Re: JCESA Board of Directors

Dear Commissioners,

Please accept this letter as my formal resignation from the Jefferson County Emergency Services Agency as Chairman and member of the Board of Directors effective July 1, 2017. After serving for the past four and half years, I no longer have the confidence the majority of you are committed to providing the minimum funding and support necessary to meet the current challenges faced by the Agency and Volunteer Fire Departments serving Jefferson County. Furthermore, your latest action in reducing the Ambulance Fee under the auspice of transferring money from the limited general funds available reinforces my concern that you know little of governing and are not concerned with the safety of our citizens or our first responders, only in placating a special interest group that represents a minority of individuals within the County.

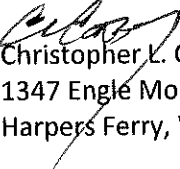

With more than 40 years combined experience in Fire/Rescue, EMS and Fire Protection it is my professional opinion that the current Fire/Rescue and EMS response time is unacceptable and available resources are inadequate to meet the minimum level of prehospital care, fire suppression and rescue services required to safely and effectively manage and mitigate most incidents. The critical situation the Agency and VFD's find themselves in is a direct result of years of diminishing volunteerism within the VFD's (a national issue not exclusive to Jefferson County alone) and underfunding while the volume and complexity of incidents have increased. In addition, the current opioid overdose epidemic has further stressed the system by adding to an increasing call volume while exposing our first responders to potentially violent and hazardous situations with no additional protection or resources.

Therefore, having spent the majority of my adult life working in the Fire Service protecting and aiding the citizens I served while also concerned with the safety of my fellow first responders, I will not be complicit with this act of malfeasance that could further harm our citizens and first responders.

It has been my pleasure and honor to work with the men and women of the Agency and the Volunteer Fire and EMS providers of Jefferson County. I have found them to be some of the most dedicated and professional individuals I have worked with in my career and am proud of the accomplishments we have made together in the past two years.

I would like to thank Commissioners Tabb and Noland for the opportunity to serve on the JCESA Board.

Sincerely,

Christopher L. Conroy

RE: JCESA Deposits for Fiscal Year 2017-18.

Board Members,

As you are aware West Virginia State code requires that The Jefferson County Emergency Services Agency ensure that it's deposits above and over the FDIC limit of \$250,000.00 be secured in the event of a financial institution failure.

For this coming fiscal year, BCT would like to propose two options with which to meet this very important responsibility and to protect the tax dollars of Jefferson County and the State of West Virginia. They are as follows:

- **ICS:** Through our vendor, Promontory Interfinancial Network, LLC. we offer a program called ICS (Insured Cash Sweeps). This is a set of fully liquid accounts that provide up to tens of millions of dollars in FDIC Insurance. This service provides an automated sweep of funds between the operating account and the ICS. For the use of this option, BCT will provide the JCESA a rate of .65% in all ICS accounts for Fiscal Year 2017-18. Please see enclosed ICS informational sheet titled **Safety. Return. Freedom** for as well as a sample of the **BCT – ICS Agreement** for more details.
- **Letter of Credit:** BCT will provide the JCESA a Letter of Credit for \$1,250,000.00 issued by the Federal Home Loan Bank of Pittsburgh. The Letter of Credit will be issued to the benefit of the Jefferson County Emergency Services Agency and will be paid for at BCT's expense. The Letter of Credit will go into effect on July 1st, 2017 and with expire on June 29th, 2018. For the use of this option, BCT will provide the Development Authority a rate .55% on all of its deposit accounts for the Fiscal Year 2017-18. I have included a Resolution and Bond approved by BCT's Board of Directors authorizing the purchase of a Letter of Credit for your review.

In addition, please find the enclosed summary of balances detailing the JCESA deposit balance trend with BCT over the last 28 months. Please feel free to contact me if you have any questions in regards to the specific details of each of these two options.

Deposit Placement Agreement

You, the undersigned, enter into this ICS Deposit Placement Agreement (this "Agreement") with ("we" or "us"). This Agreement states the terms and conditions on which we (as your "Relationship Institution") will endeavor to place funds into deposit accounts at receiving depository institutions (each a "Destination Institution") from a transaction account with us into which you (the "Depositor") have deposited funds for such placement (the "Transaction Account"). The Destination Institutions will be depository institutions at which deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to maximum deposit insurance amounts.

We will endeavor to place your funds at Destination Institutions using ICS®, the Insured Cash Sweep® service of Promontory Interfinancial Network, LLC ("Promontory"). The amount of your funds that we place in the deposit accounts that have been established for the placement of your funds at Destination Institutions (each a "Deposit Account") will not exceed the FDIC standard maximum deposit insurance amount ("SMDIA"), currently \$250,000, at any one Destination Institution.

We offer placement of funds through ICS to businesses, nonprofit entities, and, subject to applicable law, public entities. We may also choose to place funds through ICS for individuals with a demonstrated need to maintain large cash balances (e.g., \$500,000 or more) over a 12-month period. You must be capable of using, and you agree to use, the ICS Depositor Control Panel ("DCP"), an online tool described in this Agreement, to review proposed placements and for other purposes. You also agree to receive notices concerning ICS deposits that may be posted on the DCP or sent by email.

Funds in your Deposit Accounts will be "deposits," as defined by federal law, at the Destination Institutions. We offer both the ICS demand option and the ICS savings option. Each Deposit Account at a Destination Institution in which your funds will be placed using the ICS demand option will be a demand deposit account ("DDA"). Each Deposit Account at a Destination Institution in which your funds will be placed using the ICS savings option will be a money market deposit account ("MMDA"). With the ICS demand option, you are permitted unlimited withdrawals. With the ICS savings option, you are permitted up to six withdrawals per month.

