CORRESPONDENCE/INFORMATION

Jefferson County Commission Notice of Public Hearing - Thursday, June 9, 2022

Public comment received from David Tabb, citizen, during the May 21, 2022 County Commission meeting

At all times the County Commission reserves the right to rearrange agenda times because of time constraints and to accommodate the Commission schedule or the public

SPECIAL SESSION:

State of West Virginia, County of Jefferson, to-wit:

At a Special Session of the Jefferson County Commission, continued and held at the Jefferson County Courthouse, located at 100 E. Washington Street located in Charles Town, WV, 25414 on Monday, May 16, 2022 beginning at 9:30 a.m.

PRESENT: Caleb Hudson, President
Steve Stolipher, Vice President
Tricia Jackson, Commissioner
Jane Tabb, Commissioner

STAFF: Nikki Painter, Chief Deputy Elections Officer
Shaun Pacetti, Deputy Clerk, Elections
Jessica Carroll, Recording Clerk

The County Commission of Jefferson County, sitting as a Board of Canvassers, met this 16th day of May, 2022 at 9:30 am for the purpose of canvassing ballots cast in the May 10, 2022 Primary Election.

- **Motion by Mr. Hudson to convene as a Board of Canvassers. Motion seconded and unanimously approved.**

Ms. Painter stated one precinct would need to be selected for a hand count. Precinct 17 was randomly selected by staff.

The Board proceeded with the Canvass by reviewing each precinct, checking to make sure the counts were accurate. The Board also reviewed the provisional and absentee ballots from each precinct to determine if the ballot in question could be accepted into the total ballot count.

Ms. Painter also stated the bond amount for a recount must be set prior to the start of the canvass.

- **Motion by Ms. Tabb to set the bond amount at \$300.00 in the event of a recount. Motion seconded and unanimously approved.**

After all provisional and absentee ballots were reviewed and discussed, a total of 55 provisional ballots and 6 absentee ballots were received, and the Commission approved the addition of 61 total ballots to the final count which did not impact the results of the election.

- **Motion by Ms. Tabb to accept the addition of 61 combined provisional & absentee ballots and add to the total ballot count and adjourn and recess as a Board of Canvassers at 2:17 pm until the hand count of absentee and provisional ballots has been completed for the entire state and the results are ready to be certified. Motion seconded and unanimously approved.**

Caleb Hudson, COMMISSION PRESIDENT

STAFF: Nikki Painter, Chief Deputy Elections Officer
John Nissel, County Administrator
Jessica Carroll, Recording Clerk

The County Commission of Jefferson County, sitting as a Board of Canvassers, met this 26th day of May, 2022 at 9:30 am for the purpose of certifying the 2022 Primary Election results.

- **Motion by Mr. Hudson to convene as a Board of Canvassers. Motion seconded and unanimously approved.**

Ms. Painter explained the last county had returned their canvass to the state, and the Commission could now certify the election results from the May 10, 2022 Primary Election. Ms. Painter notified the Commission that, since the Commissioners certified the results of the local races during their May 21, 2022 regularly scheduled County Commission meeting, the Commission would need to add the certification of the 2nd Congressional District of the US House of Representatives to the certification

- **Motion by Ms. Tabb to certify the May 10, 2022 Primary Election results to include the results for the 2nd Congressional District of the US House of Representatives not previously certified during the May 21, 2022 regularly scheduled meeting. Motion seconded and unanimously approved.**

There being no further business, the meeting was adjourned at 9:33 am.

Caleb Hudson, COMMISSION PRESIDENT

Part 1 – Executive Summary

The Summit Point Training Facility is a Jefferson County success story. The continued growth and expansion of this facility have allowed the business to thrive. This facility is recognized nationally as a critical training center for government personnel and regionally as a destination for motor sport enthusiasts.

This rezoning application represents the future for the facility. It seeks to address the three major business focuses of the facility – Training, Tourism/Motorsports, Recreation

EXISTING OPERATIONS

Training

SPTF maintains many government clients and is always seeking partnerships with others. These organizations often seek to develop training facilities specific to their idiosyncratic needs in the especially desirable location at Summit Point. This area affords our customers premier training facilities that are adaptable, discreet and capable – just far enough from Washington DC, but not too far away. These customers often seek partners that are willing and able to expand upon initial training requests. It is very common that these customers generate high student throughput who patronize local eateries and hotels. SPTF maintains relationships with local establishments to meet these needs, and proudly refers all customers to these partners. The Summit Point Training Facility employs over one hundred people, many of whom are local residents.

The specific training our customers seek include driver training, firearms training and emergency medical training. Often, once a customer contracts to train at SPTF, they remain and seek to expand. Department of State, Customs and Border Protection, the U.S. Secret Service, and the U.S. Marshals are all examples of organizations that began with a small training request, and grew to encompass large swaths of the training area. Commercial zoning will allow for much more agility to facilitate the needs of our National Security infrastructure where often time

Racetrack and support buildings

Training buildings and tactical scenarios

Outdoor shooting ranges and skid track

Part 1 – Executive Summary

sensitivity is critical to mission success, and the safety of American citizens.

Tourism and Motorsports

Separate and apart from training, SPTF is also a commercial motorsports venue, that we call the Summit Point Motorsports Park. The opportunity for Summit Point Motorsports Park to be more versatile in our motorsports offerings will have an immediate and positive effect on our county. Additional events will attract more out-of-state visitors. Many of our events are multi-day and lend themselves to increased spending in Jefferson County. To demonstrate this, recently we hosted a group from the Sports Car Club of America. Of their 70 participants, 68 were out-of-state residents. This was a two-day event, yet many of them arrived a day early and almost all brought additional family and friends. The Summit Point web page and social media accounts encourage these visitors to stay, shop and eat locally, and, similarly to our training operation, we provided a list of lodging opportunities that are here in the county.

Our motorsports events also create unique 'Business to Business' opportunities. Many companies around the country and world create client hospitality events and product release experiences at facilities just like Summit Point. A more versatile offering will allow us to expand on these relationships.

Many of our events are covered by national and international media. This exposure for our region will only grow as we too are allowed to grow.

Recreation

Finally, there is a recreational aspect to our location. Training is not reserved for only government clients. We have a full curriculum of firearms, driving and emergency medical training available to the public, all listed on our website. These offerings pull a different type of customer to our county, some even come from out-of-state. Furthermore, our current efforts to develop our Bill Scott Visitors Center will create a hub of motorsports history, chronicling the rich history

of racing in Summit Point, and West Virginia as a whole.

REQUESTED MAP AMENDMENTS

All properties are owned by Summit Point Automotive Research Center LLC.

The following parcels are included in the zoning map amendment from Rural to General Commercial.

Map 16 – Parcels 11, 11.1, 11.2, 11.11, OSA

Map 17 - Parcels 2, 2.1, 2.2, 3.1, 5, 9

Land included in the application.

There are currently several outdoor shooting ranges on Map 17, Parcel 2. Outdoor shooting ranges are not a permitted use in the General Commercial zone. To prevent these existing facilities from becoming non-conforming a boundary line adjustment will be submitted. The boundary line adjustment will increase the size of parcel 3 so that it will include the shooting ranges, the merger adjustment will add 56.3+/- acres to Parcel 3 from Parcel 2

Proposed boundary line adjustment for Parcel 3

Part 2 – Property Information and History

11 parcels are included in the zoning map amendment, all parcels are located in the Kabletown District. The total acreage of these parcels (after the merger) is approximately 717 acres.

Remapping of all parcels listed below from Rural to General Commercial is requested.

Map/Parcel 17/2
Deed Book/Page: 1096/472

Map/Parcel 17/2.1
Deed Book/Page: 1105/26

Map/Parcel 17/2.2
Deed Book/Page: 1096/472

Map/Parcel 17/3.1
Deed Book/Page: 1096/472

Map/Parcel 17/5
Deed Book/Page: 1145/559

Map/Parcel 17/9
Deed Book/Page: 1204/24

Map/Parcel 16/11
Deed Book/Page: 1118/401

Map/Parcel 16/11.1
Deed Book/Page: 1096/472

Map/Parcel 16/11.2
Deed Book/Page: 1096/472

Map/Parcel 16/11.11
Deed Book/Page: 1096/472

Map/Parcel 16/OSA
Deed Book/Page: 1096/472

All parcels except for Map/Parcel 16/17.9 are part of the current operations and were either historically part of the racing facility of part of the Community Impact Statement and Preliminary Plat approved in 2007.

