PRESIDENT
Caleb Wayne Hudson

January 30, 2022

VICE PRESIDENT
Stephen Stolipher

Honorable Commissioners
Jefferson County, West Virginia

COMMISSIONER
Jane Tabb

I present to you the Fiscal Year 2023 operating and capital improvements program (CIP) budget requests from department heads, elected officials, and community organizations for Jefferson County. The budget document for FY23 represents the dedicated work of the County's senior leadership and support staff over the past several months. Adoption of the budget is one of the most important actions taken each year. The County's annual budget applies resources in an effective and responsible manner consistent with the policy direction set forth by the Jefferson County Commission. In the next few months, difficult decisions will be made to develop a balanced budget while allocating the county's scarce resources and maintaining sound financial management practices. The FY23 budget and outlook for future years comes with financial challenges that must be taken into consideration during the balancing process.

COMMISSIONER
Tricia Jackson

COMMISSIONER
Clare Ath

The last two years have been especially challenging for Jefferson County. National, state, county and private organizations have been negatively impacted by the COVID19 pandemic expenditure increases, office closures, and reductions in business hours and capacity. In response to the COVID19 pandemic, the County implemented sound financial management policies to counter the effects of revenue losses by deferring expenditures for capital projects, delaying filling of vacancies and deferring discretionary spending for travel, education, equipment, materials and supplies.

The economy is expected to rebound slowly over the next few fiscal years; and, the county experienced revenue growth in FY21 over FY20 in federal grants, gambling, permitting and property transfer tax revenue. This growth trend has continued into FY22 as the local economy begins to recover. Additionally, FY23's revenue projections reflect the addition of American Rescue Plan Act (ARPA) federal grant funding. The federal government enacted ARPA to provide state and local governments with funding to supplant revenue loss and offset expenditure increases that resulted from the COVID19 pandemic. Additionally, revenue projections include increases that resulted from legislative changes that took effect on July 1, 2021 related to the state's distribution of property transfer tax for real property. The County has experienced multiple years of lean operations and repeated deferment of capital projects, employee salary increases, and operating expenditures; and, as a result, many departments included requests for operating increases.

FY2023 Budget Focus

The FY23 budget continues to include recognition of the service provided by County employees through the proposed merit increases, pay equity adjustments, and a cost of living adjustment for employees. Numerous requests for position additions have been received and are needed to enhance and maintain needed levels of services provided. Additionally, the budget includes projects that promote planning for future capital outlay needs.

The FY23 requests for operating expenditure allocations for the General Fund totals \$31.4 million, an increase of 20.7% over last year's total operating budget of \$26.0 million. Total estimated revenue for FY23 is estimated at \$28.3 million. This is an 8.0% increase (\$2.1 million) over FY22's revised budgeted revenue of

County Administrator
John Nissel

Deputy County Administrator
Sandy Slusher McDonald

\$26.0 million. The increase is primarily a result of projected increases in assessable base growth for real and personal property tax (\$474,000), increases in property transfer tax (\$543,000), and gambling revenue (\$782,000). Transfers from other funds also includes ARPA federal grant revenue (\$800,000) for estimated lost revenue that resulted from the COVID19 pandemic.

Assessable Base & Tax Levy Rate

Assessable Base. In FY14, the assessable base decreased to a low of \$3.0 billion; however, the assessable base has been recovering in recent years. In FY23, it is projected that the total property assessable base will increase by 9.1% (from 3.98 billion to 4.33 billion). This is a good economic indicator and shows that market values for county property are on the rise. In FY23, new construction is estimated to be \$74 million and is consistent with prior year figures for new construction. Because total property values are expected to increase in FY23, the County may experience a change in the levy rate. The max levy rate was reached in FY19. The County normally realizes a tax revenue increase of approximately \$500,000; and, the FY23 budget includes a tax revenue increase of \$474,000.

The assessable base for class II owner occupied real property is projected to increase by 12.29%. At the time that revenue estimates were prepared in December 2021, assessment values for personal property and utilities were not completed. Those figures will be revised in late February. For projection purposes, 1.75% and 1.15% increases respectively were included based on historical trends. The assessable base broken down by category is estimated as follows:

	<u>Real Prop</u>	<u>% Chg</u>	<u>Pers Prop</u>	<u>% Chg</u>	<u>Utilities</u>	<u>% Chg</u>	<u>Total Assess</u>	<u>% Chg</u>
Tax Year 2022 for FY2023 ESTIMATED								
Grand Total	3,824,082,110	10.23%	348,623,225	1.75%	165,366,867	1.15%	4,338,072,202	9.12%
Tax Year 2021 for FY2022								
Grand Total	3,469,208,750	2.85%	342,641,290	1.05%	163,494,117	-2.07%	3,975,344,157	2.48%

Tax Levy Rate. According to WV Code 11-8-6e, the County is permitted to increase the Levy Rate each year without a public hearing as long as the levy rate increase doesn't result in an increase of more than 1% of the prior year projected property tax revenue. It is anticipated that in FY23, the levy rate for the County may change for the first time since FY19 when the county reached the State's max levy rate of \$28.60 cents per \$100 of assessed value for Class II properties (see table below). The Levy Rate and Max Levy Rate by Class in cents per \$100 of assessed value for FY20 and the previous four (4) fiscal years is as follows:

Fiscal Year	<u>Levy Rate by Class</u>				<u>% Inc/(Dec)</u>	<u>Max Levy Rate by Class</u>			
	<u>I</u>	<u>II</u>	<u>III</u>	<u>IV</u>		<u>I</u>	<u>II</u>	<u>III</u>	<u>IV</u>
2023 Projected	13.68	27.36	54.72	54.72	-4.34%	14.30	28.60	57.20	57.20
2022	14.30	28.60	57.20	57.20	0.00%	14.30	28.60	57.20	57.20
2021	14.30	28.60	57.20	57.20	0.00%	14.30	28.60	57.20	57.20
2020	14.30	28.60	57.20	57.20	0.00%	14.30	28.60	57.20	57.20
2019	14.30	28.60	57.20	57.20	0.36%	14.30	28.60	57.20	57.20

Even though the FY23 levy rate is projected to decrease, some property owners may still see an increase in their annual tax bill due to the 12.29% increase in property assessment values. Owners with property value increases due to market and economic growth may experience an increase in their annual tax bills.

As other major events occur, **future increases to other revenue sources in the form of user fees may be needed to generate sufficient revenues to support current services.** As an alternative, expenditure cuts that would result in reductions in operations, reduced service levels, or shifting services to other service providers may need to be considered. In addition to the continued COVID19 pandemic business closures, other major events that could impact the County could include another economic or construction downturn causing loss

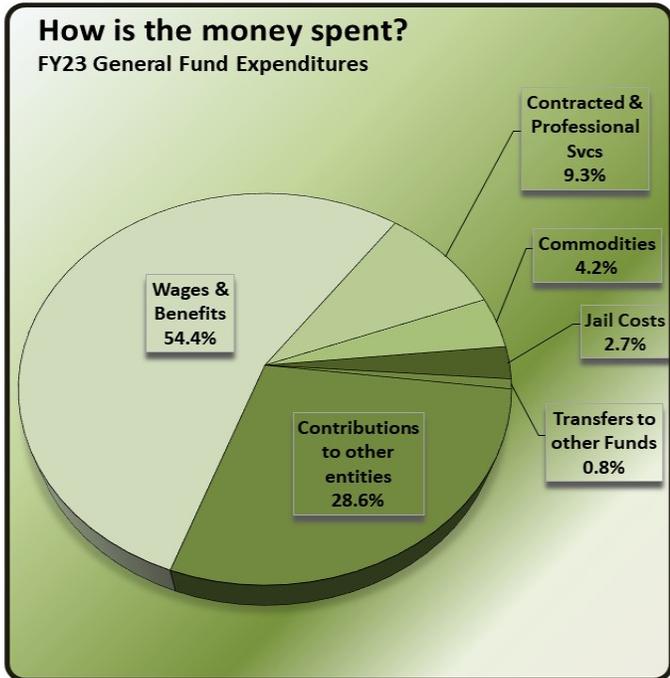

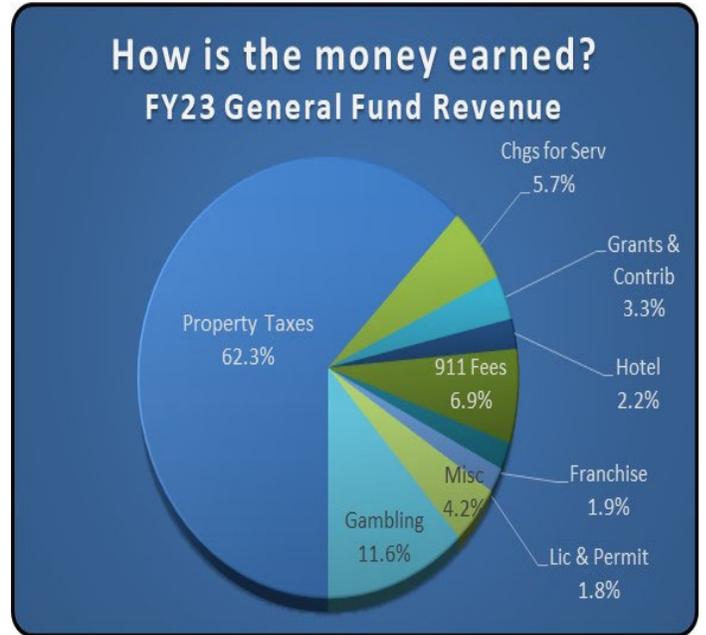

of revenue. Based on revenue projections and department requests for FY23, and Capital Outlay needs for FY23 and future years, the Commission must make approximately \$3.3 million in expenditure cuts or revenue additions to balance the budget for FY23.