1. Your Relationship With Us

1.1. Agency and Custodial Relationship

(a) We will act as your agent in placing your funds in Deposit Accounts through ICS and, under our separate custodial agreement with you (the "Custodial Agreement"), as your custodian for the Deposit Accounts. We will not act as your investment adviser, and we will have no obligation to advise you of alternative investments. The Bank of New York Mellon ("BNY Mellon") will act as our sub-custodian, settlement agent, reconciliation agent, and recordkeeper. BNY Mellon will also act as recordkeeper for Destination Institutions at which your Deposit

Accounts are established, maintaining certain deposit account records for those Destination Institutions.

(b) Each Deposit Account (i) will be recorded on the records of the Destination Institution in the name of BNY Mellon, as our sub-custodian, (ii) will be recorded on the records of BNY Mellon in our name, as your custodian, and (iii) will be recorded on our records in your name, all in a manner that will permit the Deposit Account to be FDIC-insured to the same extent as if you held it directly with the Destination Institution. For purposes of Article 8 of the Uniform Commercial Code, we will act as your securities intermediary for, and will treat as financial assets, your Deposit Accounts and all your security entitlements and other related interests and assets with respect to your Deposit Accounts, and we will treat you as entitled to exercise the rights that comprise your Deposit Accounts. All interests that we hold with respect to your Deposit Accounts are held by us solely as your securities intermediary and are not our property. You are and will remain the owner of all funds of yours that we place for you through the ICS service and any interest on those funds.

(c) As further described below, on each day that is not a Saturday, a Sunday, or another day on which banks in New York, New York, are authorized or required by law or regulation to close (a "Business Day"), our proposed allocation of your funds to Destination Institutions will be available to you in advance on the DCP to approve or reject. We have entered into an agreement with Promontory to use the ICS service in connection with such allocations. In using ICS, we will adhere to Promontory's policies and procedures. Promontory is not your agent or custodian, however, and it is not responsible for placement of your funds or custody of your Deposit Accounts.

1.2. Termination of Custodial Relationship

(a) Either you or we may terminate the custodial relationship between you and us at any time. You may not transfer your Deposit Accounts to another custodian, but you may dismiss us as your custodian for a Deposit Account and request that your ownership of the Deposit Account will be recorded in your name on the books of the Destination Institution. We will endeavor to cause any such request that we receive from you to be promptly forwarded to the Destination Institution. Each Destination Institution at which your funds may be placed has agreed that it will promptly fulfill any such requests, subject to its customer identification policies and other standard account opening terms and conditions.

(b) If a Deposit Account has been recorded in your name on the books of a Destination Institution pursuant to Section 1.2(a), (i) you will be able to enforce your rights in the Deposit Account directly against the Destination Institution, but we will no longer have any custodial responsibility with respect to the Deposit Account and you will no longer be able to enforce your rights in the Deposit Account against the Destination Institution through us, and (ii) the interest rate applicable to the Deposit Account will be the interest rate that the Destination Institution establishes, which may be lower than an interest rate that we might have established.

2. Your Deposits at Destination Institutions

2.1. The Deposit Accounts and the Interest Rate

(a) Each of your Deposit Accounts, including the principal balance and the accrued interest, will be a deposit obligation of the Destination Institution at which the Deposit Account has been established and will not be an obligation of Promontory, BNY Mellon, or us. We, as your custodian, will maintain on our books and records, either directly or with the assistance of BNY Mellon, a custodial account in which we will hold your interests with respect to the Deposit Accounts (an "ICS Custodial Account"). We will establish for you separate ICS Custodial Accounts for funds placed using the ICS savings option and multiple Transaction Accounts associated with an ICS Custodial Account. Having multiple ICS Custodial Accounts will not expand the FDIC insurance coverage available to you in a single insurable capacity.

(b) The interest rate for your Deposit Accounts at Destination Institutions on any day will be the then-current rate we establish for them, which may be any rate (including zero) and which we may modify at any time (the "Interest Rate"). We may establish different interest Rates for your use of the ICS demand option and the ICS savings option. We do not offer or promise you any particular interest rate. In particular, we do not promise you that an interest rate will be any particular rate or that an interest rate may be effective at a given time will be effective at a later time. Through your continued participation in ICS, you accept each applicable interest rate.

(c) The Destination Institutions have agreed that interest on your Deposit Accounts will accrue and compound daily at the applicable interest rate and will be credited to principal at least once each month. Payment of the full amount of all accrued interest with respect to a Deposit Account at a Destination Institution will be solely the responsibility of, and solely enforceable against, that Destination Institution. We will have no indebtedness to you for any such amount.

(d) In accordance with federal regulations, for funds placed using the ICS savings option, each Destination Institution reserves the right to require written notice of an intended withdrawal from an MMDA not less than seven days before the withdrawal is made. The Destination Institutions have indicated that they do not currently intend to exercise this right.

2.2. Balances and Statements

(a) On any day, you may confirm through the DCP the aggregate principal balance in your Deposit Accounts (your "Program Balance") for each ICS Custodial Account, and your principal balance and accrued interest at each Destination Institution for each ICS Custodial Account, as of the settlement of payments to and from ICS participating institutions through BNY Mellon ("ICS Settlement") for the preceding Business Day or, after completion of ICS Settlement on a Business Day, for that Business Day.

