Every U.S. Veteran—whether active duty, retired, national guard or reserve—is someone who at one point in their life, wrote a blank check made payable to "The United States of America," for an amount of "up to and including THEIR LIFE." How can we ever properly thank such a group of heroes? One at a time. THANK our VETERANS and TREAT THEM WELL! ♥
Remember our fallen U.S. Veterans, *Honor* those who serve, *Teach* your children the value of **FREEDOM!**