Where does the money come from? Where does the money go?

Jefferson County Commission
 General Fund

Revenue by Type	FY23 Budget		FY22 Budget	
Property Taxes	18,216,091	62.3%	17,196,954	65.6%
Charges for Services	1,671,085	5.7%	1,669,652	6.4%
Grants & Contributions	972,500	3.3%	82,843	0.3%
Hotel Occupancy Taxes	656,600	2.2%	638,220	2.4%
911 Fees	2,009,900	6.9%	1,962,900	7.5%
Franchise Agreements	568,600	1.9%	577,300	2.2%
Licenses & Permits	515,000	1.8%	464,400	1.8%
Miscellaneous	1,228,744	4.2%	1,124,402	4.3%
Gambling Revenue	3,386,100	11.6%	2,480,200	9.5%
Total Revenues	29,224,620		26,196,871	

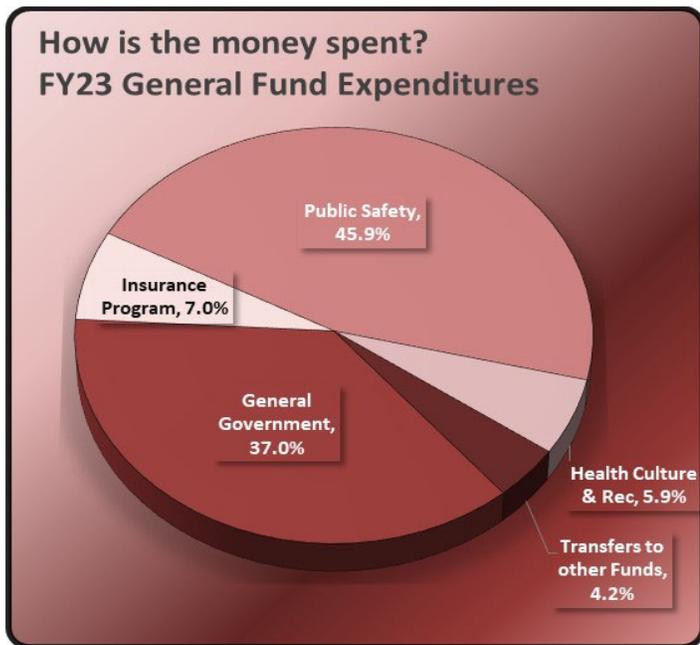

Revenue from the General Fund comes primarily from Taxes at 62.3% or \$18.2 million for FY23's Budget. Taxes consist of real and personal property taxes, gas & oil tax, horse racing, and hotel occupancy tax. Gambling revenue and 911 Fees make up the next largest revenue sources at 11.6% or \$3.4 million and 6.9% or \$2.0 million respectively. Total revenue is estimated at \$29.2 million for FY23's budget.

Jefferson County Commission
 General Fund

Expenditure by Object	FY23 Budget		FY22 Budget	
Wages & Benefits	17,229,633	52.6%	15,020,765	51.2%

Total Expenditures	32,741,147		29,362,103	
Net Surplus (Deficit)	(4,436,527)		(3,361,953)	

Wages & Benefits are the largest General Fund expenditure at 52.6% or \$17.2 million for FY23's Budget. Other significant expenditures include \$9.1 million in Contributions and Transfers and \$0.9 million in Jail Costs. Total expenditures requests are \$32.7 million for FY23's budget.

Jefferson County Commission
 General Fund

<u>Expenditures by Type</u>	<u>FY23 Budget</u>		<u>FY22 Budget</u>	
General Government	12,116,487	37.0%	10,684,082	36.4%
Insurance Program	2,279,846	7.0%	2,257,807	7.7%
Public Safety	15,032,556	45.9%	11,508,421	39.2%
Health Culture & Rec	1,945,952	5.9%	1,526,643	5.2%
Transfers to other Funds	1,366,306	4.2%	3,385,150	11.5%
Total Expenditures	32,741,147		29,362,103	

The County provides a variety of services, and the largest expense is for Public Safety at 45.9% of the FY23 submitted budget or \$15.0 million. Public Safety includes personnel and operating expenditures to maintain the County’s police department, emergency services, and the 911 communications center. General Government makes up the next largest component at 37.0% or \$12.1 million in submissions for FY23. General Government includes personnel and operating expenditures for departments like the County and Circuit Court Clerks, Assessor, Tax Office, Engineering, Planning, Zoning and Maintenance.

Employee Salary and Benefits

In recognition of the outstanding service provided by employees for Jefferson County, the FY23 budget request includes a salary increases for full-time employees and permanent Sheriff’s Officers. Future employee merit increases or cost of living adjustments will be evaluated for affordability annually during the budgetary process. Additionally, it is estimated that the County’s medical insurance costs will increase by 5% or \$115,000 in FY23. It is anticipated that this increase will be shared between employees and the County. An estimated increase of 4-7% or \$115,000 is included for medical insurance benefits provided to full-time employees.

Additional department requests are outlined in the Department Highlights section.

Department Request Highlights

401-County Commission

Includes \$75,000 for employee COLA; \$195,000 for employee merit increases; \$ 1,020,000 and \$750,000 for employee salary equity adjustments.

402 & 413-County Clerk

The County Clerk is requesting \$12,000 for salary increases for department employees, and \$5,000 for book repairs. Elections is seeking \$11,000 for materials & supplies and training. 28,000

404-Sheriff’s Tax Office

Requesting 2 new tax deputies (\$95,000); and employee Merit increases (\$8,600) 103,600

407-Assessor’s Valuation Fund

Requesting \$50,000 for employee increases funded by the assessor's valuation fund. 50,000

Department Request Highlights-continued

428-Information Technology Department

Requesting \$23,000 for promotions related to four (4) employees; increases of \$60,000 in annual software and licensing, \$12,000 for a part time employee that is 90% grant funded. The increases are offset by \$59,000 in decreases to computer hardware. 36,000

431-Jefferson County Development Authority

Requesting increases to marketing (\$37,500); engineering (\$34,000); Other operating (\$23,000). Increases are offset by a \$20,000 decrease in legal services. 74,500

440-Engineering, Planning & Zoning

The department is asking for 2 new positions (a Building Inspector and a County Planner) and to upgrade 1 existing position (the Zoning Administrator to Deputy Director of Planning and Zoning). 166,405

700-Law Enforcement

1) The Sheriff would like additional funds for operating costs. 56,000

2) The Sheriff is requesting additional funds for overtime (from \$265,000 to \$326,000). 60,000

3) Sheriff is requesting the addition of 6 deputies (\$462,000) and 3 FT Bailiffs (\$65,000). 527,000

4) Sheriff is requesting PT Wage increases (\$18,000) and PT Bailiff wage increases (\$215,000) 233,000

5) Sheriff is requesting wage increases for: Merit increases (\$119,000); discretionary promotions (\$26,000); Sign on bonuses (\$32,600); shift differential (\$10,000); and a new pay scale (\$8,000). 195,600

704-Regional Jail

Decrease based on FY21 History

712-911 Communication Center

The department is requesting \$124,000 priority dispatch and spillman enhancements; \$108,000 to replace radio back ups at PSAP and Blue Ridge; and \$49,000 for motorola APX base station consolette replacements. 281,000

713-Fire Departments

No request was received from Fire departments -

715-JCESA

Requesting the addition of twenty-nine (29) new full time staff members (total 2,505,321 at 86,390 each) and increases for existing staff. 2,650,453

Department Request Highlights-continued

716-Animal Control

Sheriff is requesting the addition of one (1) new position (\$47,000); merit increases (\$3,600); salary adjustments (\$5,800); and overtime (\$8,200). 64,600

717-Central Garage

The department is requesting the addition of one (1) new position and included increases for fuel based on the current cost trend. 74,331

908-Jefferson County Community Ministries

Requesting \$80,000 (an increase of \$40,000). 80,000

909-Historic Commission

Requesting an additional \$25,000 as a WVDOH grant match to convert Duffields Depot into a museum 25,000

916-Libraries

Requesting an additional \$69,000 to fund County library operating costs. 69,000

950-CASA

CASA is asking for an increase from \$5,000 in FY22 to \$10,000 in FY23 10,000

952-Senior Citizens

Jefferson County Council on Aging is requesting new funding to cover the local portion of a grant match for meals for older citizens. 14,382

953-Public Transit

The EPTA is requesting funds as local match for federal funding (an increase of 40,000 from 60,000 in FY22). 60,000

The EWVRAA (Airport) is asking for 5,000 for the board seat and 34,370 for field maintenance. 39,370

Budget Schedule

County departments, component units, and community agencies will present their FY23 budget request to the Commission from February 8 through February 11, 2022, and budget balancing will commence the following week through February 28, 2022. All meetings are open to the public either in person or via a virtual platform and can be viewed online at the County's website www.jeffersoncountywv.org. A Special Session to approve the Fiscal Year 2023 Budget will be held at the end of March 2022 and must be held prior to March 28th. Lastly, a Special Session to Lay the Levy for Fiscal Year 2023 will be held on April 19, 2022.