(b) For each ICS Custodial Account, we will provide you with periodic account statements that include your Program Balance as of the end of the statement period, the total interest you have earned on

your Deposit Accounts during the period, the rate of return you have earned on the daily average closing principal balance in your Deposit Accounts for the period (which will be referred to as the "Statement Period Yield"), and your principal balance at each Destination Institution in which your funds are deposited as of the end of the period. You should retain these account statements.

(c) The account information available on the DCP as described in Section 2.2(a), and the periodic statements described in Section 2.2(b), will be your record of your Deposit Accounts.

3. Program Deposits and Program Withdrawals

3.1. Triggering Events

(a) Schedule 1 to this Agreement sets forth events that will trigger a transfer of funds at ICS Settlement from the Transaction Account to the Deposit Accounts (a "Program Deposit") or a transfer of funds at ICS Settlement from the Deposit Accounts to the Transaction Account (a "Program Withdrawal").

(b) Depending on the terms of Schedule 1, an event that triggers a Program Deposit or a Program Withdrawal (a "Triggering Event") may be a specified change in the Transaction Account balance, a request by you that we accept, or another event described in Schedule 1.

(c) If we permit you to have multiple Transaction Accounts associated with a single ICS Custodial Account, Schedule 1 may specify separate sets of Triggering Events for each Transaction Account or one set of Triggering Events for all Transaction Accounts.

3.2. Program Deposits

(a) The occurrence of a Triggering Event for a Program Deposit does not result in a transfer of funds to your Deposit Accounts until the applicable ICS Settlement occurs. Schedule 2 to this Agreement contains important information regarding the status of funds in the Transaction Account.

(b) Subject to the other terms and conditions of this Agreement, and except as provided in the next subsection, a Triggering Event for a Program Deposit will result in a transfer of funds to your Deposit Accounts at ICS Settlement the next Business Day (a "Regular Program Deposit").

(c) Schedule 1 states whether a transfer of funds to your Deposit Accounts at ICS Settlement on the same Business Day (a "Same-Day Program Deposit") is available and, if so, the cutoff time for you to request a Same-Day Program Deposit (the "Same-Day Deposit Cutoff Time"). To the extent Schedule 1 so provides, and subject to the other terms and conditions of this Agreement, a request that we receive and accept before the Same-Day Deposit Cutoff Time will be a Triggering Event that results in a Same-Day Program Deposit.

(d) We may impose a maximum Program Balance amount for your deposits placed through ICS and will inform you of any maximum Program Balance we impose. Even if a Triggering Event for a Program Deposit occurs, we may choose not to transfer the amount to your Deposit Accounts to the extent it would cause the Program Balance to exceed the maximum amount. In addition, we may choose not to

transfer to the Deposit Accounts an amount that we have credited to the Transaction Account, but have not yet collected from a third party.

(e) There is no per-month limit on the number of permitted Program Deposits.

3.3. Program Withdrawals

(a) Subject to the other terms and conditions of this Agreement, a Triggering Event for a Program Withdrawal under Schedule 1 will result in a transfer of funds from your Deposit Accounts at ICS Settlement the next Business Day (a "Regular Program Withdrawal"). If the Triggering Event occurs on the last Business Day of a month, the Program Withdrawal will occur on the first Business Day of the following month for purposes of the Program Withdrawal limit that applies in connection with the ICS savings option.

(b) Schedule 1 states whether the transfer of funds from your Deposit Accounts at ICS Settlement on the same Business Day (a "Same-Day Program Withdrawal") is available and, if so, the cutoff time for you to request a Same-Day Program Withdrawal (the "Same-Day Withdrawal Cutoff Time"). To the extent Schedule 1 so provides, and subject to the other terms and conditions of this Agreement, a request that we receive and accept before the Same-Day Withdrawal Cutoff Time will be a Triggering Event that results in a Same-Day Program Deposit.

(c) With the ICS demand option, there is no per-month limit on the number of permitted Program Withdrawals.

(d) With the ICS savings option:

(i) You are permitted up to six Program Withdrawals per month for an ICS Custodial Account. To remain within this limit, you should satisfy yourself that the Triggering Events for Program Deposits and Program Withdrawals under Schedule 1 are appropriate in light of your anticipated day-to-day activity in any Transaction Account associated with the ICS Custodial Account.

(ii) In addition to applying the Program Withdrawal limit, we will allocate funds so that, in accordance with federal regulations, your funds are not withdrawn from an MMDA at any one Destination Institution more than six times in a month.

(iii) Although we may permit you to have more than one ICS Custodial Account for your business purposes, you may not have more than one ICS Custodial Account for the purpose of avoiding the effects of the Program Withdrawal limit.

(iv) If Triggering Events on the same Business Day result in both a Same-Day Program Withdrawal, on that Business Day, and a Regular Program Withdrawal, on the next Business Day, the Triggering Events will have resulted in your use of two of your six Program Withdrawals for the month.

3.4. Program Withdrawal Advances; Security Interest

(a) If Schedule 1 provides that we will advance funds to you in anticipation of a Program Withdrawal, or if we otherwise decide in our discretion to advance funds to you in anticipation of a Program Withdrawal, you will owe the amount of these funds to us and we will

retain from the funds we receive at ICS Settlement the amount we have advanced to you.

(b) With respect to any amount that you owe to us pursuant to Section 3.4(a):

(i) you grant us, and acknowledge that we have, a security interest in, and a lien on, your Deposit Accounts, related security entitlements, and other related interests and assets that we may hold for you as custodian and securities intermediary pursuant to the Custodial Agreement for the amount you owe to us,

(ii) if a Destination Institution fails before a Program Withdrawal is completed, we may retain the amount of the Program Withdrawal from the proceeds of your FDIC insurance claim to satisfy the amount you owe to us, and

(iii) to the extent the amount you owe to us is not satisfied from the interests and assets we are holding for you pursuant to the Custodial Agreement, or from the proceeds of any FDIC insurance claim, the amount remains owed by you to us and is payable on demand.

