One (1) set of construction drawings in digital PDF or hardcopy paper format, including foundation & footer Information.
3. If doing a basement renovation, include floorplan of entire house showing existing kitchen and bedrooms.
4. Septic system permit. This applies to renovations only if adding a bedroom, then verification is required from the Jefferson County Health Department that the existing septic system size is adequate.
5. Sketch plat of parcel with building set-backs shown on the plat, the distance from the structure to the property lines, the maximum building height, and the location of the septic field, if applicable. The structure shall not be placed on or within the septic drain field area.
6. All applicable building permit fees paid (See the Building Permit Fee Schedule).

FEE SCHEDULE

Basement & Interior Renovations	\$75.00 plus \$0.20/sq.-ft. of Renovated Area
Failed Inspection & Re-inspection	\$65.00/Re-inspection (to be paid prior to the re-inspection)

POSTING OF THE PERMIT PLACARD:

The building permit placard shall be posted such that it is visible and accessible by the inspector during the duration of the project and until the final inspection is complete and approved. The inspection will be automatically failed if the placard is not accessible so the inspector can place the "approved" or "failed" sticker on it; and is subject to a \$65.00 re-inspection fee. If the placard is lost or destroyed, a new placard is required at a fee of \$10.00 plus \$1.00 per inspection sticker.

TYPICAL INSPECTIONS REQUIRED:

**OWNER/APPLICANT'S CERTIFICATION OF INTENT
AND
ACKNOWLEDGMENT OF RESPONSIBILITY**

I, (We), the Owner(s) of the property on which the intended improvement is to be constructed or placed, hereby certify and ensure that this intended improvement/construction and the intended use complies with all restrictive covenants of this property/real estate. And, I, (We), agree, understand and acknowledge that I, (We), assume full responsibility for compliance with any such private land use covenants and restrictions, and that a violation thereof may result in legal sanctions by court injunction, fines and civil damages, irrespective of the issuance of this permit by Jefferson County.

I, (We), further acknowledge and understand that:

1. Any construction prior to the issuance of this permit is in violation of the Jefferson County Ordinances, and is subject to prosecution to the fullest extent of the law. (This includes site work, utilities construction, building construction, etc.).
2. Any new structure shall be located at the required/prescribed setback distances from property lines.
3. All well-water must be certified as potable by a testing laboratory approved by the WV State Health Department, prior to final inspection and issuance of the Use & Occupancy Certificate (U&O).
4. All wells shall be drilled and pressure grouted prior to submitting this application.
5. By signing this application, it is understood that employees, representatives and/or agents of the Jefferson County Departments of Planning, Zoning, and Engineering are authorized to enter in and/or upon the property for the purposes of performing site plan and building code compliance inspections and to check for code violations related to the property, site work and/or building activities identified on this application.
6. The Property Owner is responsible for providing employees, representatives, and/or agents of the Jefferson County Department of Planning, Zoning and Engineering, safe and open access to the site and all building components when conducting inspections.
7. All work will be performed in accordance with Jefferson County Ordinances and Building codes; and that I/we are responsible for ensuring that the person(s) and/or contractor performing the work is knowledgeable of the applicable ordinances and building codes; and that the contract should stipulate that all work be performed in accordance with the applicable building codes.
8. All roadways and properties shall be protected from damage and the deposit of mud, dirt, silt, trash and debris, etc., resulting from the work covered by this permit application. The property owner shall be responsible for any resulting damage and clean-up costs.
9. A copy of the International Residential Building Code may be purchased from the International Code Council at <http://www.iccsafe.org>; or is available for review at the Jefferson County Engineering Department, Office of Permits & Inspections.
10. That no structure shall be used and/or occupied until a "Use & Occupancy Certificate" is issued by the Jefferson County Office of Permits and Inspections; and that using or occupying such structure prior to issuance of the Use & Occupancy Certificate is a violation of the Jefferson County Building Code Enforcement Ordinance and is subject to prosecution under the law.

I, (We), state that this application is true and accurate to the best of my (our) knowledge.