The preparation of the budget each year is a significant undertaking by all County Departments, and I wish to express my appreciation to everyone who assisted in the development of the FY23 Budget.

Sincerely,

Michelle Gordon
Finance Consultant

Eastern Panhandle Conservation District

151 Aikens Center, Suite 2

Martinsburg, WV 25404

(681) 247-3010 ~ Fax 263-4986

January 14, 2022

Dear Jefferson County Commission,

The Eastern Panhandle Conservation District (EPCD) would like to thank you for your FY 2021-2022 contribution in the amount of \$500. It was greatly accepted and appreciated by the entire board of supervisors.

The money was put towards the education/outreach specialist salary. This position provides programs to Jefferson County residents (including Berkeley and Morgan counties as well) on various conservation and stewardship topics. Monthly programs are held at the Jefferson County Parks and Recreation Commission building at Sam Michael's Park. These programs are provided free of charge and include hands on activities. Other programming is done in the county school system that focus on science standards that also include hands on programs. With the restrictions in place in the schools this past year, our Education Specialist developed backpack programs that could be dropped off to the teacher and contained a complete environmental program. EPCD won the inaugural 2021 District of the Year Award presented by the WV Association of Conservation Districts.

The Eastern Panhandle Conservation District is unique to other area non-profits and organizations as our programming is offered to the community free of charge. Due to Covid we had to postpone the construction of our pinball type machine that will include scenes from Jefferson County. This interactive game will be used at local fairs and festivals, schools, and other community events to showcase not only Jefferson County scenery and local artists, but it will also allow participants to understand our county's unique geography and learn how Best Management Practices can help to make our environment healthier.

We would like to ask the Jefferson County Commission for \$500 for FY 2022-2023. We thank you for your cooperation and understanding on past programs and projects and we look forward continuing to work with you in the future.

Sincerely,

Nancy Lutz,
Eastern Panhandle Conservation District Chair
Jefferson County Supervisor

TO: Jefferson County Commission
FROM: Laura L. Kuhn, Maintenance Director
DATE: January 24, 2022
RE: Fiscal Year 2023 Budget Requests

Commissioners:

Below you will find an explanation for my budget requests for my three departmental budgets. These budgets are 001424 (Courthouse), 001425 (Other Buildings), and 001717 (Central Garage).

001424 Courthouse

Request for Telephone Line Item Increase

The current phone system was installed in 2013. Many of the phones on the system are almost 9 years old. As these phones fail, they need to be replaced with current models. Phone technology has improved with the new models allowing for greater mobility options. I am requesting an increase in this budget in order to purchase 20 phones to keep in stock in order to replace phones, as needed.

001425 Other Buildings

Request for Water & Sewer Increase

The cost of Water & Sewer is trending higher and was over what was budgeted in previous years. This budget change is to cover the rate and usage increases.

001717 Central Garage

Request for Fuel Line Item Increase

The cost of vehicle fuel increased in 2021. With the anticipation of possibly even higher fuel costs this summer, I recommend increasing this line from \$200,000 to \$220,000.

Request for Additional Staff – Auto Shop Helper

I am requesting the full-time employment of an Auto Shop Helper. This employee would be responsible for assisting the Auto Mechanic as well as maintaining the cleanliness and organization of the auto shop. This employee could also be utilized for other tasks, as needed, in the Maintenance Department. This would provide much needed support to our Auto Mechanic. The proposed job description is attached. This position would be a Grade 4, 80-hour position at an annual salary of \$37,750.

There has been an increase in the work flow in our auto garage over the past several years. The County's fleet has increased in size and has added to this workload. The auto garage is consistently occupied by 2 or more vehicles being serviced on a daily basis by the County's one auto mechanic.

When a vehicle comes into the shop for service or repair, it is always inspected for safety and other repair issues. The vehicles are always test driven before being released. Since the implementation of the County's auto garage in 2011, the County has seen cost savings and the safety and condition of the County's fleet has vastly improved. We have seen a reduction in major costly repairs due to preventative measures and we have saved on the cost of sending our vehicles to an outside vendor.

The County has an approximate total of 140 vehicles and various equipment that is serviced by the auto mechanic. The equipment serviced includes golf carts, ATV's, UTV's, snow plows, mowers, trimmers, trailers, etc.

In 2021, the auto mechanic completed approximately 500 work orders. These work orders included:

- 130 oil change and service
- 110 state inspections
- 220 miscellaneous repairs
- 40 work orders that were for special projects or miscellaneous maintenance tasks

The Auto Mechanic's responsibilities include:

- Oil change, tire rotation, WV inspections, brakes, tires, batteries, wipers, fuel pumps, heat/AC issues, transmission, lights, alternators, water pumps, etc.
- Services and repairs seasonal equipment (lawn mowers, trimmers, snow plows, etc.)
- Services and repairs ATV's, UTV's, golf carts, etc.
- Provides support to prepare, service and deliver ATV's and golf carts for special events
- Inspects vehicles prior to an employee reserving the vehicle for a trip
- Responds to calls for County vehicles that need roadside assistance
- Coordinates with suppliers to obtain the best pricing on auto parts and supplies
- Maintains inventory of auto parts and supplies
- Assists with other maintenance needs when additional staff is required

**Jefferson County
Job Description**

Position Title:	Maintenance Shop Helper	Grade Level:	4
Department	Maintenance Department	Date:	January 2022
Reports to:	Maintenance Director	FLSA Status	NE

Statement of Duties: The employee is responsible for assisting the Auto Mechanic to ensure all assigned equipment, vehicles, operating supplies, tools and facilities are maintained. Employee is responsible for maintaining cleanliness and organization in auto shop. Employee is required to perform all similar or related duties.

Supervision Required: Under general supervision of the Maintenance Director, the employee is familiar with the work routine and uses initiative in carrying out recurring assignments independently with specific instruction. The supervisor provides additional, specific instruction for new, difficult or unusual assignments, including suggested work methods. The employee is expected to recognize instances which are out of the ordinary and which do not fall within existing instructions; the employee is then expected to seek advice and further instructions. Reviews and checks of the employee's work are applied to an extent sufficient to keep the supervisor aware of progress, and to insure that completed work and methods used are technically accurate and that instructions are being followed.

Supervisory Responsibility: Employee, as a regular and continuing part of the job, does not supervise other employees.

Confidentiality: Employee does not have access to confidential information.

Accountability: Consequences of errors, missed deadlines or poor judgment may include adverse public relations, labor/material costs or danger to public health/safety.

Judgment: Numerous standardized practices, procedures, or general instructions govern the work and in some cases, may require additional interpretation. Judgment is needed to locate, select, and apply the most pertinent practice, procedure, regulation or guideline.

Complexity: The work consists of a variety of duties which generally follow standardized practices, procedures, regulations or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Work Environment: Working conditions involve occasional exposure to intermittent machine or related noise or a combination of unpleasant elements such as odors, chemical fumes, dust, smoke, heat, cold, oil, dirt or grease. Includes work under typical shop conditions or outdoor work which is suspended when weather conditions are poor. Work may involve general cleaning, occasional work at heights or in confined or cramped quarters, or work around machinery and its moving parts. Work may also involve occasional mental stress, such as completing several unrelated tasks within a relatively short period of time.

Jefferson County Job Description

Nature and Purpose of Public Contact: Relationships are primarily with co-workers incidental to the purpose of the work involving giving and receiving factual information about the work. Ordinary courtesy and tact are required. Contacts with the public may be required on an occasional basis.

Occupational Risk: Essential functions regularly present potential risk of injuries from improper exposure which could result in loss of time from work. Examples of injury include burns from chemicals, steam or fire, severe muscular strains from working with extremely heavy material, falls from heights in excess of three feet and illness from exposure to communicable diseases. Special safety precautions, training, or protective clothing such as gowns, coats, gloves, glasses, hats or boots may be required.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

1. Assists Automobile Mechanic to perform preventative maintenance repair on vehicles and equipment including, but not limited to: oil, transmission and other fluid changes, tire rotations, lubrications, replacement and repair of lights, windshield wipers, brakes, engine and drive train maintenance.
2. Assists Automobile Mechanic with the maintenance and repair of seasonal equipment including, but not limited to: lawn mowers, weed trimmers, and snow plows.
3. Responsible for maintaining shop cleanliness and organization including, but not limited to: sorting recyclables, operating baler, sweeping floors, cleaning restrooms, organizing & putting away supplies.
4. Ensure that safe conditions are being maintained at all times on County vehicles.
5. Perform preventative maintenance and minor equipment repairs as needed.
6. Work alone, or as a member of the Maintenance team, to ensure smooth operations and satisfaction of departments served by the Maintenance Department.
7. Ensures that safety is maintained at all times on the interior/exterior of the buildings for which responsible.
8. Maintains an awareness of security and maintenance deficiencies and correct and/or report such deficiencies to the Director of Maintenance or office staff.
9. Assist other maintenance personnel with snow removal, lawn care, election delivery, etc. on an as-needed basis and take on-site direction.

