

What is Nixle?

Nixle is a Community Information Service dedicated to helping you by providing access to timely, accurate, and important information during an emergency in Jefferson County. Broadcasted information includes severe weather watches and warnings (tornado, flooding, blizzards, etc.), county government delays and closures, water boil advisories, air quality alerts, and more depending on the nature of the emergency.

How does Nixle work?

Nixle is an opt in service. JCHSEM staff cannot register members of the public to receive emergency alerts. Once you sign up for Nixle Alerts, you will receive these notifications via text or e-mail. You can also view Nixle Alerts on the following sites:

Jefferson County HSEM Facebook page:
<https://www.facebook.com/JeffersonCountyHSEM>

Jefferson County HSEM Twitter account:
<https://twitter.com/JCHSEM>

Jefferson County Commission Website:
<http://www.jeffersoncountywv.org/about-jefferson-county/emergency-alerts>.

It is important to note that you **WILL NOT** receive Nixle Alerts unless you sign up. Registration for Nixle is free and takes a matter of minutes to sign up.

Why should you sign up for Nixle?

Nixle provides the residents of Jefferson County timely, accurate, important, and life saving information about emergencies in the county, directly to your mobile device. The service is free to you and provides you the necessary information that you need to keep yourself, your family, friends, and neighbors safe.