(c) If, in a separate agreement, you have granted us a security interest in your Deposit Accounts or in any security entitlements or other interests or assets relating to your Deposit Accounts as collateral for a loan to you or otherwise, we may decline to honor a request for a Program Withdrawal, or decline to honor a debit transaction in the Transaction Account that would trigger a Program Withdrawal or be funded by a Program Withdrawal, to the extent the Program Withdrawal would cause your Program Balance to fall below the loan amount or other amount that you have agreed to maintain in your Deposit Accounts or to which the security interest applies. If, in a separate agreement, you have granted us a security interest in the Transaction Account, we also may decline to honor debit transactions in the Transaction Account in accordance with the separate agreement.

3.5. Excess Program Withdrawals

(a) With the ICS savings option, the consequences of exceeding the limit of six Program Withdrawals depend on whether you give us, in Schedule 1, an advance instruction to endeavor to reallocate your funds from the ICS savings option to the ICS demand option in the circumstances described in Section 3.5(b) (a "Reallocation Instruction").

(b) If you give us a Reallocation Instruction in Schedule 1, the following provisions will apply:

(i) So long as you have not exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months:

(A) you may use all six permitted Program Withdrawals in a month, and

(B) if an excess (seventh) Program Withdrawal occurs before the last Business Day of the month, we will endeavor to reallocate all the remaining funds in your MMDAs at Destination Institutions to DDAs at Destination Institutions, and we will transfer to the Transaction Account any such funds not so reallocated.

(b) You represent that you have a computer with Internet access, an e-mail address, the ability to download and print information from the DCP for your records, and the knowledge and experience to use an online tool for the DCP functionality. In addition, you acknowledge that you will be required to obtain and maintain all equipment and services necessary for access to the DCP.

(a) Promontory will assist us in providing the DCP to you. Schedule 3 to this Agreement provides access information for the DCP. When you first log in to the DCP using the login credentials described in Schedule 3, you will be required to change your DCP user name and password.

4.3. Depositor Control Panel

(a) In addition to allocating your funds to each Destination Institution in an amount that is under the FDIC insurance limit, the ICS process for allocating Program Deposits, Program Withdrawals, and funds already on deposit reflects various considerations, including the need for certain Destination Institutions to receive deposits in amounts they have placed for their own customers and possible limits on the amounts a Relationship Institution is authorized to place or a Destination Institution has agreed to receive. Applicable deposit amounts may change from day to day. Accordingly, the allocation of funds takes place each Business Day.

4.1. Daily Allocation; Review and Consent

4. Daily Allocation and Depositor Control

(a) In addition to allocating your funds to each Destination Institution in an amount that is under the FDIC insurance limit, the ICS process for allocating Program Deposits, Program Withdrawals, and funds already on deposit reflects various considerations, including the need for certain Destination Institutions to receive deposits in amounts they have placed for their own customers and possible limits on the amounts a Relationship Institution is authorized to place or a Destination Institution has agreed to receive. Applicable deposit amounts may change from day to day. Accordingly, the allocation of funds takes place each Business Day.

(ii) will not cause the balance in your Deposit Accounts at a Destination Institution, together with the outstanding deposits, if any, that we have placed for you at that Destination Institution through CDARS, to exceed the SMDIA.

(i) will not include allocation to a Destination Institution that is the subject of a then-effective designation by you as ineligible to receive your funds through CDARS, and

(c) If, on a Business Day, you have outstanding deposits that we have placed for you using Promontory's CDARS service, and you have provided the same taxpayer identification number to us for purposes of CDARS and ICS, our allocation of your funds at Destination Institutions for that Business Day in ICS:

(a) We will not allocate your funds to any Destination Institution that is on your then-effective list of exclusions from eligibility to receive your funds through ICS (your "List of Exclusions").

4.2. Destination Institution Exclusions

(d) Although we will not allocate your funds to Destination Institutions that you exclude or reject as set forth below, you authorize and consent to the allocation of your funds at Destination Institutions that you approve, or do not exclude or reject, as set forth below.

(c) You exercise control over the allocation of your funds through direct contact with us and through the DCP. You are responsible for reviewing the important information we provide you through the DCP, including information regarding proposed allocations that we provide each Business Day. In addition, on request at any time, we will provide you with a list of all Destination Institutions.

(b) If you have exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months and a sixth Program Withdrawal occurs in a month, (A) we will endeavor to reallocate all the remaining funds in your MMDAs at Destination Institutions to DDAs at Destination Institutions, and we will transfer to the ICS Custodial Account any such funds not so reallocated, and option for the remainder of the month and for the next six full months. Your eligibility to use the ICS demand option will not be affected.

Schedule 1, the following provisions will apply:

(c) If you do not give us a Reallocation Instruction in

(i) If you have not exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months: (A) you may use all six permitted Program Withdrawals in a month, and (B) if an excess (seventh) Program Withdrawal occurs before the last Business Day of the month, we will transfer all the remaining funds in your MMDAs at Destination Institutions to the Transaction Account. (ii) If you have exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months and a sixth Program Withdrawal occurs in a month, (A) we will transfer all the remaining funds in your MMDAs at Destination Institutions to DDAs at Destination Institutions, and we will transfer to the ICS Custodial Account any such funds not so reallocated, and option for the remainder of the month and for the next six full months. Your eligibility to use the ICS demand option will not be affected.