**Jefferson County
Job Description**

10. Assists in the moving of furniture or equipment.
11. Promote positive relationships with other departments and the public.
12. Refer all requests from other departments to maintenance office staff unless the request is an emergency.
13. Performs other duties as requested by the Maintenance Director.

Recommended Minimum Qualifications:

Education and Experience: High School degree or equivalent with one to three (1-3) years related work experience; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities to perform the essential functions of the job.

Special Requirements: A valid driver's license is required for this position. Must pass a background check.

Knowledge, Abilities and Skill

Knowledge: Common policies, practices and procedures of the department and vehicle maintenance. Working knowledge of the safety precautions, supplies and materials needed to perform duties.

Abilities: Work independently and be self-motivated.

Skills: Knowledge in vehicle repair and maintenance to ensure the highest level of operational performance and safety.

Physical and Mental Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the position's essential functions.

Physical Demands: Work requires some agility and physical strength, such as moving in or about construction sites or over rough terrain, or standing or walking most of the work period. Occasionally, work may require lifting heavy objects and carrying them. There may be need to stretch and reach to retrieve materials. Usually, the work will require extended physical effort over a significant portion of the work day. Driving in adverse weather and troublesome road conditions may be required.

Motor Skills: Essential functions involve *close hand and eye coordination and physical dexterity*. Manipulation and motor control under conditions which may require extreme accuracy may be critical. The manual skills required are comparable to those which might be needed in making repairs to delicate electronic instruments or complex equipment.

Visual Demands: Visual demands include reading documents for general understanding.

Re: FY 23 Annual Assessment – Region 9 Planning & Development Council

In preparation for your annual budget, we are notifying local governments of the fiscal year 2023 assessment required by State Code §8-25-12 for the period of July 1, 2022 through June 30, 2023. The breakdown of your assessment is reflected below. As approved unanimously at the September 13, 2021 Full Council Meeting, Region 9 now receives \$.55 per capita of the assessment with the remaining \$.12 per capita being directed toward the Hagerstown/Eastern Panhandle Metropolitan Planning Organization (HEPMPO) Federal Transportation Program. Your assessment below is based on 2010 U.S. Census Bureau population numbers.

THIS IS NOT A BILL. A separate invoice will be sent in July 2022. There will be no Air Quality Assessment Request for FY23.

Member	2010 Census Population	Region 9 Assessment Fee Per Capita	Region 9 Assessment
Jefferson County	53,498	\$0.55	\$29,423.90

Member	2010 Census Population	HEPMPO Assessment Fee Per Capita	HEPMPO Assessment
Jefferson County	53,498	\$0.12	\$6,419.76

Total Assessment for FY 23 \$35,843.66

If you have any questions regarding the assessment, please feel free to contact me.

Sincerely,

Rachel C. Snavelly
Executive Director

Re: FY 23 JCDA Budget request

I am forwarding you a copy of the proposed FY 23 operating budget for the JCDA. We have submitted a request seeking \$105,400 in increased funding.

The JCDA is seeking the reestablishment of the Agriculture Development Coordinator position with an annual salary of \$37,500 and \$35,000 in engineering services fees.

We will submit an overview when we appear before the Jefferson County Commission.

Thank you,

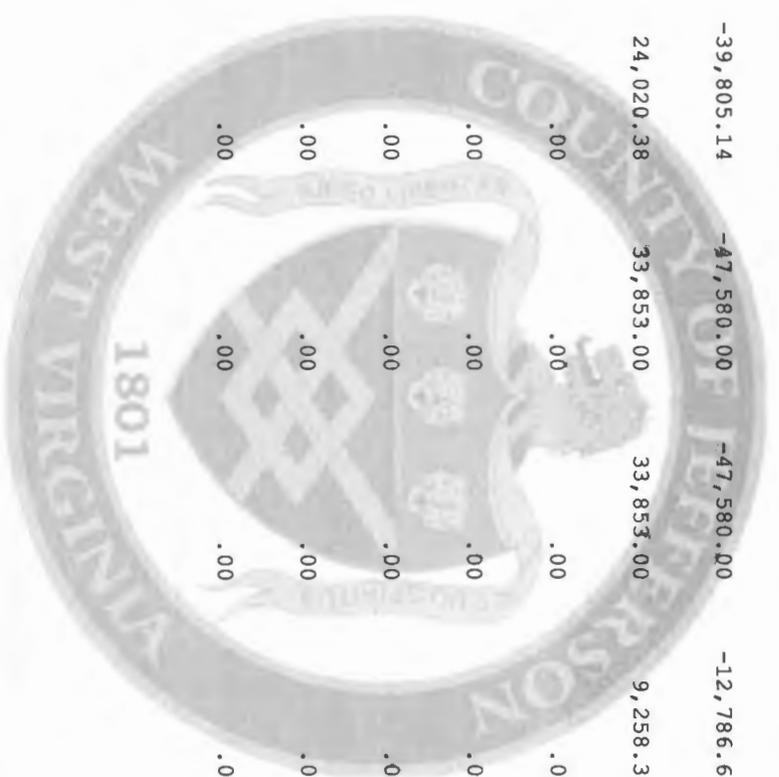

Dennis Jarvis II
Executive Director

To: Craig Simpson <fdproud3@aol.com>; Tricia Jackson Commissioner <commissioner.triciajackson@gmail.com>
Cc: Sandra McDonald <Sandy@jeffersoncountywv.org>
Subject: Volunteer Budget Request

Chairman Simpson and Commissioner Jackson,

I received a call from Sandy this morning inquiring about the status of the FY23 volunteer budget request. I explained that the board would be determining the amount of the request at the February 15 meeting since the January meeting was canceled.

Sandy is concerned that it will be too late for the request to be considered, as the requests and calculations are being prepared this week for submission to the commission.

During the October ESA board meeting, the board advised that the volunteer budget request beginning with the FY23 submission would be handled by the board. I respect that decision, and I'm not trying to put my nose where it doesn't belong or direct the board; I just wanted to make you aware of the concern.

Bob.

Subject: RE: FY23 Budget Packet

Hi Michelle! I have not sent the volunteer Fire Departments' request (713) because the ESA board meeting for 1/18 was canceled. I won't have numbers until they decide what to ask for at their next meeting on Feb 15. I have provided them the due dates in your timeline.

Did you get everything you need from me for the JCESA (general & amb. Fee) budget request?

Thanks,
Bob.

Subject: RE: FY23 Budget Packet

Hi Michelle. Attached is our budget request for JCESA, along with our presentation. I submitted our Capital request a while back, but I've attached it here again to make sure you have it.

The JCESA board will be making the budget request for the fire departments, and I assume they will settle on a number at the next board meeting on January 18. I can't fill in the sheet for Dept. 713 until they decide on the number(s.)

If you have any questions, just let me know.

Thanks,
Bob.

Subject: FY23 Budget Packet

Attached is the spreadsheet required to be submitted for FY23's budget requests. Please email the completed excel file with FY23 Budget requests to me by **Friday, January 14, 2022**.

The County Commissioners have provided FY23 Budget instructions for departments to follow. For FY23, the Commission has decided to use zero-based budgeting, which is the same planning approach that was utilized in FY22. Departments should provide detailed line item descriptions and amounts for each expenditure account to enable the Commission to efficiently allocate the County's limited resources based on department, citizen and community needs and benefits.

Departments should list specifics of each expenditure and be prepared to fully explain and justify FY23 requests to the Commission. We will again prioritize expenditures into four categories:

- **Mandated Function:** Required by law or statute.
- **Mission Critical:** Elimination of the expenditure would result in failure of the department to meet critical functions.
- **Discretionary:** Spending that is consistent with the operations of County government and is neither mandated nor mission critical.
- **New Initiative:** Spending not included in the prior year (FY22) budget.

The Commissioners have not selected budget meeting dates. Meetings are tentatively scheduled for the week of February 7-11. The Commission has asked that we schedule 1-2 days of presentations starting at noon and continuing into the evening to allow for community input from individuals or businesses unable to attend during day sessions. The presentation schedule will be similar to prior years; and, I will send out the meeting schedule with specific times for FY23's budget meetings prior to February 1st. Keep in mind that the Commissioners also have meetings unrelated to the budget scheduled on these dates; and, we need to accommodate those needs when possible. **Lastly, the Commission would like to stress that presentations should focus on department needs or new initiatives.**

Please contact me if you have any problems with the spreadsheet, need accounting transaction detail, or need additional clarification. If you have documentation supporting line items or new requests, such as pricing, formal quotes, analysis, etc., please scan and send that with your completed excel file. **Please email the completed excel file and supporting documents to me by Friday, January 14, 2022.**

NOTES:

JEFFERSON COUNTY EMERGENCY SERVICES AGENCY

JCESA saves lives and preserves property by partnering with the volunteer fire organizations to provide exceptional emergency medical services, fire suppression, and community engagement.

