

EAU CLAIRE COUNTY PARKS & FOREST DEPARTMENT  
2014 FIREWOOD LOTS BROCHURE

Cordage listed is estimated. County is not responsible to make up any shortage on estimates. In areas where more than one person will be cutting, only the actual amount of cords listed on the map may be harvested. Where lot numbers are combined to form one permit area, estimated total cords on that lot are as listed.

Only one person per household may purchase a firewood lot. You may not purchase another lot if you already have a permit extension. Purchasers will be allowed to only purchase one lot per person/household. Lots will not be assigned until all the following are complete: permit application filled out and signed by applicant and department personnel, and payment is received.

Firewood permits will expire on Friday, August 14, 2015. (NO EXCEPTIONS) Extensions may be obtained by submitting a \$20 fee to the parks and forest department before 5:00 p.m. on Friday, August 14, 2015. There is a maximum of one extension. The county reserves the right to limit any and all extensions when it is in the best interests of the county.

Oak wilt restrictions apply to all lots. No cutting, hauling or skidding April 1 to July 15.

Questions regarding this firewood brochure may be answered by calling (715) 839-4738.

Eau Claire County reserves the right to reject any and/or all bids and extension requests.