The property has a long history that predates the adoption of zoning in Jefferson County.

Current uses on the property are permitted in the Rural District and include:

- Automobile racing
- Adult training facilities
- Shooting ranges
- Driver courses

There are dozens of buildings on the property that support the above uses. The expansion of the facilities on the property have been ongoing for the last 15 years with a steady flow of development related to the adult training facilities use.

In 2019 the site lost a major tenant, the Department of States Foreign Affairs Security Training Center was uprooted from West Virginia and moved to Blackstone Virginia. This decision by the Federal government resulted in a difficult time for the company. Faced with the challenge of downsizing the facility or finding ways to expand and find new tenants SPARC worked closely with Jefferson County and the State of West Virginia.

This collaboration has led to new opportunities, some of which are directly aligned with Jefferson County's objective to be the eastern tourism gateway for the State.

The challenge for the facility has always related to its ability to foster small commercial enterprises within the parameters of the Jefferson County Zoning Ordinance.

Part 3 Proposed Uses

DESCRIBE WHY THE ZONING MAP AMENDMENT IS NECESSARY FOR THE PROPOSED USE

The Applicant is requesting the zoning map amendments due to the limitations in the Rural zone and the opportunities found in the General Commercial zone that would support the future success of SPARC.

- Convention facility
- Special event facility

RURAL USES

Outdoor firing ranges will no longer be a permitted use on any lands rezoned under this map amendment.

GENERAL COMMERCIAL USES

The requested zoning amendment would allow small commercial uses that would support the training/motorsports/recreational uses on site. These small opportunities will allow the facility to compete with similar venues across the United States who do not face the same restrictions on commercial use.

A possible example of a proposed use would be the development of custom garages storage of car collections and owner amenities during motorsports events. These units could be offered as long-term leases or sales to individuals or clubs to attract more motorsports participants and spectators.

Specialty automotive parts vendors would be able to sell their merchandise from small storefronts and a greater level of services would be provided at the site. These types of spaces would increase tourism dollars spend in the County and have major secondary benefits to hotels restaurants and other business in Jefferson County.

The following is a list of commercial uses that would be permitted by right:

- Art galleries
- Automobile repair, sales and services
- Automobile parts stores
- Restaurants
- Brewpub
- Convenience store
- Gas Station
- Non-Profit Commercial Uses
- Professional Office
- Retail Sales

- Commercial storage
- ~~Electric Vehicle charging station~~

Part 4 Supporting Information

HOW IS THE ZONING MAP AMENDMENT CONSISTENT WITH THE OBJECTIVES AND POLICIES OF THE COMPREHENSIVE PLAN

The Comprehensive Plan is a tool to be used in the evaluation of zoning map amendments. The following citation provides specific direction as it relates to State Code.

According to Chapter 8A of the West Virginia State Code, as amended, the County Commission can approve any zoning ordinance map or text amendment by finding that the request is consistent with the Comprehensive Plan.

For zoning map amendments in areas outside of growth areas shown on the Future Land Use Guide, this Plan recommends that the County Commission can further determine that a requested zoning map amendment is consistent with the balance of the Plan by receiving evidence and making a finding that the zoning map amendment is:

- *by finding that there is an error or under scrutinized property on the Future Land Use Guide*
- *for the economic well-being of Jefferson County*
- *a change in the neighborhood; or any other circumstance that may have been missed when considering the Future Land Use Guide*
- *that environmental impacts have been considered.*

Future Land Use Guide - Under Scrutinized/Error

The Jefferson County Comprehensive Plan is not consistent as it relates to the subject property. The Existing Land Use Map (Exhibit 4) shows the majority of the site as general commercial. This designation in the Comprehensive Plan would have supported its inclusion in the future Preferred Growth Boundaries.

The Future Land Use Map shows the property as agricultural. Given the existence of the racetrack and government training facility during the preparation of the Comprehensive Plan and the support of the facility by Jefferson County it appears that this area was not mapped correctly.

For the subject property the Comprehensive Plan fails to address the existing uses or future potential of the site. The proposed amendment consists entirely of areas shown as general commercial and lands immediately adjacent to these areas.

Economic Well Being

The continued growth and expansion of SPARC is an important consideration as it relates to the economic well being of Jefferson County. The facility has injected millions of dollars into the local economy and has helped establish Jefferson County as a tourism destination and a preferred location for government training. The rezoning of the property to General Commercial will benefit the economic wellbeing of Jefferson County.

Goals and Objectives

The following Goals and Objectives found in the comprehensive plan strongly support the proposed zoning map amendment.

Goal #1 - Objective #1: Recognize the existing vested rights, development entitlements, and permitted density levels on properties in Jefferson County.

The Comprehensive Plan recognizes the importance of existing vested rights. The map amendment will not significantly change the character, density level or nature of the property. It will strongly support the vested rights and the evolution of business enterprises.

It will also correctly reflect the information shown on the Existing Land Use Map which designates the property as a general commercial use.

Goal #1 - Objective #8: Encourage the adaptive reuse of existing buildings and previously used sites within Jefferson County, paying particular attention to brownfield and grey field sites.

The map amendment will support the adaptive reuse of the existing buildings on the property. This is a site that is historic and the current zoning restriction make it difficult for existing structures to contribute to their maximum capability.

Part 4 Supporting Information

Goal #6: Encourage the Growth of Jefferson County's Economy and Enable the Creation of High Quality Jobs within the County.

The zoning map amendment will both protect existing jobs in Jefferson County and enable the creation of new jobs.

Goal #6 - Objective #1: In coordination with the Jefferson County Development Authority (JCDA) and other agencies, work to build and expand existing local businesses and to enable the start-up of new businesses within Jefferson County.

The facility has always been supported by the Jefferson County Development Authority. The JCDA recognizes the importance of this facility and its ability play a role in a diverse economy.

Goal #6 - Objective #5: Provide opportunities to engage local employers with the existing local workforce to enable county residents to work locally.

The map amendment will allow a significant local employer to expand their workforce which is largely comprised of Jefferson County residents.

Goal #6 - Objective #8: Work with the state's congressional delegation, federal agencies, and state elected officials to identify opportunities for relocation or expansion of federal or state facilities within Jefferson County.

The facility has always been supported by the state's congressional delegation, federal agencies and state elected officials. These entities strongly lobbied for the project to be the location of the permanent home for the Foreign Affairs Security Training Center. This facility would have resulted in a major expansion of the uses on the property. These entities continue to support the operations at SPARC.

Goal #8: Retain, Strengthen, and Enable the Growth of Jefferson County's Rural, Cultural and Artisan Economies.

Commercial uses on the site will strengthen and grow Jefferson County's Rural economy.

Goal #14 - Objective #6: Encourage the adaptive reuse of existing historic buildings within Jefferson County for a variety of purposes.

Established in 1969 the facility has passed the threshold of 50 years of existence and can be recognized by Jefferson County as a historically significant site. The above Objective recognizes the importance of our historic areas and supports an adaptive reuse of this campus.