(ii) If you have exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months and a sixth Program Withdrawal occurs in a month, (A) we will endeavor to reallocate all the remaining funds in your MMDAs at Destination Institutions to DDAs at Destination Institutions, and we will transfer to the ICS Custodial Account any such funds not so reallocated, and option for the remainder of the month and for the next six full months. Your eligibility to use the ICS demand option will not be affected.

(i) If you have not exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months: (A) you may use all six permitted Program Withdrawals in a month, and (B) if an excess (seventh) Program Withdrawal occurs before the last Business Day of the month, we will transfer all the remaining funds in your MMDAs at Destination Institutions to the Transaction Account.

(ii) If you have exceeded the limit of six Program Withdrawals for the ICS savings option in any two previous months and a sixth Program Withdrawal occurs in a month, (A) we will endeavor to reallocate all the remaining funds in your MMDAs at Destination Institutions to DDAs at Destination Institutions, and we will transfer to the ICS Custodial Account any such funds not so reallocated, and option for the remainder of the month and for the next six full months. Your eligibility to use the ICS demand option will not be affected.

4.4. Depositor Placement Review

(a) Each Business Day, your aggregate principal balance that will be in Deposit Accounts at Destination Institutions after that day's ICS Settlement will be provisionally allocated to Destination Institutions. The amount allocated will reflect your Program Balance as of the last ICS Settlement, plus any Program Deposit that will occur at the day's ICS Settlement, minus any Program Withdrawal that will occur at the day's ICS Settlement. The allocation may provide that previously-deposited funds will be removed from one or more Destination Institutions and deposited in one or more other Destination Institutions.

(b) After the provisional allocation occurs on a Business Day, but before it becomes final at the day's ICS Settlement, Depositor Placement Review ("DPR") will occur through the DCP. Even if a Destination Institution is not on your List of Exclusions, the final allocation that day will not allocate your funds to a Destination Institution at ICS Settlement if you reject it during DPR through the DCP. The initial DPR time period is set forth in Schedule 3. We may change the DPR period by posting advance notice of the change on the DCP. Your rejection of a Destination Institution will be effective only if you submit it, as specified in the DCP, before DPR ends.

(c) In DPR, you will see a list of Destination Institutions to which your funds are proposed to be allocated at ICS Settlement later that day (the "Proposed Placement List"), reflecting the provisional allocation of all your funds, including funds that will be moved from one Destination Institution to another Destination Institution. The Proposed Placement List will include the principal balance allocated to each Destination Institution. If you review the Proposed Placement List, and you click the approval button or you do not reject any of the Destination Institutions on the list, you will be approving the proposed allocation and your funds will be allocated in accordance with the list.

(d) If you reject any of the Destination Institutions on the Proposed Placement List, you will be approving allocation to Destination Institutions on the list that you do not reject. After entering rejections, if sufficient time remains in DPR, you will have the opportunity to review a list of other Destination Institutions to which your funds could be allocated (the "Alternate Placement List"). If you click the approval button for the Alternate Placement List, or you do not reject any of the Destination Institutions on it, you will be approving the allocation of your funds to any of the listed Destination Institutions. If you reject any of the Destination Institutions on the Alternate Placement List, you will be approving allocation to listed Destination Institutions that you do not reject. Your funds may be allocated to any combination of Destination Institutions on the Proposed Placement List and the Alternate Placement List that you do not reject.

(e) If the provisional allocation on a Business Day would result in funds of yours currently at one Destination Institution being moved to another Destination Institution and you reject the other Destination Institution in DPR that Business Day, the funds will not necessarily remain at the first Destination Institution. The funds will be allocated to a Destination Institution that you do not reject or returned to the Transaction Account.

(f) A Destination Institution that you reject in DPR will also be added to your List of Exclusions, for purposes of future allocations, within one Business Day after the Business Day on which you submit the rejection.

(g) We do not guarantee that all your funds will be allocated to Destination Institutions on any particular day, even if they were allocated to Destination Institutions on a previous day. Exclusions of Destination Institutions, and rejections of Destination Institutions in DPR, may increase the chance that funds will not be allocated. If funds not yet transferred to your Deposit Accounts are not allocated to a Destination Institution on a Business Day, the funds will remain in the Transaction Account. If funds previously transferred to the Deposit Accounts are not allocated to a Destination Institution on a Business Day, the funds will be returned to the Transaction Account.

5. FDIC Insurance Considerations

5.1. Deposit Insurance Coverage

(a) You may obtain information about FDIC deposit insurance coverage by visiting the FDIC website at www.fdic.gov or by contacting the FDIC by letter, email, or telephone. All your deposits at a Destination Institution in the same insurable capacity (whether you are acting directly or through an intermediary) will be aggregated for purposes of the SMDIA. You should add to your List of Exclusions any FDIC-insured depository institution at which you have other deposits in the same insurable capacity. Insurable capacities include individual accounts, joint accounts, and individual retirement accounts. Separate divisions within a corporate entity are not eligible for separate insurance coverage, and a separate taxpayer identification number ("TIN") does not necessarily evidence or establish a separate insurable capacity. It is your obligation to determine whether funds we are placing for you through ICS are maintained in separate insurable capacities. We may use your TIN to identify you, and we place your funds on the understanding that you are not depositing funds for placement under more than one TIN in the same insurable capacity.

(b) Your deposits in the Transaction Account, alone or when aggregated with your other deposits with us in the same insurable capacity, may exceed the SMDIA. Schedule 2 describes measures you should take if you cannot accept risks associated with uninsured deposits in the Transaction Account.

