In coordination with the Town of Bolivar, The Jefferson County GIS/Addressing Office is currently conducting a town-wide address compliance program. This program is designed to raise public awareness of the importance of having the proper display of addresses on all structures in order to avoid delays in emergency response.

All addressable structures within the town, including residences, businesses, and public buildings are being reviewed for their compliance with the Jefferson County E9-1-1 Addressing Ordinance. Please note, fines may be incurred for lack of compliance, but our main objective is to make it easier for emergency personnel

to **find** people in their time of need, not to **fine** people. Owners found non-compliant will receive notification and there will be a reasonable amount of time given to correct their address display before final warning notice and possible fines.