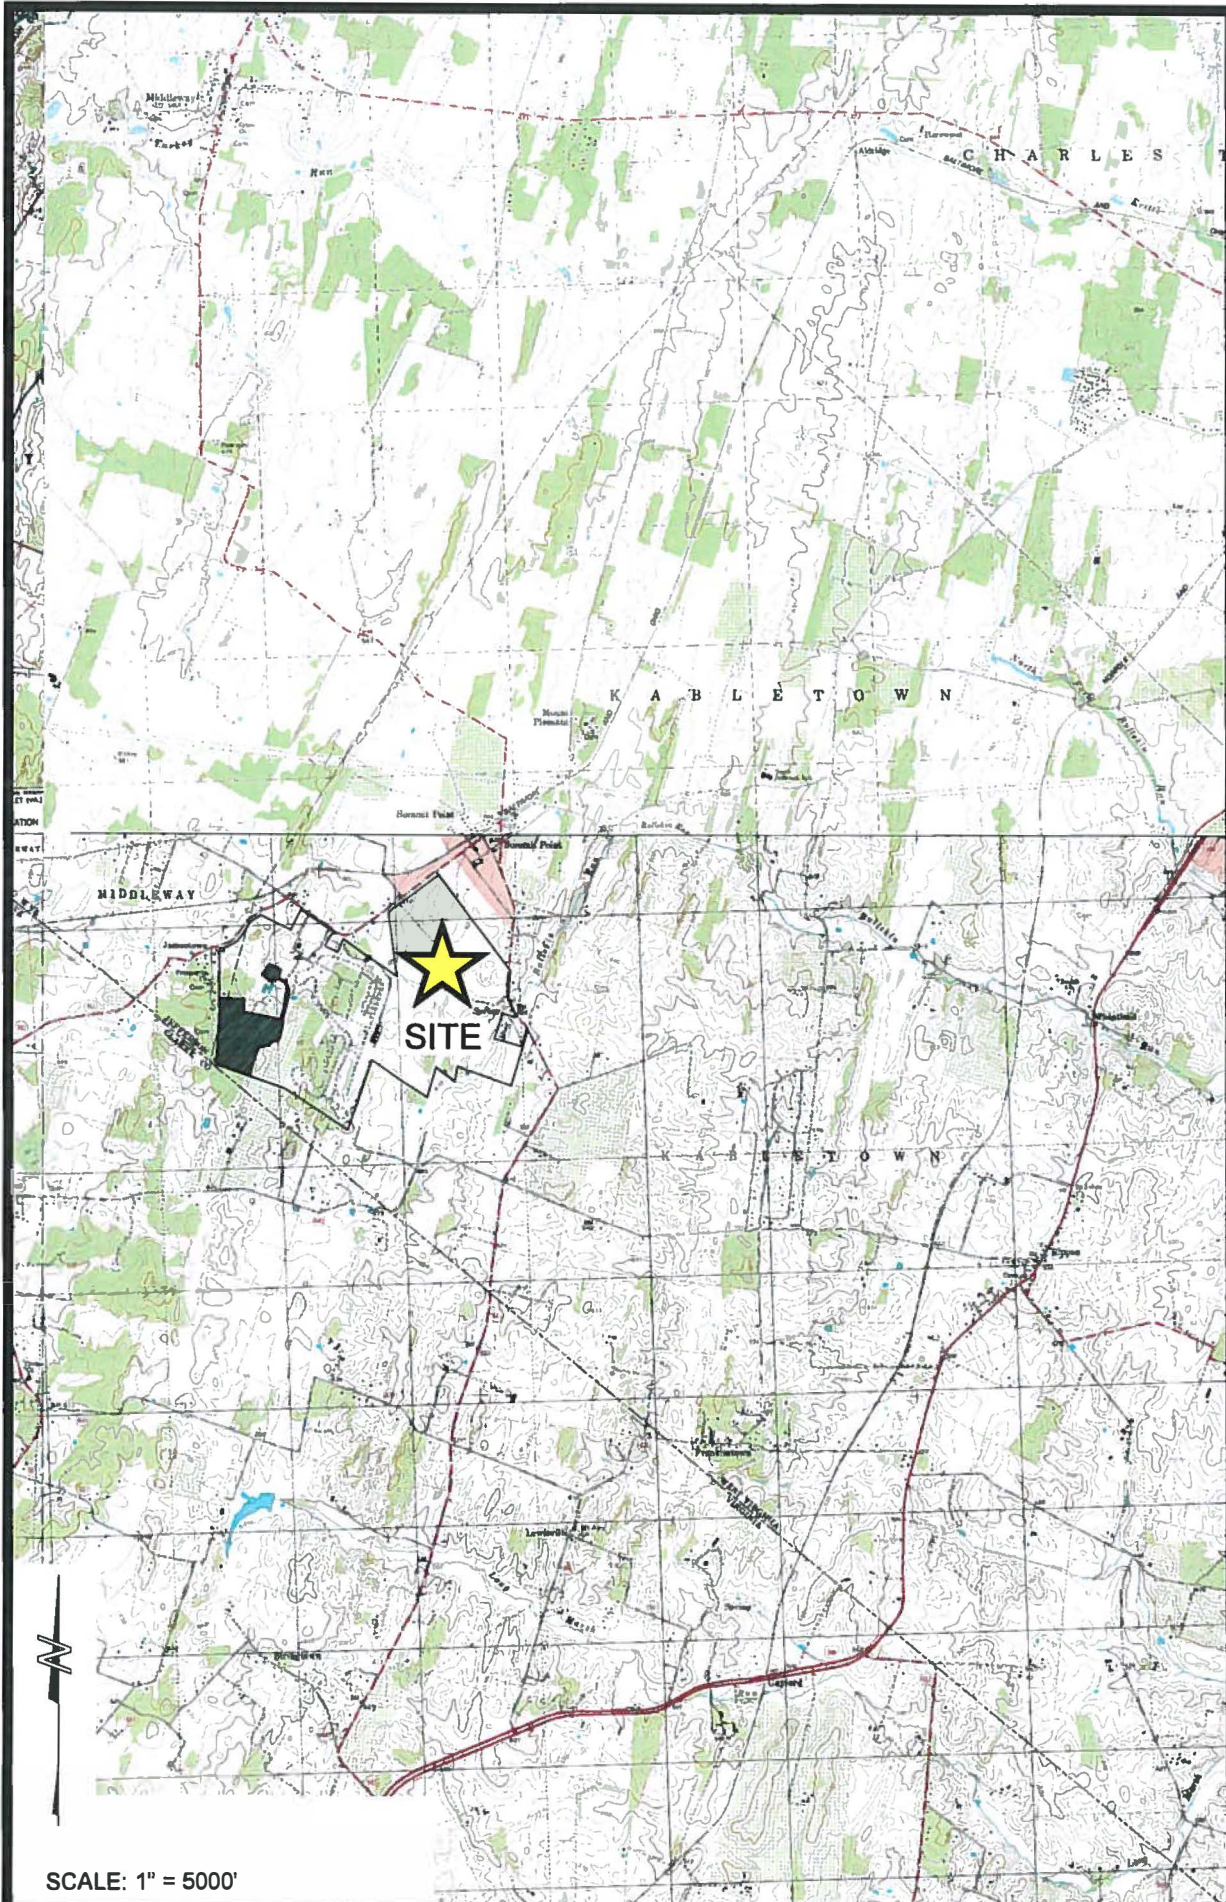

DISCUSS ANY CHANGES OF THE TRANSPORTATION CHARACTERISTICS AND NEIGHBORHOOD CHARACTERISTICS FROM WHEN THE ORIGINAL ORDINANCE WAS ADOPTED.

Transportation Characteristics

There have been no major changes in the transportation characteristics of the area. The designation of Summit Point Road as a Major Collector by the Comprehensive Plan recognizes this road as regional route. Summit Point Motorsports Park regularly holds successful events ranging from hundreds to thousands of patrons, which access the facility by Summit Point Road. The number of trips which will be generated by the subject property with a map amendment will be limited.

Neighborhood Characteristics –

The surrounding area has evolved to provide a unique destination within the County. Both the Summit Point Training Center campus and the expansion of training facilities within Summit Point Motorsports Park provide services for numerous federal, local and international agencies. The proposed Zoning Map Amendment will not have a significant impact on the neighborhood characteristics

Zoning Map Amendment (Rezoning)

Pursuant to Article 12, a Zoning Map Amendment is a procedure to amend the official Zoning Map of the County by changing the zoning designation of a property. In order for a proposed amendment to be approved, the County Commission, with the advice of the Planning Commission, must find that the amendment is consistent with the adopted Comprehensive Plan, or if it is inconsistent, must make findings in accordance with the requirements of 8A-7-8 et seq of the WV State Code. All Amendments to the Zoning Map require a Public Hearing to be held by the Planning Commission for the purpose of making a recommendation to the County Commission. Subsequently, all recommended map amendments require a Public Hearing before the County Commission prior to a final determination.

