Project Summary**Please provide a narrative overview or summary of your proposal, including but not limited to the following:****1. Brief description of the proposal**

Replacement Portibale Radios

2. Purpose and key anticipated outcomes

To communicate on emergency situations with the dispatch center, Hospitals, Medical Command, other EMS and Fire agencies

3. Individuals or communties served

Citizens of Jefferson County WV

4. How the COVID-19 pandemic has necessitated this request

breaking down of plastic and rubber along with the LCD screens of the current radios from the constant cleaning and disinfecting due to the COVID virus, being inside the protctive gowns with body sweat and other bodily fluids also causing breakdown. Higher call volume causing knobs to disfunction and breakdown as well

I have added 15% due to the cost increase by the manufacture as of January 1st 2022

5. Amount of funding requested

154,368.62

6. Amount of any bids or cost estimates received to date, if applicable

134,233.58

7a. Amount of matching funds raised or committed by your organization

0

7b. Source of matching funds raised or committed by your organization

N/A

8. How ARP funds, if awarded, will be used

replace portible radios

9. How long it will take you to complete the project if awarded funding

30-60 days

Proposal Details**1. Please describe the problem or need which your project seeks to address**

Replacement of portible radios due to breaking down from continuous cleaning and disinfecting due the COVID virus, that has caused the plastic and rubber to breakdown along with the LCD screens, also buttons and knobs being used more often has caused them to stick or make harder to turn and operate correctly.

2. Please describe goals and expected outcomes of your proposal.

correctly working portible radios

3. Please provide your project timeline

As Soon As Possible

4. Please provide your project's total proposed budget.

\$134,233.58 if prior to January 1 2022, \$154,368 if after January 1 ,2022

5. Please list any partners in this proposal, and the partner's role and your relationship with them.

BEARCOM & Motorola, Supplier and Manufacturer

6. Please describe your plan for sustainability of the project or initiative after the grant award has been exhausted.

A one time cost except for updates and such

Uploaded by ... on

7. List any federal, state, local or private grant awards or funding received in the last three years and the current status of those funds. If your organization has previously received funds from Jefferson County, please list the amount, nature of the project(s) and current status of the funding and project(s).

FEMA grant for SCBA's in 2020 status is completed and closed

8. If you have made an application for funding for this project from other sources (city, state, private or non-profit organizations) please list the same here.

N/A

Impact of the COVID-19 Pandemic

1. Please explain the impact of the COVID-19 pandemic and how it relates to your request.

Break down in the plastic, rubber, and LCD screens from constant cleaning and disinfecting of all equipment that comes in contact or near any patient. Also from being under personal protective equipment along with holding moisture from sweat and body heat.

2. How will ARP funding, if awarded, aid in the recovery from the COVID-19 pandemic?

save the \$154,368.62 in replacement cost for the radios from which donations and fund raising is down as a result of COVID

3. Are you requesting lost revenue due to COVID-19

No
