### Project Summary

**1. Brief description of the proposal**

Create a customer work station for the Office of Building Permits & Inspections.

**2. Purpose and key anticipated outcomes**

Allow customers to access the digital building permits and inspections permit application system via computer and "Bluebeam" software located within the Office of Building Permits and Inspections; resulting in a customer self-serve station and improved customer access.

**3. Individuals or communities served**

Jefferson County citizens and the building industry.

**4. How the COVID-19 pandemic has necessitated this request**

Lack of a digital work station results in more face-to-face meetings between customers and office of permits and inspections staff. Increasing the risk of exposure to COVID-19.

**5. Amount of funding requested**

15,000

**6. Amount of any bids or cost estimates received to date, if applicable**

15,000

**7a. Amount of matching funds raised or committed by your organization**

0

**7b. Source of matching funds raised or committed by your organization**

0

**8. How ARP funds, if awarded, will be used**

To pay for the cost of equipment and software.

**9. How long it will take you to complete the project if awarded funding**

Approximately 4 months.

**Proposal Details**

**1. Please describe the problem or need which your project seeks to address**

Reduce wait times and face-to face exposure between customers and staff; thus reducing the risk of exposure to COVID-19

**2. Please describe goals and expected outcomes of your proposal.**

Reduced exposure to COVID-19 and improved customer service.

**3. Please provide your project timeline**

Implement two months after approval of funding. Need to coordinate with the information technology department.

**4. Please provide your project's total proposed budget.**

15000

**5. Please list any partners in this proposal, and the partner's role and your relationship with them.**

N/A

**6. Please describe your plan for sustainability of the project or initiative after the grant award has been exhausted.**

This is a one time funding request with negligible ongoing maintenance.

**Organization Information**

**1. Please provide your organization's mission statement.**

To protect the public health, safety and welfare in the area of building construction and land development.

**2. Describe the history of your organization, tell us about your current programs and activities**

Engineering, Planning & Zoning has overseen land development projects in Jefferson County for more than 30 years.

**3. Please describe three significant accomplishments of your organization.**

- 1. Managed the bidding and construction of more that \$3 million of demolition and land development projects in Jefferson County.
- 2. Received floodplain management of the year award from State of West Virginia.
- 3. The Department of Engineering, Planning & Zoning has maintained a nearly level budget amount, and operated under budget for the past six years. Doing more work with the same level of staff by implementing more efficient work processes.
- 4. Managed the flood plains and flood insurance program in a manner that results in a 20% discount on flood insurance for the citizens of Jefferson County.

**4. Please list your Owner(s), Board of Directors, senior staff members, or other key members of your organization:**

Jefferson County Commission and the Department of Engineering, Planning & Zoning.

**5. Please list the staff involved with this project and describe their roles and responsibilities:**

Mike Monaghan, Lead Building Inspector - implementation and customer training.  
 Rebecca Burns, Office Manager - project manager  
 Russell Burgess - purchasing of equipment and installation.

## Impact of the COVID-19 Pandemic

**1. Please explain the impact of the COVID-19 pandemic and how it relates to your request.**

COVID-19 has slowed processes due to meeting social distancing requirements and the time involved in continuously cleaning and disinfecting customer service areas.

**2. How will ARP funding, if awarded, aid in the recovery from the COVID-19 pandemic?**

Creating a customer friendly environment and less exposure to COVID-19 between customers and staff.

**3. Are you requesting lost revenue due to COVID-19**

Yes

**If yes, please explain**

Lost revenue = reduction in funding for capital funding = delayed completion of projects for the public health, safety and welfare.

**Upload supporting documentation for revenue loss**