For a Zoning Map Amendment request, the "burden of proof" is on the applicant to show why the proposed zoning is more appropriate than the existing zoning. Accordingly, please explain how the following factors support your proposal.

Describe your proposed use (and/or project) and describe why the Zoning Map Amendment is necessary for the proposed use (and/or project) described.

See Attached

Describe how the Zoning Map Amendment will be consistent with the objectives and policies of the Comprehensive Plan.

See Attached

Discuss any change(s) of transportation characteristics (i.e., type and frequency of traffic, adequacy of existing transportation routes), and neighborhood characteristics from when the original ordinance was adopted.

See Attached

Do you request that the Planning and Zoning Staff present the petition to the Planning Commission for the purpose of setting the public hearing date?

- Yes, I request that the Planning and Zoning Staff present the petition**
- No, I prefer to present the petition**

Plat or Sketch Plan (provide as an attachment to this application)

The plat or sketch must be pursuant to Zoning Ordinance, Section 7.4 (b). The sketch plan shall include the entire original parcel as it appeared on the date this ordinance took effect. The property proposed for development shall be drawn to a reasonable scale (eg. 1" = 50', 1" = 100', or 1" = 200'). The sketch plan shall show, in simple form, the proposed layout of lots, parking areas, recreational areas, streets, building areas, and other features in relation to each other and to the tract boundaries. Contour lines should be superimposed on the sketch plan. Natural features such as woods, watercourses, prominent rock outcroppings, sinkholes and quarries shall be delineated.

Is Plat or Sketch Plan attached?

Yes No

Original signature of all property owners is required. The information given is correct to the best of my knowledge (Please attach additional signature page if needed).

Re: Request for Inclusion on County Commission Agenda

Dear Mr. Nissel:

Enclosed please find a completed Agenda Request Form along with a Certificate from the City of Charles Town, West Virginia to annex real estate without an election. Also enclosed is a proposed Order Approving and Confirming the Annexation to the City of Charles Town.

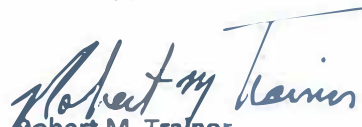

I request that this Certificate be included on the first available agenda of the County Commission.

Thank you for reviewing and considering this request. If you have any questions, please do not hesitate to reach out to Todd Wilt by email at twilt@charlestownwv.us or by phone at 304-725-2311.

City Clerk

Todd Wilt

Sincerely,

Robert M. Trainor
Mayor

Enclosures

cc: Todd Wilt, Charles Town City Clerk

CERTIFICATE OF THE CITY OF CHARLES TOWN, WEST VIRGINIA TO ANNEX WITHOUT AN ELECTION UNDER THE PROVISIONS OF WEST VIRGINIA CODE §§ 8-6-4 & 8-6-4a A PARCEL OF REAL ESTATE CONTAINING APPROXIMATELY 0.39 ACRES PRESENTLY LOCATED IN THE CHARLES TOWN DISTRICT, JEFFERSON COUNTY, WEST VIRGINIA, DESCRIBED WITH MORE PARTICULARITY IN THE OFFICE OF THE CLERK OF THE COUNTY COMMISSION OF JEFFERSON COUNTY, WEST VIRGINIA, IN DEED BOOK 951, AT PAGE 514, *et seq.*, AND OWNED BY VERITAS PROPERTIES, LLC.

WHEREAS, Veritas Properties, LLC is the owner of a parcel of real estate containing approximately 0.39 acres presently located in the Charles Town District, Jefferson County, West Virginia, and more particularly described as follows (hereinafter, the "Subject Parcel"):

Parcel One:

All of that certain parcel of real estate, with the improvements thereon and the appurtenances belonging, situate, lying and being in the Charles Town District, Jefferson County, West Virginia, about one line southeast of Charles Town on the southwest side of West Virginia State Route 9 (formerly the Bloomery turnpike) and more particularly described as follows:

BEING all of Lot No. 3 and the western 30 foot portion of Lot No. 4, as the same are designated and described on the plat of the H. W. Foreman Lots, which said plat is dated February 20, 1948, and made by J. Jas Skinner, S.J.C., recorded in the Office of the clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 173, at Page 347, said lot No. 3 fronting on a distance of 50 feet on the southwest side of West Virginia State Route 9, and the western portion of Lot No. 4 herein conveyed fronting for an additional distance of 30 feet on the southwest side of said State Route 9, for a total frontage of 80 feet thereon, and extending back between parallel lines for a distance of 165 feet to other property to said Grantors.

Parcel Two:

All of that certain tract or parcel of land situate in the Charles Town District, Jefferson County, West Virginia, according to a plat and survey thereof made by Richard U. Good, C.L.S., dated June 4, 19874, attached to a deed recorded in the Office of the Clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 532, at Page 238, and more particularly described as follows:

Beginning at (5) an iron peg set on the southwest side of State Highway Route No. 9 and a corner to the Wilt lot; thence with the southwest side of State Highway No. 9, S. 43 degrees 34' 011" E. 20.00 feet to (6) an iron peg set, a corner to the Chapman lot, thence with the Chapman lot, S. 21 degrees 59' 12" W. 167.97 feet to (7) a post; thence with the other land of the Steward M. Payne Estate, N. 44 degrees 09; 35" W. 20.00 feet to (4) a post, a corner to the Wilt lot thence with the Wilt Lo, N. 22 degrees 00' 56" E. 168.15 feet to the point of beginning, containing 3,070 square feet, more or less. Less and Excepting that certain parcel of real estate sold to the West Virginia Department of Highways by deed dated the 17th day of February 1988, recorded in the aforesaid Clerk's Office in Deed Book 598 at Page 366.

CURRENT PROPERTY ADDRESS: 14840 Charles Town Rd, Charles Town, WV 25414

AND BEING the same parcel of real estate conveyed to Veritas Properties, LLC from Gracecurt LLC by deed dated February 9, 2022, and recorded in the aforesaid Clerk's Office in Deed Book 1275, at Page 458 (a copy of which deed is attached hereto as Exhibit A).

WHEREAS, Veritas Properties, LLC requested annexation of the Subject Parcel into the City of Charles Town (the "City") as evidenced by a Petition for Annexation and Zoning dated February 24, 2022 (the "Petition"), a copy of which Petition is attached hereto as Exhibit B; and

WHEREAS, West Virginia Code ("Code") Section 8-6-4a provides for annexation without election and applies to municipalities in counties that have adopted a countywide zoning ordinance with designated urban growth boundaries and, prior to January 1, 2009, have adopted local impact fees pursuant to the provisions of Code Section 7-2-1, *et seq.*; Jefferson County, West Virginia, has adopted a countywide zoning ordinance with designated urban growth boundaries and has, prior to January 1, 2009, adopted local impact fees; and Code Section 8-6-4a is accordingly applicable to the City; and

WHEREAS, Code Section 8-6-4a(c)(1) provides that, if property proposed to be annexed is entirely within a municipality's designated urban growth boundary, the municipality may annex the property without an election pursuant to Code Section 8-6-4 and, in such case, the agreement of the county commission is not required; the Subject Parcel is entirely within the City's Urban Growth Boundary; and the City may accordingly annex the Subject Parcel pursuant to Code Section 8-6-4 without the agreement of the Jefferson County Commission; and

WHEREAS, Code Section 8-6-4(a) provides that the governing body of a municipality may, by ordinance, provide for annexation of additional territory without an election if both a majority of the qualified voters of the territory and a majority of all freeholders of the additional territory file a petition to be annexed, Code Section 8-6-4(b) provides that "qualified voters of the additional territory" includes firms and corporations in the additional territory, and Code Sections 8-6-4(d) and 8-6-4(f), respectively, provide that a qualified voter of the additional territory who is also a freeholder of the additional territory may join only one petition and that only a voter's petition is required if all of the eligible petitioners are qualified voters; as represented by Veritas Properties, LLC and verified by the City, Veritas Properties, LLC is the sole owner, sole qualified voter, and sole freeholder of the Subject Parcel; and the single Petition submitted by Veritas Properties, LLC accordingly satisfies the petition requirement of Code Section 8-6-4; and