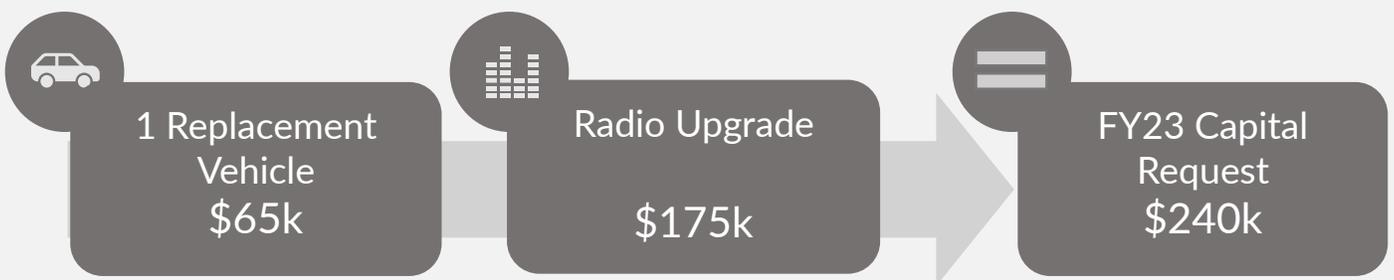

FY2023 Budget Request

Operating Budget

Capital Budget

*amount remitted to JCESA after ambulance fee administration costs.

Maintenance of Effort

Inflation

\$99k

Projected price increases – 5-10%

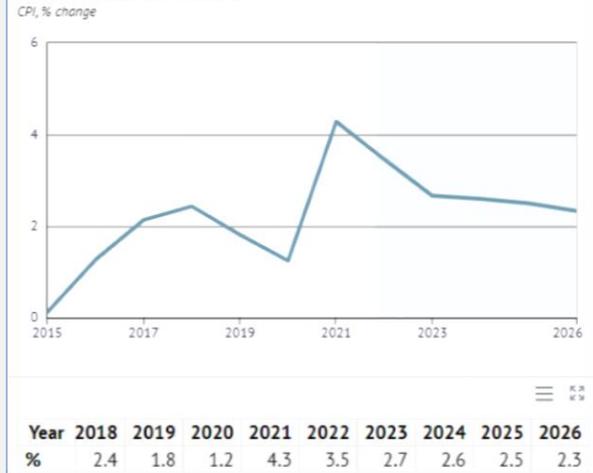

Most impactful:

- Health Insurance
- Workers Compensation

Others:

- EMS Supplies
- Fuel, Utilities
- PPE, etc.

IMF US Inflation Forecast

Increased Depreciation

\$19.5k

Prior equipment & vehicle purchases (grants/capital)

U.S. Inflation Hit 31-Year High in October as Consumer Prices Jump 6.2%

Core index was up 4.6% as pandemic-related supply shortages, strong consumer demand continue

*“an average 3 percent base pay increase would represent a **decrease** in purchasing power for employees.”*

-Stephen Miller, SHRM. September 14, 2021

*“nominal wage gains are an illusion when **inflation wipes out real gains.**”*

-Judy Shelton. Wall Street Journal, July 25, 2021

YOS Increases

\$58k

JCESA Annual Salary Increases:

~~X Longevity pay~~ ✓ Years of Service (YOS)

~~X CoLA~~ ~~X Incentive pay~~ ~~X Merit raises~~

Continuation of Career Ladder implemented in FY19 based on Class & Comp. Study

1.9%

JCESA annual YOS increase

3%

US median annual increase (last 10 years)^{1,2,3,4,5}

3.3%

Projected 2022 US median annual increase.^{4,5}

¹SHRM | ²The Conference Board. Salary Increase Budget Survey. June, 2021 | ³Willis Towers Watson. General Industry Salary Budget Survey | ⁴WorldatWork. 2021-2022 Salary Budget Survey | ⁵PayScale. 2021-2022 Salary Budget Survey

29 Additional Positions

\$2.5m

Headcount	Location	Staffing Created	Total Staffing (with additions)
8	Sta 4 (Ranson)	+ 2 Responders 24/7	4 Responders 24/7
8	Sta 2 (Charles Town)	+ 2 Responders 24/7	4 Responders 24/7
8	Sta 6 (Middleway)	+ 2 Responders 24/7	2 Responders 24/7
4	Sta 1 (Harpers Ferry)	+ 2 Responders 12/7	2 Responders 24/7
1	Float	<ul style="list-style-type: none"> Backfills open shifts, detailed staff & unscheduled vacancies Reduces overtime & mandatory holdovers Resource for call clusters & manpower 	

29 Total

IMPACT:

- ★ Adds a total of 6 responders daytime, 8 overnight
- ★ Creates potential staffing for up to 3 additional EMS units daytime and 4 overnight.
(When not committed to fire apparatus)
- ★ Provides additional staff for fire incidents – a small step closer to meeting safety standards
- ★ Frees Lieutenant from being committed to a first-due unit
 - ✓ Restores 24/7 supervision
 - ✓ Reduces risk & liability
 - ✓ Available for high acuity calls

Capital Replacement

1 Replacement Vehicle \$65k

Continuation of Capital Replacement Plan

- Began 3 years ago
- Goal: Upgrade fleet with median age of 10yrs and median mileage of 95k.
- Older vehicles = increased maintenance cost, fewer safety features, less reliability
- For each vehicle purchased, one is decommissioned

Radio Upgrade \$175k

- 26 portable and 10 mobile units
- Current equipment is obsolete
- Frequent failures & physical parts breakage
- Essential for responder safety & mission execution

This is a capital Request through the County's Capital Outlay Fund

**Jefferson County
Job Description**

Position Title:	Maintenance Shop Helper	Grade Level:	4
Department	Maintenance Department	Date:	January 2022
Reports to:	Maintenance Director	FLSA Status	NE

Statement of Duties: The employee is responsible for assisting the Auto Mechanic to ensure all assigned equipment, vehicles, operating supplies, tools and facilities are maintained. Employee is responsible for maintaining cleanliness and organization in auto shop. Employee is required to perform all similar or related duties.

Supervision Required: Under general supervision of the Maintenance Director, the employee is familiar with the work routine and uses initiative in carrying out recurring assignments independently with specific instruction. The supervisor provides additional, specific instruction for new, difficult or unusual assignments, including suggested work methods. The employee is expected to recognize instances which are out of the ordinary and which do not fall within existing instructions; the employee is then expected to seek advice and further instructions. Reviews and checks of the employee's work are applied to an extent sufficient to keep the supervisor aware of progress, and to insure that completed work and methods used are technically accurate and that instructions are being followed.

Supervisory Responsibility: Employee, as a regular and continuing part of the job, does not supervise other employees.

Confidentiality: Employee does not have access to confidential information.

Accountability: Consequences of errors, missed deadlines or poor judgment may include adverse public relations, labor/material costs or danger to public health/safety.

Judgment: Numerous standardized practices, procedures, or general instructions govern the work and in some cases, may require additional interpretation. Judgment is needed to locate, select, and apply the most pertinent practice, procedure, regulation or guideline.

Complexity: The work consists of a variety of duties which generally follow standardized practices, procedures, regulations or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Work Environment: Working conditions involve occasional exposure to intermittent machine or related noise or a combination of unpleasant elements such as odors, chemical fumes, dust, smoke, heat, cold, oil, dirt or grease. Includes work under typical shop conditions or outdoor work which is suspended when weather conditions are poor. Work may involve general cleaning, occasional work at heights or in confined or cramped quarters, or work around machinery and its moving parts. Work may also involve occasional mental stress, such as completing several unrelated tasks within a relatively short period of time.

Jefferson County Job Description

Nature and Purpose of Public Contact: Relationships are primarily with co-workers incidental to the purpose of the work involving giving and receiving factual information about the work. Ordinary courtesy and tact are required. Contacts with the public may be required on an occasional basis.

Occupational Risk: Essential functions regularly present potential risk of injuries from improper exposure which could result in loss of time from work. Examples of injury include burns from chemicals, steam or fire, severe muscular strains from working with extremely heavy material, falls from heights in excess of three feet and illness from exposure to communicable diseases. Special safety precautions, training, or protective clothing such as gowns, coats, gloves, glasses, hats or boots may be required.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

1. Assists Automobile Mechanic to perform preventative maintenance repair on vehicles and equipment including, but not limited to: oil, transmission and other fluid changes, tire rotations, lubrications, replacement and repair of lights, windshield wipers, brakes, engine and drive train maintenance.
2. Assists Automobile Mechanic with the maintenance and repair of seasonal equipment including, but not limited to: lawn mowers, weed trimmers, and snow plows.
3. Responsible for maintaining shop cleanliness and organization including, but not limited to: sorting recyclables, operating baler, sweeping floors, cleaning restrooms, organizing & putting away supplies.
4. Ensure that safe conditions are being maintained at all times on County vehicles.
5. Perform preventative maintenance and minor equipment repairs as needed.
6. Work alone, or as a member of the Maintenance team, to ensure smooth operations and satisfaction of departments served by the Maintenance Department.
7. Ensures that safety is maintained at all times on the interior/exterior of the buildings for which responsible.
8. Maintains an awareness of security and maintenance deficiencies and correct and/or report such deficiencies to the Director of Maintenance or office staff.
9. Assist other maintenance personnel with snow removal, lawn care, election delivery, etc. on an as-needed basis and take on-site direction.

**Jefferson County
Job Description**

10. Assists in the moving of furniture or equipment.
11. Promote positive relationships with other departments and the public.
12. Refer all requests from other departments to maintenance office staff unless the request is an emergency.
13. Performs other duties as requested by the Maintenance Director.

Recommended Minimum Qualifications:

Education and Experience: High School degree or equivalent with one to three (1-3) years related work experience; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities to perform the essential functions of the job.