(c) The requirements for FDIC deposit insurance coverage of the deposits of the United States government, state, county, and municipal governments and their political subdivisions, the District of Columbia, and the Commonwealth of Puerto Rico are set forth in FDIC regulations. If you are a governmental unit, you are responsible for determining whether the requirements for deposit insurance have been met. We are not responsible for uninsured losses resulting from the placement of deposits that are not eligible for deposit insurance.

(d) The records maintained for us by BNY Mellon regarding ownership of your Deposit Accounts will be used to establish your eligibility for deposit insurance coverage. Accordingly, you must immediately report to us any changes in ownership information. We will inform BNY Mellon of any such changes so that it will have accurate information to provide to the FDIC if a Destination Institution fails. The FDIC could also require you to provide additional documentation.

5.2. Deposit Insurance Payments

(a) If deposit insurance payments become necessary for one of your Deposit Accounts, the FDIC is required to pay the principal amount plus accrued interest to the date of the closing of the Destination

Institution, as prescribed by law, subject to the SMDIA. No interest is earned on deposits from the time a Destination Institution closes until insurance payments are received. As an alternative to making a direct insurance payment, the FDIC may transfer the deposits of an insolvent institution to a solvent institution. The solvent institution may change the interest rate on a deposit, subject to your right to withdraw the funds.

(b) We will notify you if we receive a deposit insurance payment from the FDIC with respect to your Deposit Account at a failed Destination Institution. Should we receive a deposit insurance payment with respect to your Deposit Account at a failed Destination Institution, we will place the amount of the payment in one or more Deposit Accounts at Destination Institutions pursuant to the deposit placement procedures set forth in this Agreement, subject to the other terms and conditions of this Agreement, including Section 3.4.

(c) In general, if an insured depository institution is closed, the FDIC is required by law to pay the insured deposits "as soon as possible," either by cash or by transferring the deposit to a new insured depository institution. It is possible, however, that an insurance payment could be delayed. We will not be obligated to make any payment to you in satisfaction of a loss you might incur as a result of a delay in an insurance payment, and we will not be obligated to advance funds with respect to any such payment.

5.3. *Responsibility to Monitor Deposits; Publicly Available Information*

(a) You are responsible for monitoring the total amount of funds in your Deposit Accounts at each Destination Institution in each insurable capacity to determine the extent of FDIC deposit insurance coverage available to you for deposits at that Destination Institution. You should confirm that each allocation of your funds to Destination Institutions is consistent with your exclusions and rejections by visiting the DCP and viewing the allocation, recognizing that the funds could be allocated to different Destination Institutions on any Business Day.

(b) Publicly available financial information concerning the Destination Institutions can be obtained by you at the website of the National Information Center of the Federal Reserve System at www.fiec.gov/nicpubweb/nicweb/nichome.aspx.

6. *Additional Considerations*

6.1. *Reciprocal and One-Way*

(a) We may participate in the ICS service through one or both of two different forms of the service. When we place your funds using ICS ReciprocalSM, we will receive matching funds placed by other participating institutions for their customers and pay a fee to participating institutions for their customers and pay a fee to Promontory. When we place your funds using ICS One-WaySM, we will not receive matching funds placed by other participating institutions for their customers or pay a fee to Promontory, but we and Promontory may receive fees from Destination Institutions in connection with funds placed. The fees may be different for different Destination Institutions.

(b) The interest you receive on your Deposit Accounts will be earned at the applicable Interest Rate, whether we use ICS Reciprocal or ICS One-Way in placing your funds. The Interest Rate may be different depending on which form of ICS we use. In ICS Reciprocal, the fee we pay to Promontory may affect the applicable Interest Rate. In ICS One-Way, fees paid by Destination Institutions to us or to

(c) Schedule 4 includes two boxes relating to which form of the ICS service we may use in connection with the placement of your funds. If you check the first of these two boxes, we may use ICS Reciprocal, ICS One-Way, or both. We will not be obligated to inform you of the Interest Rate that might be available using the other form, and we may select a form of ICS that provides greater benefits to us. If you check the second of these two boxes, we may use only ICS Reciprocal in connection with the placement of your funds.

(d) If you are subject to restrictions on the placement of your funds at depository institutions, you are responsible for determining whether the placement of your funds through ICS, in accordance with Schedule 4, satisfies the restrictions.

6.2. *Compare Rates*

(a) We are not advising you regarding alternative investments, and you are responsible for comparing the rates of return and other features of your Deposit Accounts to other available deposit accounts, and other kinds of investments, before deciding to have us place your funds using ICS.

(b) An applicable Interest Rate for your Deposit Accounts may be higher or lower than interest rates on comparable deposits available directly from us, from the Destination Institutions that establish your Deposit Accounts, from other Destination Institutions, or from insured depository institutions that are not Destination Institutions. Without limiting the foregoing, an Interest Rate may be lower than an interest rate established for another customer for which funds are being placed or a cost-of-funds rate for a Destination Institution.

(c) Promontory may offer us and our employees non-cash incentives of insignificant monetary value, such as plaques, in connection with our placement of funds.

6.3. *Allocation Considerations and Compensatory Payments*

(a) The ICS allocation process is subject to applicable law and may be affected by our objectives, Promontory's objectives, or both, including administrative convenience, reduction of costs, and enhancement of profits.

(b) Participating institutions in the ICS service may make compensatory payments resulting in payments to other participating institutions, or receive compensatory payments resulting from payments by other participating institutions, reflecting the difference between an interest rate for a placing institution's customers and a rate at which the receiving institution would otherwise pay interest.