WHEREAS, all boundaries of the Subject Parcel are adjacent to and contiguous with the existing corporate boundary of the City, and the proposed annexation is consistent with the City's Comprehensive Plan; and

WHEREAS, Code Section 8-6-4(g) provides that, if satisfied that a petition is sufficient in every respect, the governing body of a municipality shall enter that fact upon its journal and forward to the county commission a certificate to that effect, and the county commission shall thereupon enter an order as described in Code Section 8-6-3, following which the corporate limits of the municipality shall include the annexed property; by Ordinance duly adopted May 2, 2022, a copy of which is attached hereto as Exhibit C, the Council of the City found the Petition to be sufficient in every respect and approved the requested annexation of the Subject Parcel; and, accordingly, the City thereby provided for annexation of the Subject Parcel into the City pursuant to the provisions of Code Sections 8-6-4, Annexation without an election, and 8-6-4a, Annexation without election for municipalities in counties that have an adopted countywide zoning ordinance which includes urban growth boundaries, subject only to the final Order of the Jefferson County Commission recognizing said annexation;

NOW, THEREFORE, this Certificate certifies that: (i) the representations set forth herein are true and accurate to the best knowledge, information, and belief of the City; (ii) all of the applicable requirements of Code Sections 8-6-3, 8-6-4, and 8-6-4a have been met with regard to the Petition; (iii) the Petition filed by Veritas Properties, LLC, as the sole owner, qualified voter, and freeholder of the Subject Parcel, is sufficient in every respect in regard to the annexation into the City of the Subject Parcel; (iv) that the Council of the City has by Ordinance provided for annexation of the Subject Parcel; and (v) a copy of this Certificate, together with a copy of said Ordinance, has been filed with the records of the City; and

AND FURTHER, as required by Code Sections 8-6-3 and 8-6-4, this Certificate is hereby filed with the Jefferson County Commission for entry of an Order as required pursuant to West Virginia Code Sections 8-6-4(g) and 8-6-4a(h);

WHEREFORE, the City of Charles Town prays that the County Commission of Jefferson County, West Virginia, enter an Order, as described in Code Section 8-6-3 and as required by Code Sections 8-6-4(g) and 8-6-4a(h), reflecting the annexation and modification to the corporate limits of the City by addition thereto of the Subject Parcel and ordering that such annexation by the City be approved and confirmed.

Dated this 20 day of May, 2022.

CITY OF CHARLES TOWN, WEST VIRGINIA, a municipal corporation,

Robert M. Trainor
Mayor

THIS DEED, made and entered into this 9th day of February, 2022, by and between **Gracecort LLC**, a West Virginia limited liability company, hereinafter party of the first part, and **Veritas Properties, LLC**, a West Virginia limited liability company, hereinafter party of the second part.

WITNESSETH: That for and in consideration of payment of \$215,000.00, the receipt of which is hereby acknowledged, the party of the first part does hereby grant, bargain, sell and convey, and by these presents has granted, bargained, sold and conveyed, to and unto the said party of the second part, in fee simple, with covenants of general warranty, all of that certain lot or parcel of real estate, with the improvements thereon and the appurtenances thereunto belonging, situate, lying and being in Charles Town District, Jefferson County, West Virginia, and more particularly described as follows:

Parcel One:

All of that certain parcel of real estate, with the improvements thereon and the appurtenances belonging, situate, lying and being in the Charles Town District, Jefferson County, West Virginia, about one line southeast of Charles Town on the southwest side of West Virginia State Route 9 (formerly the Bloomery turnpike) and more particularly described as follows:

BEING all of Lot No. 3 and the western 30 foot portion of Lot No. 4, as the same are designated and described on the plat of the H. W. Foreman Lots, which said plat is dated February 20, 1948, and made by J. Jas Skinner, S.J.C., recorded in the Office of the clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 173, at Page 347, said lot No. 3 fronting or a distance of 50 feet on the

southwest side of West Virginia State Route 9, and the western portion of Lot No. 4 herein conveyed fronting for an additional distance of 30 feet on the southwest side of said State Route 9, for a total frontage of 80 feet thereon, and extending back between parallel lines for a distance of 165 feet to other property to said Grantors.

Parcel Two:

All of that certain tract or parcel of land situate in the Charles Town District, Jefferson County, West Virginia, according to a plat and survey thereof made by Richard U. Good, C.L.S., dated June 4, 19874, attached to a deed recorded in the Office of the Clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 532, at Page 238, and more particularly described as follows:

Beginning at (5) an iron peg set on the southwest side of State Highway Route No. 9 and a corner to the Wilt lot; thence with the southwest side of State Highway No. 9, S. 43 degrees 34' 011" E. 20.00 feet to (6) an iron peg set, a corner to the Chapman lot, thence with the Chapman lot, S. 21 degrees 59' 12" W. 167.97 feet to (7) a post; thence with the other land of the Steward M. Payne Estate, N. 44 degrees 09; 35" W. 20.00 feet to (4) a post, a corner to the Wilt lot thence with the Wilt Lo, N. 22 degrees 00' 56" E. 168.15 feet to the point of beginning, containing 3,070 square feet, more or less. Less and Excepting that certain parcel of real estate sold to the West Virginia Department of Highways by deed dated the 17th day of February 1988, recorded in the aforesaid Clerk's Office in Deed Book 598 at Page 366.

CURRENT PROPERTY ADDRESS: 14840 Charles Town Rd, Charles Town,

WV 25414

And being the same real estate conveyed to Gracecurt LLC by a deed from Mohammad Murtaza dated July 3, 2020 and recorded in the aforesaid Clerk's Office in Deed Book 1243 at Page 647.

THIS CONVEYANCE IS SUBJECT TO and TOGETHER WITH the following: all covenants, restrictions, conditions, easements, reservations, rights-of-way, public utility easements, and other matters of record or in existence, to the extent valid, subsisting, and enforceable, including but not limited to those plat matters of record in the aforementioned Clerk's office in Deed Book 173 at Page 347 and in Deed Book 598 at Page 36; all those restrictions of record in the aforementioned Clerk's Office; and those easements or rights-of-way of record in the aforementioned Clerk's office; any lien of taxes for the current year and

subsequent years, accrued but not yet payable; matters that would be shown by an accurate survey and inspection of the property; zoning requirements, statutes, rules, orders, restrictions, regulations, and ordinances of governmental agencies or their instrumentalities relating to the property, the buildings located thereon, their construction and uses, in force on the date hereof (if any such exist); and, all roads and legal highways.

DECLARATION OF CONSIDERATION OR VALUE

Under the penalties of fine and imprisonment as provided by law, the undersigned party of the first part does hereby declare that the total consideration of the property transferred by the document to which this declaration is appended is Two Hundred Fifteen Thousand Dollars and 00/100 Cents (\$215,000.00).

The party of the first part further hereby does certify that, under the penalties of perjury, this transaction is not subject to the Withholding Tax on West Virginia Source Income of Non-Residents, as the Grantor is a resident of the State of West Virginia, or, alternatively, the property herein conveyed was the principal residence of the Grantor as defined in IRC §121.

WITNESS the following signature and seal:

Dear Ms. Catrow,

Please find enclosed a copy of the Findings of Fact and Conclusions of Law for Zoning Variance File #20-15-ZV, which the Board of Zoning Appeals took action on at their May 28, 2020 meeting.

Note, any party may appeal any decision of the Board to the Circuit Court of Jefferson County pursuant to Article 6 of the Jefferson County Zoning and Land Development Ordinance.

If you have any questions, please contact our Office.