Special Requirements: A valid driver's license is required for this position. Must pass a background check.

Knowledge, Abilities and Skill

Knowledge: Common policies, practices and procedures of the department and vehicle maintenance. Working knowledge of the safety precautions, supplies and materials needed to perform duties.

Abilities: Work independently and be self-motivated.

Skills: Knowledge in vehicle repair and maintenance to ensure the highest level of operational performance and safety.

Physical and Mental Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the position's essential functions.

Physical Demands: Work requires some agility and physical strength, such as moving in or about construction sites or over rough terrain, or standing or walking most of the work period. Occasionally, work may require lifting heavy objects and carrying them. There may be need to stretch and reach to retrieve materials. Usually, the work will require extended physical effort over a significant portion of the work day. Driving in adverse weather and troublesome road conditions may be required.

Motor Skills: Essential functions involve *close hand and eye coordination and physical dexterity*. Manipulation and motor control under conditions which may require extreme accuracy may be critical. The manual skills required are comparable to those which might be needed in making repairs to delicate electronic instruments or complex equipment.

Visual Demands: Visual demands include reading documents for general understanding.

Capital Development Budget Request FY-23

Jefferson County Historic Landmarks Commission

I. Site improvements and security upgrades at Peter Burr Farm \$150,000

1. Purchase of approximately three acres of property in front of main house, from Schonstedt Instrument Co. to provide visual buffer and community garden area
2. Improve site definition and security
 - a. Relocate chain link fence away from main house & spring house
 - b. Construct perimeter fencing to define and protect site and visitors
 - c. Install additional security sensors and cameras
3. Install crushed stone paths to provide ADA access to all structures
4. Repair upstairs lath and plaster in main house
5. Restore main house fire place
6. Extend water line to kitchen garden

II. Rehabilitate Duffields Depot stationmasters' quarters as Duffields Depot Museum \$100,000

- a. Run electricity into building
- b. Solve the water problem in the crawlspace
- c. Inject Bentonite around exterior foundation
- d. Construct front steps
- e. Replace west gable end with stone
- f. Replace north side flooring with heart pine
- g. Hire contractor to do a paint analysis
- h. Hire contractor to remediate lead paint
- i. Preservation and replacement of interior details
 - i. Plaster interior walls
 - ii. Replace wood trim
 - iii. Reconstruct interior cabinet
- j. Construct/purchase a handicap access ramp to south door
- k. Begin planning interior exhibits/interpretive panels
- l. Hang exterior shutters
- m. Paint interior and exterior

III. Ruins stabilization and safety upgrades at Shepherdstown Battlefield \$150,000

1. Removal of trees and vegetation from stone foundations
2. Preservation treatment of stone and brick walls
3. Install guardrails along River Rd to protect ruins and visitors

To: Michelle Gordon
Subject: Re: FY23 Budget Packet
Attachments: Dept 95X CASA Eastern Panhandle-MS Addition.xlsm

Hi, Michelle --

First, I'm so sorry to hear about all the crazy. I can't imagine how difficult this experience was for you but happy you landed and have a new adventure! Also happy that you are hopefully helping with this budget season and can give me advice on 21/22 awards. I know we presented and were approved for a continuation of \$5K. I believe we've sent invoices, but I'm not showing we received funds. We've had some turnover, so I'm going to check on all of this and resend some invoices. I hope this is OK and please let me know if I should be doing something else.

Also, we have lost funding at the state level this year and child welfare numbers are skyrocketing (up 60% in Jefferson County!). I am asking for increased funding for 22/23 because of these critical needs.

I will be presenting this information and rationale during budget meetings. Do I also need to be filling out a request form?

Many thanks,
Michelle

On Wed, Dec 22, 2021 at 9:27 AM Michelle Gordon <mgordon@jeffersoncountywv.org> wrote:

Attached is the spreadsheet required to be submitted for FY23's budget requests. Please email the completed excel file with FY23 Budget requests to me by **Friday, January 14, 2022**.

The County Commissioners have provided FY23 Budget instructions for departments to follow. For FY23, the Commission has decided to use zero-based budgeting, which is the same planning approach that was utilized in FY22. Departments should provide detailed line item descriptions and amounts for each expenditure account to enable the Commission to efficiently allocate the County's limited resources based on department, citizen and community needs and benefits.

Departments should list specifics of each expenditure and be prepared to fully explain and justify FY23 requests to the Commission. We will again prioritize expenditures into four categories:

- **Mandated Function:** Required by law or statute.
- **Mission Critical:** Elimination of the expenditure would result in failure of the department to meet critical functions.

- **Discretionary:** Spending that is consistent with the operations of County government and is neither mandated nor mission critical.
- **New Initiative:** Spending not included in the prior year (FY22) budget.

The Commissioners have not selected budget meeting dates. Meetings are tentatively scheduled for the week of February 7-11. The Commission has asked that we schedule 1-2 days of presentations starting at noon and continuing into the evening to allow for community input from individuals or businesses unable to attend during day sessions. The presentation schedule will be similar to prior years; and, I will send out the meeting schedule with specific times for FY23's budget meetings prior to February 1st. Keep in mind that the Commissioners also have meetings unrelated to the budget scheduled on these dates; and, we need to accommodate those needs when possible. **Lastly, the Commission would like to stress that presentations should focus on department needs or new initiatives.**

Please contact me if you have any problems with the spreadsheet, need accounting transaction detail, or need additional clarification. If you have documentation supporting line items or new requests, such as pricing, formal quotes, analysis, etc., please scan and send that with your completed excel file. **Please email the completed excel file and supporting documents to me by Friday, January 14, 2022.**

Re: FY 22 Funding Request

Dear President Stolipher and County Commissioners,

Total FY 22 funding requested from the City Council

EPTA is requesting \$100,000 annual support for funding FY 22/23. As the eastern panhandles public transit provider, we are aware of the changing demographics of the service area. EPTA is committed to grow and adapt to the needs of our growing communities increased demand for public transit services. EPTA provides critical infrastructure to the communities served in Jefferson County.

COVID-19 Pandemic

With the continued challenges the pandemic has given us, EPTA is conscious of the critical need for transportation services for our residents who rely exclusively on public transit. In July 2021 EPTA returned to published services levels. The biggest crisis facing EPTA and the nation is the CDL driver shortage. The resulted in EPTA suspending Saturday service and transferring Route 19 service to Demand Response for the workforce who relied on transportation to work. A majority of EPTA vehicles require CDL class A or B with passenger endorsement. The competition in the area attracting new employees saw employers give large sign-on bonuses and much higher salaries, all of which EPTA could not compete with the higher hourly rates. EPTA did an hourly adjustment for CDL drivers in September 2021 and continues to need 3 fulltime CDL drivers to fill open positions.

EPTA has continued to provide essential travel for workforce, life sustaining medical transportation and essential shopping trips since March of 2020 to present. I continue to be extremely proud of the selflessness of our employees who continue to provide these essential services, public transit operators are overlooked as frontline employees nationwide. Please consider this request, so we may continue to provide quality transportation services to seniors, veterans, employees providing essential services and for all passengers who rely on EPTA for transportation.

446 Novak Drive, Martinsburg WV 25405 Office: 304-263-0876 Fax: 304-264-9253

EPTA significant accomplishments for FY 21

1. EPTA Transit Center Project RFQ for Design and Engineering
2. New website (mobile friendly) www.eptawv.com , updated information and links to employee videos
3. GTFS data for Google Maps and EPTA signage
4. Public Transit Agency Safety Plan
5. New on-boarding procedures for new employees, updated and improved continuing education requirements for current employees
6. Updated scheduling technology for medical transportation optimizing passenger trips (this software has allowed EPTA to move away from paper and pen and use digital tablets for signatures and trip information)
7. Updated technology for pre/post trip inspection to track and reduce preventative maintenance and routine maintenance costs
8. Real time notification of bus location for passengers (link on eptawv.com website)

What major activities are planned by EPTA for FY 22

1. EPTA Transit Center Project: Construction (5339 Grant Funding)
2. Replacement buses/vehicles: two (2) large duty buses (24+2passenger) – Delayed due to COVID from FY 20(5339 Grant Funded) Industry shortage of computer chips
3. Bus shelters – Delayed due to COVID from FY 20 (5339 Grant funded)
4. Purchase and installation of bus stop signage to enhance community transit wayfinding –finalizing and waiting on DOH approval of location and GTFS data.

What will funds be used for:

EPTA will be using all funds towards operations of the transit services provided to the elderly, disabled, veterans, workforce and all other ridership. While EPTA receives federal funds towards operation and capital expenses, these funds cannot be accessed without the local match that is allocated to EPTA. It is essential and critical support that Jefferson County provides. EPTA operates routes 16 and 20 (four buses/drivers covering the morning and afternoon shifts) in Jefferson County Monday thru Friday. Route 20 operates during the peak times of 9:30 am to 5:30 pm runs solely between the Save-a-Lot in Charles Town and Harpers Ferry covering stops in Charles Town, Bolivar and Harpers Ferry. Route 20 will also connect to route 16 via Ranson and the VA Medical Center.