(c) If we were to become insolvent, the FDIC could transfer custody of your Deposit Accounts to a new custodian that participates in ICS. Alternatively, you could elect to establish your Deposit Accounts directly with the Destination Institutions or you could elect to have the funds in your Deposit Accounts returned to you.

Promontory, or cost-of-funds rates at which Destination Institutions may request funds, may affect the Interest Rate. We will not collect a fee from you for the placement of your funds through ICS.

6.4. Mutual Institution Voting and Subscription Rights

(a) Your funds may be placed in a Deposit Account at a Destination Institution that is in the mutual form of organization. Such a Deposit Account will be identified on the books of the mutual institution in the name of the sub-custodian and not in your name. The sub-custodian will not attend or vote at any meeting of the depositor members of a mutual institution, or exercise any subscription rights in a mutual institution's mutual-to-stock conversion, either on its own behalf or on your behalf. You hereby waive any right you may have to attend or vote at any meeting of the depositor members, or to receive or exercise any subscription rights you may have in the event that the mutual institution converts from mutual to stock form, even if you held a Deposit Account as of an applicable record date.

(b) If we receive from the sub-custodian notice of a meeting of depositor members of a mutual institution or other materials or information relating to a mutual institution's mutual-to-stock conversion, we may forward such notice, materials, or information to you. If you wish to receive such notice, materials, or information directly from the mutual institution, attend or vote at any meeting of the depositor members of the mutual institution, or receive subscription rights in the event the mutual institution converts from mutual to stock form, you must dismiss us as custodian before the applicable record date (a date that is usually at least one year in advance of the date the mutual institution's board of directors adopts a plan of conversion) and have your ownership of the Deposit Account recorded in your name directly on the books of the mutual institution.

7. Other Provisions

7.1. Release and Use of Identifying Information

(a) You consent to our providing your name, TIN or other alphanumeric identifier, and other identifying information ("*Identifying Information*") to BNY Mellon, Promontory, and other parties providing services in connection with ICS (each a "*Service Provider*"). A Service Provider may use the Identifying Information only in connection with its provision of services relating to ICS. We or a Service Provider may also provide Identifying Information to a Destination Institution, but will do so only to the extent necessary to comply with a request by you or your agent or to comply with applicable law. In addition, we or a Service Provider may provide Identifying Information to the FDIC in connection with a deposit insurance claim.

(b) We will not provide Identifying Information to any other party unless we determine that (i) we are required by applicable law to do so or (ii) we are permitted by applicable law to do so and have reasonable grounds to do so to protect our own legal or business interests or the legal or business interests of Promontory or BNY Mellon. Promontory may use and disclose information regarding aggregated activity of ICS depositors, provided it does not use or disclose any Identifying Information in a manner contrary to this Section 7.1.

7.2. Liability and Dispute Resolution

(a) We are responsible for maintaining, directly or through a Service Provider, appropriate records of our placements for you. We are also responsible for not placing your funds through ICS at any Destination Institution that is the subject of a then-effective exclusion on your List of Exclusions, at any Destination Institution that is the subject

of an effective rejection by you at the time of the applicable ICS Settlement, in an ICS placement at a Destination Institution under a single TIN in an amount that exceeds the SMDIA, or in a manner that violates Section 4.2(c). IF ALL OR PART OF YOUR DEPOSIT AT A DESTINATION INSTITUTION IS UNINSURED BECAUSE OF OUR FAILURE TO FULFILL THESE RESPONSIBILITIES, AND IF THE DESTINATION INSTITUTION FAILS AND YOU DO NOT OTHERWISE RECOVER THE UNINSURED PORTION, WE WILL REIMBURSE YOU FOR YOUR DOCUMENTED LOSS OF THE UNINSURED PORTION.

(b) SUBJECT TO OUR REIMBURSEMENT OBLIGATION IN THE PRECEDING SUBSECTION, AND EXCEPT AS MAY BE OTHERWISE REQUIRED BY APPLICABLE LAW, WE WILL NOT BE LIABLE, AND IN NO EVENT WILL PROMONTORY OR BNY MELLON BE LIABLE, TO YOU OR TO ANY THIRD PARTY FOR ANY LOSS OR DAMAGES INCURRED OR ALLEGEDLY INCURRED IN CONNECTION WITH THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING, WE, PROMONTORY, AND BNY MELLON WILL NOT HAVE ANY LIABILITY TO YOU OR ANY THIRD PARTY FOR: (i) ANY LOSS ARISING OUT OF OR RELATING TO A CAUSE OVER WHICH WE DO NOT HAVE DIRECT CONTROL, INCLUDING THE FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, UNAUTHORIZED ACCESS, THEFT, OPERATOR ERRORS, GOVERNMENT RESTRICTIONS, OR FORCE MAJEURE (E.G., EARTHQUAKE, FLOOD, SEVERE OR EXTRAORDINARY WEATHER CONDITIONS, NATURAL DISASTERS OR OTHER ACT OF GOD, FIRE, ACTS OF WAR, TERRORIST ATTACKS, INSURRECTION, RIOT, STRIKES, LABOR DISPUTES OR SIMILAR PROBLEMS, ACCIDENT, ACTION OF GOVERNMENT, COMMUNICATIONS, SYSTEM OR POWER FAILURES, OR EQUIPMENT OR SOFTWARE MALFUNCTION), (ii) DELAY IN ANY FDIC INSURANCE PAYMENT, (iii) THE FINANCIAL CONDITION OF ANY DESTINATION INSTITUTION OR THE ACCURACY OF ANY FINANCIAL INFORMATION ABOUT ANY DESTINATION INSTITUTION, OR (iv) ANY SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS).