Sincerely,

Alexandra Beaulieu
Zoning Administrator

Enclosure: As stated

CC: Mohammad Murtaza
14841 Charles Town Rd
Charles Town, WV 25414

The Board of Zoning Appeals for Jefferson County, West Virginia

Variance from Sections 4.6B and Appendix B for the following: to reduce the distance requirement from 75' to 32' on the eastern boundary line and to reduce the side setback from 25' to 6.5' on the western boundary line. The requested variance is to allow an existing residential dwelling unit to be converted to a Professional Office for use as a satellite law office. No new buildings or additions are proposed. Owner: Mohammad Murtaza. Applicant: Tasha Catrow (Catrow Law, PLLC). Location: 14840 Charles Town Road, Charles Town, West Virginia. Parcel ID: 02001700120003. Size: .39 acres. Zoning District: Residential-Light Industrial-Commercial.

File: 20-15-ZV

VARIANCE APPROVED WITH CONDITION(S)

On the 28th day of May 2020, before the Board of Zoning Appeals (hereinafter "BZA") came the applicant for a variance from Sections 4.6B and Appendix B for the following: to reduce the distance requirement from 75' to 32' on the eastern boundary line and to reduce the side setback from 25' to 6.5' on the western boundary line. The requested variance is to allow an existing residential dwelling unit to be converted to a Professional Office for use as a satellite law office. No new buildings or additions are proposed.

The Board was present by members Jeffrey Bannon, Tyler Quynn, Leeds Corbin, and Matthew McKinney.

Ms. Tasha Catrow with Catrow Law, PLLC was present to address the Board. Ms. Beaulieu provided an overview of her staff report noting that the proposed land use would operate from the existing dwelling unit and that no new structures were being proposed. Ms. Beaulieu explained that the subject property consists of two legal lots. As the existing home is located on the internal property line, Ms. Beaulieu recommended that a condition of approval could be to require the applicant to legally merge the two parcels into one single lot. Ms. Catrow stated that a 1987 deed appears to have already merged the property. Ms. Beaulieu advised that Ms. Catrow submit the relevant deed book and page number reference for staff to confirm this information.

Ms. Catrow added that the residential neighbor has dogs and that she plans to install a fence or shrubbery along the property line for separation.

Mr. Bannon opened the public hearing. Ms. Megan Curfman, the neighboring property owner, stated she would prefer a fence along the property line as opposed to shrubs. Ms. Catrow stated she did not object to installing a fence; however, requested that a specific type of fence not be required. Mr. Bannon closed the public hearing.

Mr. Quynn moved to approve the variance as requested with the condition that the applicant be bound by her testimony. Mr. Bannon called for a vote, which carried unanimously.

The portion of the record of the BZA meeting pertaining to the application and the official minutes thereof are incorporated herein by references as if set forth in full herein.

Whereupon, in consideration of the foregoing, the BZA made the following conclusions of law:

1. Based upon the testimony received, the BZA concludes that the Appellant meets the four-part test of a variance more fully set forth in Section 8A-7-11 of the West Virginia Code and the relevant ordinance.
2. Based upon the testimony received, the BZA finds that the variance request should be granted from Sections 4.6B and Appendix B for the following: to reduce the distance requirement from 75' to 32' on the eastern boundary line and to reduce the side setback from 25' to 6.5' on the western boundary line. The requested variance is to allow an existing residential dwelling unit to be converted to a Professional Office for use as a satellite law office. No new buildings or additions are proposed.
3. WHEREFORE, for the reasons set forth herein, the applicant's request for the variance is hereby GRANTED on the condition that the applicant be bound by her testimony.

Jefferson County Board of Zoning Appeals,

By: _____

Jeffrey Bannon, Chair

6-22-2020

Date

1 Mr. Quynn moved to come out of deliberative session at 4:03 pm. Mr. Bannon called for a vote,
2 which carried unanimously.

3 Mr. McKinney moved to approve the conditional use permit with the condition that the applicant is
4 bound by their verbal and written testimony. Mr. Bannon called for a vote, which carried
5 unanimously.

23 acres; Zoning District: Village

24 This item was withdrawn by the applicant.

25 **ITEM #7 FILE #: 20-15-ZV,**

26 Request: Variance from Sections 4.6B and Appendix B for the following: to reduce the
27 distance requirement from 75' to 32' on the eastern boundary line and to reduce the
28 side setback from 25' to 6.5' on the western boundary line. The requested variance is
29 to allow an existing residential dwelling unit to be converted to a Professional Office
30 for use as a satellite law office. No new buildings or additions are proposed.

31 Owner: Mohammad Murtaza

32 Applicant: Tasha Catrow (Catrow Law, PLLC)

33 Parcel Info: 14840 Charles Town Road, Charles Town, WV Parcel ID: 02001700120003; Size:
34 .39 acres; Zoning District: Residential-Light Industrial-Commercial

35 Ms. Tasha Catrow with Catrow Law, PLLC was present to address the Board. Ms. Beaulieu
36 provided an overview of her staff report noting that the proposed land use would operate from the
37 existing dwelling unit and that no new structures were being proposed. Ms. Beaulieu explained that
38 the subject property consists of two legal lots. As the existing home is located on the internal
39 property line, Ms. Beaulieu recommended that a condition of approval could be to require the
40 applicant to legally merge the two parcels into one single lot. Ms. Catrow stated that a 1987 deed
41 appears to have already merged the property. Ms. Beaulieu advised that Ms. Catrow submit the
42 relevant deed book and page number reference for staff to confirm this information. Ms. Catrow

1 added that the residential neighbor has dogs and that she plans to install a fence or shrubbery along
2 the property line for separation.

3 Mr. Bannon opened the public hearing. Ms. Megan Curfman, the neighboring property owner,
4 stated she would prefer a fence along the property line as opposed to shrubs. Ms. Catrow stated she
5 did not object to installing a fence; however, requested that a specific type of fence not be required.
6 Mr. Bannon closed the public hearing.

7 Mr. Quynn moved to approve the variance as requested with the condition that the applicant is
8 bound by her testimony. Mr. Bannon called for a vote, which carried unanimously.

9 **ITEM #8 FILE #: 20-17-ZV**

10 Request: Variance from Sections 4.6B, 8.9A.8, and Appendix B to reduce the distance
11 requirement from 75' to 20' and the side setback from 25' to 20' along the eastern
12 boundary line to expand existing fuel station (fuel tanks and fuel pumps).
13 Owner: 270 LLC
14 Parcel Info: Lot 16, Bardane (Burr Industrial Park); 270 Industrial Blvd, Kearneysville, WV
15 Parcel ID: 02000200010021; Size: 5.43 acres; Zoning District: Industrial
16 Commercial

17 Mr. Michael Shepp was present to address the Board. Ms. Beaulieu provided an overview of her
18 staff report. Ms. Beaulieu explained that the subject parcel has an approved site plan and that as part
19 of that approval the site was permitted to utilize the 20' setback as listed in the private covenants
20 recorded in Plat Book 4 at Page 85. Ms. Beaulieu stated that the Office does not enforce private
21 covenants and restrictions. She also noted that while she understood the justification for the original
22 determination and found the request to be reasonable, she did not identify any provisions in the
23 Ordinance which would allow administrative approval for the proposed expansion. Mr. Shepp
24 explained the nature of the request and provided background on the original site plan approval. Mr.
25 Shepp cited Section 9.7 of the Zoning Ordinance in which parcels that predate zoning may utilize
26 setbacks approved by the Planning Commission. It was Mr. Shepp's opinion that since the Burr
27 Industrial Park was a County subdivision and approved by the Planning Commission, the subject
28 request to utilize the 20' setback met the intent of Section 9.7.

29 Mr. Bannon opened the public hearing. There were no public comments. Mr. Bannon closed the
30 public hearing.

31 Mr. Quynn moved to approve the variance as requested. Mr. Corbin seconded the motion. Mr.
32 Bannon called for a vote, which carried unanimously.