Without increasing local support for our agency, it will be challenging to meet the changing and growing demands for more service for an expanding community. Attached please find the EPTA funding breakdown for FY 20/21, that shows a critical need for additional local support from our municipalities. EPTA has managed growth in a responsible manner over the last 8 years. As the population in the eastern panhandle continues to grow and welcomes new industry to the region. EPTA is an important part of the fabric of our communities contributing to the economic growth and enhancing the quality of life for residents of Jefferson County.

Respectfully,

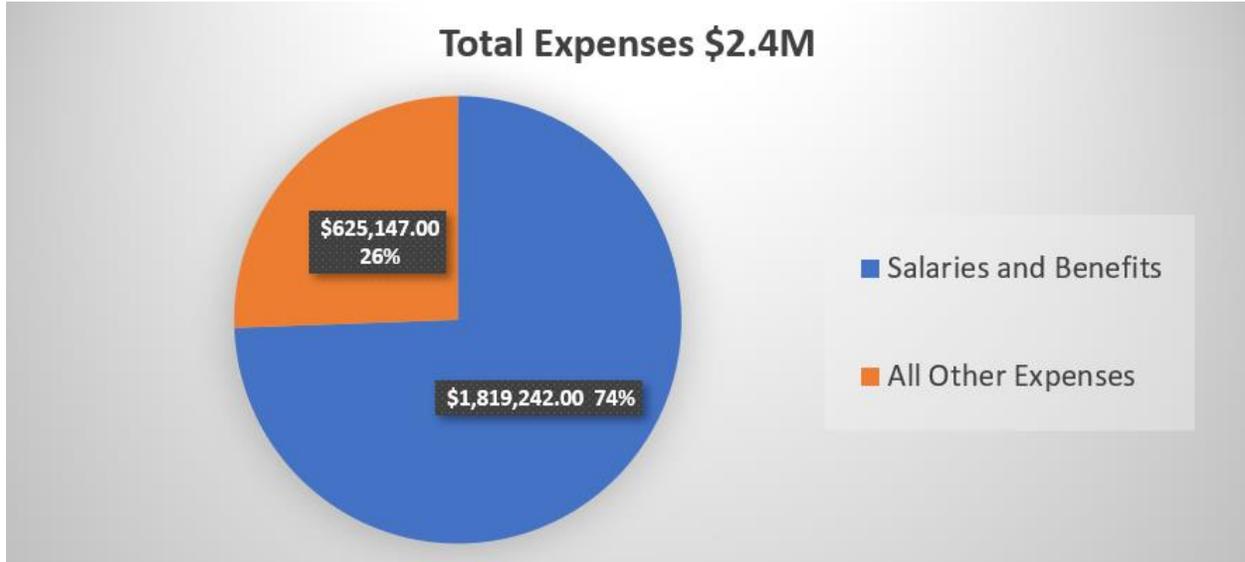

A handwritten signature in black ink that reads "Elaine Bartoldson". The signature is fluid and cursive.

Nicolas Diehl - EPTA BOD President

EPTA Funding Breakdown FY20/21 Budget

EPTA breakdown of agency expenses annually. Personnel expenses are 74% of EPTA's overall budget.

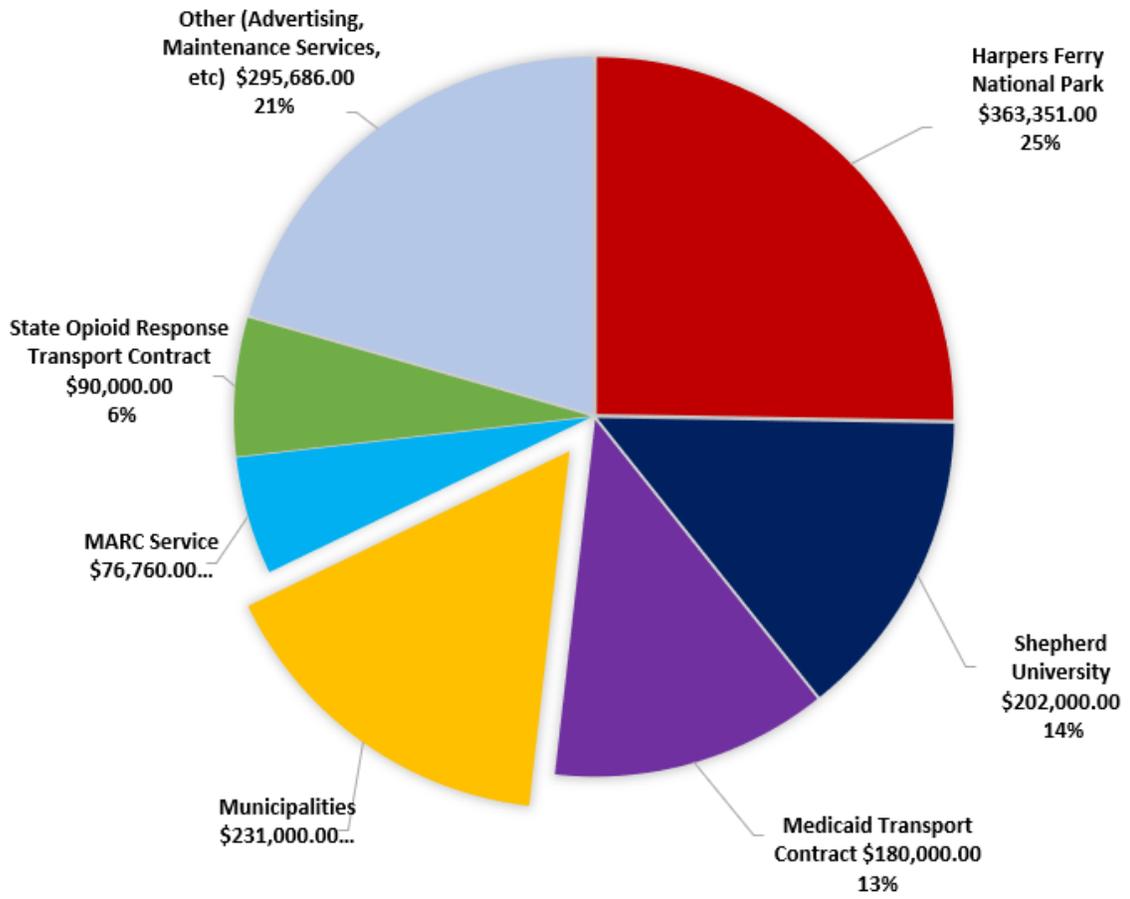

Breakdown of funding for EPTA Expenses, EPTA relies heavily on contract revenue to meet the required local match for EPTA's federal allocation.

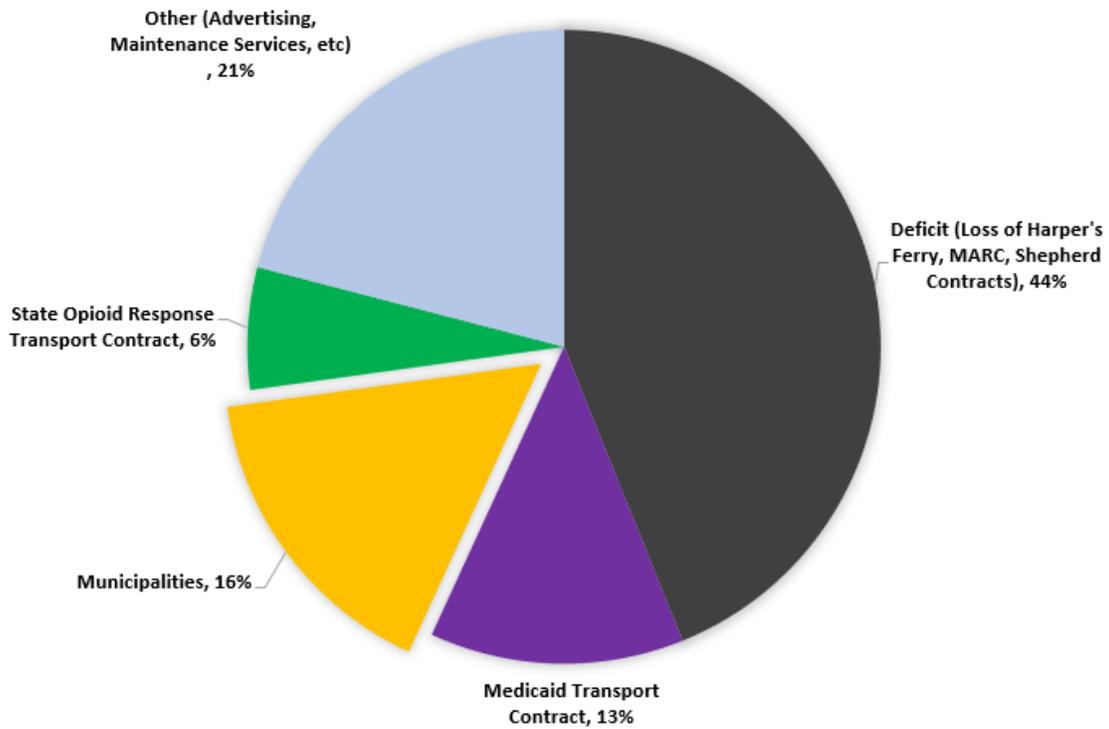

Percentage breakdown of budgeted contract revenue.

TOTAL CONTRACTS & LOCAL FUNDING SOURCES \$1.2M

With the onset of the COVID-19 Pandemic, we have realized the vulnerability of EPTA in regards to contract revenue.