(c) ANY DISPUTES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT WILL BE GOVERNED BY THE DISPUTE RESOLUTION, ARBITRATION, CHOICE OF LAW, VENUE, WAIVER OF JURY TRIAL, AND COSTS RELATED TO DISPUTES PROVISIONS, IF ANY, CONTAINED IN YOUR CUSTODIAL AGREEMENT.

7.3. Miscellaneous

(a) This Agreement constitutes the entire agreement between you and us relating to the placement of deposits through ICS and any other matter herein, supersedes prior agreements, understandings, negotiations, representations, and proposals, written or oral, relating to any matter herein, and may not be amended by any oral representation made or oral agreement reached after the execution of this Agreement.

(b) Either party may terminate this Agreement on written notice to the other, but the obligations of both parties will survive with respect to any funds deposited at the time of termination. In addition, the provisions of this Section 7 will survive termination.

(c) Schedules 1, 2, 3, and 4 (each a "*Schedule*") are incorporated into and made part of this Agreement. We may amend this Agreement, including any Schedule, prospectively by giving you written notice of the amendment at least fourteen (14) days before the effective date of the amendment, which will be specified in the amendment. We may provide written notice of the amendment by means of a posting on the DCP, an entry on your account statement, an email message, or a printed letter.

(d) This Agreement may not be assigned, in whole or in part, by either party except by operation of law or as required by applicable law, and any purported assignment in violation hereof is void.

(e) The headings in this Agreement are not intended to describe, interpret, define, or limit the scope or intent of this Agreement

By signing below, you (as Depositor) and we (as Relationship Institution) agree to be legally bound by this ICS Deposit Placement Agreement, effective when you and we have signed it. If the Transaction Account is a Joint account, each owner of the Transaction Account must sign this Agreement, and funds in your Deposit Accounts will be held in the same joint ownership capacity.

Target Balance	Minimum Sweep Amount	Minimum Return Amount
\$	\$	\$

(b) For the ICS savings option, the Target Balance, Minimum Sweep Amount, and Minimum Return Amount for the Transaction Account are as follows:

(d) Reallocation Instruction:

- If you check this box, you are giving us a Reallocation Instruction as specified in Section 3.5.
- If you check this box, you are not giving us a Reallocation Instruction.

2. Program Deposits

(a) The Triggering Event for a Regular Program Deposit is a net change in the Transaction Account balance that causes its balance to exceed the Target Balance by more than the Minimum Sweep Amount. After posting all your Transaction Account activity for a Business Day, we will determine whether the Transaction Account balance exceeds the Target Balance by more than the Minimum Sweep Amount. Subject to the other terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer the amount by which the Transaction Account balance exceeds the Target Balance to Deposit Accounts at ICS Settlement on the next Business Day.

(b) The Triggering Event for a Same-Day Program Deposit is a Same-Day Program Deposit request by you that we receive and accept before the Same-Day Deposit Cutoff Time on a Business Day. Subject to the other terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer the requested amount to Deposit Accounts at ICS Settlement later on the same Business Day.

(c) If a Triggering Event for a Program Deposit occurs, we may debit the Transaction Account and credit a holding account before the transfer of funds to Deposit Accounts occurs at ICS Settlement.

3. Program Withdrawals

(a) All Program Withdrawals will be Regular Program Withdrawals, which occur on the Business Day after the Triggering Event. The Triggering Event for a Program Withdrawal is a net change in the Transaction Account balance, after the posting of all your Transaction Account activity for a Business Day, that causes its balance (exclusive of any amounts that we credit as advances in anticipation of a Program Withdrawal) to be less than the Target Balance by more than the Minimum Return Amount. Subject to the other terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer an amount from your Deposit Accounts at ICS Settlement the next Business Day, up to the available amount in your Deposit Accounts, sufficient to restore the Transaction Account balance to the Target Balance.

(b) Subject to the other terms and conditions of this Agreement, including Section 3.4, and subject to the rules and cutoff times that otherwise apply to transaction accounts with us, we will honor your debit transactions in the Transaction Account if the sum of your funds in the Transaction Account and your funds in your Deposit Accounts, after taking into account any pending Program Deposits and any pending Program Withdrawals, is not less than zero. We will do so even if the amount of the debit transaction exceeds the Transaction Account balance. As set forth in Section 3.4, you will owe us any amounts that we credit as advances in anticipation of a Program Deposit and we will retain those amounts from the funds we receive at ICS Settlement.

(c) If a Triggering Event for a Program Withdrawal occurs, we may credit the Transaction Account and debit a holding account before the transfer of funds from your Deposit Accounts occurs at ICS Settlement.

SCHEDULE 2 TO ICS DEPOSIT PLACEMENT AGREEMENT

Transaction Account

Although we will not place your funds through ICS at any one Destination Institution in an amount that exceeds the FDIC standard maximum deposit insurance amount ("SMDIA") of \$250,000, balances in your Transaction Account, separately or together with your other balances with us in the same insurable capacity, may exceed the SMDIA. For example, your balances may exceed the SMDIA until ICS Settlement for a pending large Program Deposit or if all funds in your Deposit Accounts are returned to your Transaction Account for the remainder of a month as a result of the application of the Program Withdrawal limit. If you cannot accept the risk associated with uninsured deposits in these or other circumstances, it will be your responsibility to make arrangements with us to have such funds collateralized, protected by a properly-executed repo sweep arrangement, or otherwise adequately protected, in a manner consistent with applicable law. You should consult your legal advisor to determine whether a particular collateralization arrangement is consistent with applicable law.