33 **ITEM #9 FILE #: 20-18-ZV**

34 Request: Variance from Section 9.7 to reduce the Rear setback from 50' to 15' for the
35 construction of a 3,400 square foot new home and a 45' x 16' foot in-ground
36 swimming pool with surrounding concrete area.
37 Applicant: Vincent and Kelli Tiong
38 Owner: Rodney Smith
39 Parcel Info: Lot 1C Grainlands Vacant parcel located on Earle Road approximately 680' from the

IN THE COUNTY COMMISSION OF JEFFERSON COUNTY, WEST VIRGINIA

ORDER APPROVING AND CONFIRMING THE ANNEXATION TO THE CITY OF CHARLES TOWN A PARCEL OF REAL ESTATE CONTAINING APPROXIMATELY 0.39 ACRES PRESENTLY LOCATED IN THE CHARLES TOWN DISTRICT, JEFFERSON COUNTY, WEST VIRGINIA, AND OWNED BY VERITAS PROPERTIES, LLC, AS PROVIDED BY WEST VIRGINIA CODE §§ 8-6-4 & 8-6-4a (ANNEXATION WITHOUT AN ELECTION).

This _____ day of _____, 2022, came the City of Charles Town, West Virginia, a municipal corporation, and moved the County Commission of Jefferson County, West Virginia, to approve and confirm the annexation by the City of Charles Town of one parcel of real estate consisting of 0.39 acres and more particularly described as follow (hereinafter, the "Subject Parcel"):

Parcel One:

All of that certain parcel of real estate, with the improvements thereon and the appurtenances belonging, situate, lying and being in the Charles Town District, Jefferson County, West Virginia, about one line southeast of Charles Town on the southwest side of West Virginia State Route 9 (formerly the Bloomery turnpike) and more particularly described as follows:

BEING all of Lot No. 3 and the western 30 foot portion of Lot No. 4, as the same are designated and described on the plat of the H. W. Foreman Lots, which said plat is dated February 20, 1948, and made by J. Jas Skinner, S.J.C., recorded in the Office of the clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 173, at Page 347, said lot No. 3 fronting on a distance of 50 feet on the southwest side of West Virginia State Route 9, and the western portion of Lot No. 4 herein conveyed fronting for an additional distance of 30 feet on the southwest side of said State Route 9, for a total frontage of 80 feet thereon, and extending back between parallel lines for a distance of 165 feet to other property to said Grantors.

Parcel Two:

All of that certain tract or parcel of land situate in the Charles Town District, Jefferson County, West Virginia, according to a plat and survey thereof made by Richard U. Good, C.L.S., dated June 4, 19874, attached to a deed recorded in the Office of the Clerk of the County Commission of Jefferson County, West Virginia, in Deed Book 532, at Page 238, and more particularly described as follows:

Beginning at (5) an iron peg set on the southwest side of State Highway Route No. 9 and a corner to the Wilt lot; thence with the southwest side of State Highway No. 9, S. 43 degrees 34' 011" E. 20.00 feet to (6) an iron peg set, a corner to the Chapman lot, thence with the Chapman lot, S. 21 degrees 59' 12" W. 167.97 feet to (7) a post; thence with the other land of the Steward M. Payne Estate, N. 44 degrees 09; 35" W. 20.00 feet to (4) a post, a corner to the Wilt lot thence with the Wilt Lo, N. 22 degrees 00' 56" E. 168.15 feet to the point of beginning, containing 3,070 square feet, more or less. Less and Excepting that certain parcel of real estate sold to the West Virginia Department of Highways by deed dated the 17th day of February 1988, recorded in the aforesaid Clerk's Office in Deed Book 598 at Page 366.

CURRENT PROPERTY ADDRESS: 14840 Charles Town Rd, Charles Town, WV 25414

AND BEING the same parcel of real estate conveyed to Veritas Properties, LLC from Gracecurt LLC by deed dated February 9, 2022, and recorded in the aforesaid Clerk's Office in Deed Book 1275, at Page 458 (a copy of which deed is attached hereto as Exhibit A).

It appearing by the Certificate of the City of Charles Town ("Certificate") filed this date with the Jefferson County Commission and by a Petition for Annexation of the Subject Parcel by the property owner dated February 24, 2022 and attached to said Certificate, that the sole owner and freeholder of the Subject Parcel has requested that the hereinabove referred to real estate be annexed to and become a part of the City of Charles Town.

It further appearing that the Certificate of the governing body of the municipality of Charles Town was this day filed showing that the annexation has been made in the manner required by law, to the corporate limits thereof, and that by such annexation the said corporate limits should be increased to include the Subject Parcel more particularly described above.

It further appearing from the said Certificate that all boundaries of the Subject Parcel are adjacent to and contiguous with the existing corporate boundary of Charles Town.

It further appearing that the Subject Parcel is entirely within the City of Charles Town's Urban Growth Boundary, and, according to the governing body of the municipality, the annexation is consistent with the City of Charles Town's Comprehensive Plan.

It is therefore ORDERED that such annexation to said corporate limits be and the same is hereby APPROVED and CONFIRMED, and the Clerk of the Jefferson County Commission is directed to deliver to the governing body of the City of Charles Town a certified copy of this Order as soon as practicable.

This Order shall take effect this _____ day of _____, 2022.

Peter Burr Farm Origins

The oldest section of the Peter Burr House was constructed by Peter Burr I (1699-1779). He arrived in the area in the 1740's and obtained two Fairfax land grants for 886 acres in 1751. However, Peter Burr I moved back to Connecticut in 1754, leaving the house and farm to his son, Peter Burr II. Peter Burr II, who went on to raise 13 children on the farm, died in 1795 and left the house to his son Peter Burr III. Only three years later in 1798, Peter Burr III migrated to Ohio. In 1803, the property was sold to William Lynne Jr., by Moses Burr, Peter Burr II's son and brother to Peter Burr III.

The Burr family represented an interesting dichotomy between themselves and early Jefferson County. While the majority of people in the area were Church of England, the Burrs were Presbyterian, while the county was largely plantation run, the Burrs were yeoman farmers. A great deal of insight to 18th century life can be gleaned from the study of this site and family.

Burr Family

The Burrs were a prominent family in Connecticut and boasts some familiar connections. The immigrant ancestor of Peter Burr and his family was Jehue Burr, born about 1600 in England, who arrived in Massachusetts Bay Colony in 1630 with Winthrop. He was settled first in Roxbury then Springfield, and finally at Fairfield. He became a Freeman of the colony a few years after his arrival. Generations later, Peter Burr I was born, the brother of Aaron Burr, Sr. who was the first president of the College of New Jersey (now, Princeton University) and the father to Aaron Burr Jr., the U.S. senator and 3rd Vice President of the United States.

At the time of the Fairfax land grants, present-day Jefferson County was still considered the frontier and prone to attacks during the French and Indian War. Because of this, Peter Burr I, who was the father of 17 children, may not have been too keen on moving his whole family to the area after building his original wood frame house. Peter Burr II took over the house and farm and reared his family here. During his time on the farm, Burr is purported to have supplied provisions to the Berkeley County authorities, which was present-day Jefferson County.

Peter Burr II, the son of the man who built the house, lived there until he died in 1795. He was the cousin of Aaron Burr, whose goals and views were frequently at odds with those of George Washington and his supporters. During the American Revolution, Aaron Burr supported Generals Charles Lee and Horatio Gates in their efforts to depose George Washington (Both generals settled in Jefferson County after being dismissed by George Washington. Gates' home, Travellers Rest, is located near the Peter Burr farm.) Peter Burr's associations with his cousin and with George Washington's cashiered generals further suggest that he did not share the values of the Washington family members who had settled in the area.

The Peter Burr Living History Farm seeks to restore the site to its late 18th century condition and to use it as a place for heritage education. Activities will include planting, cultivating, and harvesting period and native species as well as performing domestic activities appropriate to the period.

Historic Site**

ARCHITECTURAL AND FAMILY NOTES

The Peter Burr House was nominated in 1976 as a Jefferson County Historic Landmark, and was listed on the National Register of Historic Places in 1982. It is the oldest extant wood frame structure in West Virginia and acts as an example of early settlement period post-and-beam architecture.

ARCHITECTURE

The Peter Burr House is an 8 room, 2-story building. The house itself was constructed in 3 parts or phases

ca. 1751

The oldest portion of the house is the timber-frame eastern sections, which was built ca. 1751 by Peter Burr I

ca. 1803

The western side of the house was built as a freestanding log kitchen around 1803 by William Lynn, Jr.

ca. 1816

An intermediate room was added to join the freestanding log kitchen and the original timber frame eastern section by David Moore, the owner at the time.