TOTAL CONTRACTS & LOCAL FUNDING \$1.2M

The objective is to begin the process to create an agency that has competitive salaries and employee benefits. It will create a work environment where employees remain long term, instead of jumping to the next higher pay position. We are at a crisis point where we do not have enough CDL driver's w/ passenger endorsements to operate, nor does the agency have adequate inventory of 12 passenger vehicles to employ non-cdl drivers to run routes.

Eastern West Virginia Regional Airport Authority

226 Pilot Way
Martinsburg, WV 25405
www.FlyMRB.com

TEL (304) 263-2106
FAX (304) 267-6350
nic@flymrb.com

The **Eastern West Virginia Regional Airport Authority (MRB)** is a twelve-member board appointed and supported by the City of Martinsburg, Berkeley County Council and Jefferson County Commission. For FY21-22, MRB employed a staff of eleven full time employees to oversee the airport management office, fixed base operation (FBO), air charter, economic development and property maintenance functions. MRB covers an area of approximately 1,000 acres, including the 250-acre John D. Rockefeller IV Science and Technology Park.

BASIS OF LOCAL GOVERNMENT REQUEST

Accordingly, during FY 2022-2023, we respectfully request:

- | | |
|--|------------------|
| A) State-mandated funds for regional airport authority members as appointed | \$60,000 |
| <ul style="list-style-type: none">• \$40,000 from Berkeley County Council• \$15,000 from City of Martinsburg Council• \$5,000 from Jefferson County Commission• Funds to be used in support of MRB's operational budget | |
| B) AJUA Subsidy / Yearly Airfield Maintenance Funds | \$48,879 |
| <ul style="list-style-type: none">• \$32,600 from Berkeley County• \$12,200 from City of Martinsburg• \$4,079 from Jefferson County Commission• <i>Airfield Maintenance Funds \$76,127* – \$27,248 AJUA payment = \$48,879 shortfall</i>• *Based upon \$45,000 AJUA payment in 1999 base year. Adjusted for CPI-U inflation. Helps pay for airfield-related expenses. Groundskeeping/seasonal snow help, airfield vehicle and equipment repairs and fuels, electrical and insurance expenses incurred for entire airfield. | |
| C) Assistance for FY2022-2023 – Airport Capital Improvement Projects | \$62,125 |
| <ul style="list-style-type: none">• \$41,620 from Berkeley County• \$15,530 from City of Martinsburg• \$4,975 from Jefferson County Commission <p><i>One-time funds</i> to be used to:</p> <ul style="list-style-type: none">• Install 10-unit walls/partitions and concrete flooring in areas that are gravel at t-hangar India \$40,000• Install asphalt flooring in areas that are gravel within t-hangar Charlie \$15,000• Asphalt patch repair of Taxilane near t-hangar Foxcroft \$3,375• Asphalt seam repair at MRB West In-common Hangar Door \$3,750 | |
| D) Critical New Initiative Funding | \$243,996 |
| <ul style="list-style-type: none">• \$160,780 from Berkeley County• \$57,270 from City of Martinsburg• \$25,946 from Jefferson County Commission• Funds to be used for investment in and expansion of our core business units, including airport business development, FBO and other services. | |

TOTALS

• Total Funds Requested of Berkeley County for FY 2022-2023	\$275,000
• Total Funds Requested of the City of Martinsburg for FY 2022-2023	\$100,000
• Total Funds Requested of Jefferson County for FY 2022-2023	\$40,000
Total Funds Requested from all local governments for FY2022-2023	\$415,000

*The airport's businesses, military presence and jobs provide a huge monetary impact on the 3-counties of the Eastern Panhandle and their governments. The airport's organizations provide approximately 2,142+ full time equivalent jobs, with a **total local economic impact of \$354.64 million dollars annually by 2019**[^]. Our general aviation facilities provide for private aircraft travel to and from our local area and support Eastern Panhandle local and state corporate recruitment efforts.*

See: * https://www.heraldmillmedia.com/news/tri_state/west_virginia/study-eastern-panhandle-airport-s-economic-impact-tops-m/article_581023bc-d1a6-11e8-9399-7b00154a5e64.html

[^]2019 West Virginia Aviation Economic Impact Study – See: <https://www.wvaeis.com/>

Note: We've grown significantly since this data was collected. This was before we acquired the FBO assets and "went into business".

FAA Airport Improvement Projects (AIP)

We plan to install a precision approach path indicator (PAPI) on the west end of Runway 08-26 during CY2021 and have been awarded an FAA grant and a Military Cooperative Construction Agreement (MCCA) to completely replace airfield lights with LEDs, IR and Incandescent technology, install embedded assault landing zone lights, new wind-socks, transformers, electrical wiring circuits, runway end identification lights and new guidance signs on the runway and taxiways of our airfield. This is anticipated to be a \$3.5-4.0 million dollar project in total.

CRITICAL NEW INITIATIVE FUNDING JUSTIFICATION

We have taken on a larger number of employees and acquired numerous buildings that need to be maintained. We are growing our customer base and seeing more visitors to the airport than ever before in recent decades. We are receiving favorable reviews and a positive atmosphere and regional reputation is being built. We are learning how to best grow and conduct business as a charter operator and FBO. Additionally, we are marketing our industrial property, promoting hangars to business aircraft owners in the DC Metro area, and seeking cargo and third-party logistics carriers for MRB. This will require significant investment to bring each initiative to fruition.

Your support of the Airport Authority is not just support for Aviation and transportation – it is support of vitally important economic development efforts and the growth of jobs in our community.

FY 2021-2022 ACCOMPLISHMENTS

This is a partial list of what we have accomplished in the first half of FY21-22 with your support:

- Unprecedented growth seen in both operations (CY2021 - 48,000 takeoffs/landings #2 in WV) and fuel sales despite pandemic (+18% when compared with CY2020)
- Charter was very busy – hours increased during CY2021 (365 hours flown versus 222 in CY2020)
- Flight School hours increased during CY2021 nearly 170% (778 hours flown versus 292 in CY2020)

Economic Development / Community Benefit:

- ROW negotiated for new 120,000 sf logistics warehouse on adjacent parcel to airport
- 90k+ SF expansion to the Bowman property (former Polo Ralph Lauren) at 748 Novak Drive
- Welcomed Region 9, the HEPMPO, and two companies (ARS, Titan) to new offices at the airport

- Creation of the MRB Foundation, a 501c3 organization
- Sale of property at 731 Novak Drive (former Sino-Swearingen).
- Currently working with site selectors and prospects on sale of our industrial property south of Novak Drive. Some projects are being developed in partnership with the BCDA.
- Working with Neon Cloud on upcoming Drone video to feature available land/properties
- Preparing new Novak South survey parcels in business park. Grading/site plans procured.
- Attended Aviation Career Expo in Leesburg, James Rumsey Aerospace STEM Advisory meetings, NBAA events
- Hosted many community events: several flying clinics, Commemorative Air Force, Drive Solar events, upcoming Berkeley250 music/fireworks event, 2023 Air Show being planned.
- Hosted numerous meetings of local, state and federal government officials in hangars and conference rooms.
- Installed electric charging stations for ground vehicles with plans to add chargers for aircraft.
- Received grant-funded electric vehicle.
- Working on playground equipment for local community use.
- A portion of the FAA Sector Service Center (SSC) on airport will be used by a new office called the "TSO". They have built several storage buildings and a new access drive and gate off Aviation Way. Other portions of the SSC property will be returned to the airport for our future development of t-hangars.

Facility Maintenance / Improvements:

- Portions of Taxiway Alpha and the military ramp received new paint markings.
- New terminal wall mural photo with matte lamination installed.
- Cleaning and renovations to MRB South (former Arcadia) Corporate Hangar.
- Implemented new smart phone application for tracking staff maintenance-related work orders assignments and completions.
- Completed overhaul of flight school C172 aircraft N311EH engine.
- Completed Hangar India project in Northeast (former Howard area). Removal and haul away of trash; hangar service doors - broken knob replacements and frame repairs; hangar overhead material project; additional replacement pad locks; roof ridge cap.
- Purchase of two Tow-Bar heads for the Gulfstream and Challenge series aircraft.
- Repairs and return to service for large aircraft tug and air stairs

CONCLUSION

There is a lot happening at MRB. We are moving quickly – being simultaneously engaged in several economic development projects and implementation of our Strategic Business Plan. Our goal is to become more independent. While these plans for growth are aggressive, they signal MRB's willingness to improve the airport as an economic engine for our community. The projects mentioned above along with the addition to our team has positioned us to execute the exciting vision now being conceptualized by community leaders, Strategic Business Plan participants and the Airport Authority Board. We need your help in our pursuit of an aggressive growth plan. We need the support of the county council to meet these aggressive strategic goals.

MRB is a vital economic asset for our community. We believe the airport can be leveraged to a greater degree in the future and provide enhanced benefits to the residents of Jefferson County. The Jefferson County Commission plays a significant role in this process and will reap the economic rewards associated with the implementation of this exciting vision. We hope that you will recognize and believe in our potential. Thank you for your support of MRB.

Nicolas Diehl

Executive Director & CEO, **Eastern West Virginia Regional Airport Authority dba MRB Aviation**