The original structure, built with techniques common to the northern colonies in the 18th century, is framed with heavy log uprights pinned to horizontal beams. The voids between the vertical posts are in-filled with brick and mortar and plastered. The exterior is clad with hand-riven clapboards. The original roof was made of wooden shingles while the floor of the house was constructed with smooth, wide boards nailed with wrought iron nails. The original doors of the Burr House had long wrought iron hinges, and fastened with a wooden bar. The chimney measures five feet by ten feet, and forms mantels in two rooms.

The western end of the house is typical of local summer kitchens, with a large cooking fireplace and stone hearth.

The stone outbuilding to the west of the residence was built in the early 19th century and served several uses. The first floor of the structure functioned as a spring house. Its raised interior water trough stored and secured farm produce. The cool water pumped into the trough would keep perishable items such as butter and milk from spoiling. The upstairs has a small firebox that may have been used to heat a quarter for servants, or to smoke meats that hung from rafters.

1937 Photos of the Peter Burr House from the Historic American Building Survey, courtesy of the Library of Congress

The barn that is presently on the property is a reconstruction of the type of barn that likely existed here in the late 18th century. The four crib log barn is a type that has been documented in the Cumberland Valley, and has a steep pitched wool shingled roof with vertical siding and dirt floors. This reconstruction style is favored because the barn was likely quickly built upon the Burr's arrival on the land out of logs.

Other structures and installations on the property include a kitchen garden that would have been similar to the type maintained by the Burr family in the 18th century, restrooms camouflaged to look like a typical outbuilding, and an orchard in which the trees come from heritage stock grown at Monticello in the 18th century.

One valuable source of insight to the wealth and life on the Peter Burr Farm comes from Peter Burr II's death inventory. Property was inventoried and valued, all the way down to the amount of pots and cards. Below is an excerpt of the 142 item inventory, totaling in value 215 pound, 1 shilling and 8 pence, which roughly equates to the purchasing power of \$21,500 United States Dollars in 2020.

The Sorrel Horse	21 pounds
The Young Bay Colt Shod	18 pounds
The Black Cow	2 pounds
Four Calves	4 pounds
Ten Sheep	3 pounds, 14 shillings
The New Wagon	18 pounds
One Harrow	10 shillings
One Old Plow	6 shillings
One Plow	12 shillings
One Red Beadstead	6 shillings
2 Dozen Old Spoons	4 shillings
Oven and Hooks	6 shillings
Big Kettle	18 shillings
One Hand Saw	2 shilling, 6 pence

Subject (*Wording to be placed on agenda*): Request to move Secretary position from 70 HR to 80 HR pay schedule

Please provide the County Commission with a description of your request or presentation, including any background information: This employee has been employed part time with the commission since November of 2017, moving full time on June 29, 2018 and has received all allocated merit-based raises from the county. Our budget is largely salary due to the nature of the partnership Jefferson County has with WVU. With agents becoming more experienced, our programming needs have increased and thus the work from county support staff has increased. Amanda has gone above and beyond to meet these needs, which often includes providing support outside of traditional working hours. Our other county paid staff is already on an 80 HR schedule per pay period.

Is this a funding request? Y/N **YES**

If so, how much? **Approximately \$4300**

Provide exact financial impact/request: The financial increase will accommodate the increased salary for 5 extra hours per week and additional FICA, Medicare, and retirement expenses for this employee. Our other county paid staff is already on an 80 HR schedule per pay period.

Recommended motion (*Please type out the wording of the motion that you would like the Commission to approve*):

I move to approve the reclassification of Extension Office employee Amanda Masters to an 80 HR pay period schedule.

Department	Jefferson County Development Authority	Date:	
Reports to:	Executive Director	FLSA Status	

Statement of Duties: The employee is responsible for ensuring a future for agriculture, increasing the profitability of farming, and expanding the rural economy in Jefferson County by strengthening programs in the areas of economic and business development, workforce development, education and training, marketing and communications and policy, planning and legislation. Employee is required to perform all similar or related duties.

Supervision Required: Employee works under the general direction of the Executive Director. The employee plans and carries out the regular work in accordance with standard practices and previous training, with substantial responsibility for determining the sequence and timing of action and substantial independence in planning and organizing the work activities, including determining the work methods. The employee is expected to solve, through experienced judgment, most problems of detail or unusual situations by adapting methods or interpreting instructions to resolve the problem. Instructions for new assignments or special projects usually consist of statements of desired objectives, deadlines, and priorities. Technical and policy problems or changes in procedures are discussed with supervisor, but ordinarily the employee plans the work, lays it out and carries it through to completion independently. Work is generally reviewed only for technical adequacy, appropriateness of actions or decisions, and conformance with policy or other requirements; the methods used in arriving at the end result are not usually reviewed in detail.

Supervisory Responsibility: Employee may provide immediate supervision over an intern in the same department.

Confidentiality: Employee has access to confidential client records.

Accountability: Consequences of errors or poor judgment may include adverse public relations, missed deadlines, legal repercussions, jeopardize programs, and danger to public health/safety.

Judgment: Guidelines only provide limited guidance for performing the work. They may be in the form of administrative or organizational policies, general principals, legislation, or directives that pertain to a specific department or functional area. Extensive judgment and ingenuity are required to develop new or adapt existing methods and approaches for accomplishing objectives or to deal with new or unusual requirements within the limits of the guidelines or policies. The employee is recognized as the department or functional area's authority in interpreting the guidelines, in determining how they should be applied, and in developing operating policies and practices.

Complexity: The work consists of employing many different concepts, theories, principles, techniques, and practices relating to an administrative field. Assignments typically concern such matters as studying trends in the field for application to the work, assessing services and recommending improvements.

Jefferson County Development Authority
Agricultural Development Officer
05/23/2022

**Jefferson County
Draft Job Description**

Work Environment: The work environment involves everyday discomforts typical of offices, with occasional exposure to outside elements. Noise or physical surroundings may be distracting, but conditions are generally not unpleasant. Employee will be required to work beyond normal business hours to attend evening meetings.

Nature and Purpose of Public Contact: Relationships are constantly with co-workers, the public and with groups and/or individuals who have conflicting opinions or objectives, diverse points of view or differences where skillful negotiating and achieving compromise is required to secure support, concurrence and acceptance or compliance. The employee may represent to the public a functional area of the county on matters of procedures or policy where perceptiveness is required to analyze circumstances in order to act appropriately.

Occupational Risk: Duties of the job present little potential for injury. Risk exposure is similar to that found in typical office settings.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

1. Serves in an administrative support role for groups engaged in Agriculture Development including, but not limited to local and regional farmers markets,
2. Implements, monitors, and revises as needed, the goals of the Jefferson County Development Authority Strategic Action Plan pertaining to agriculture and agritourism by developing supportive public policy, creating marketing opportunities, increasing economic development support for agriculture, and developing protocols for outreach, education, and training.
3. Assists with product development and marketing for agricultural facilities and assists local producers to market and sell local products.
4. Coordinates agritourism related enterprises in Jefferson County with the Jefferson County and Ranson Convention Visitors Bureau, the West Virginia Office of Tourism, and the West Virginia Commissioner of Agriculture.
5. Networks, develops, and solidifies partnerships; collaborates and works with businesses, lenders, and local, state, and federal agencies to promote agricultural development in Jefferson County.
6. Provides leadership on a regional and statewide basis in organizations that serve the goal of expanding and enhancing agricultural development.
7. Cooperate with the WVU Extension Service, West Virginia Department of Agriculture

Draft Job Description**

(WVDA), Small Business Development Center, the West Virginia Farm Bureau, and other organizations coordinated public outreach programs for farmers, elected officials and the public on issues of agricultural development.

8. Works with farmers, farm groups, local and state delegates and governmental agencies on local and state legislative issues to promote agricultural development and advocate for policies and legislation to promote a viable agricultural economy.
9. Prepares grants and proposals and all related tasks to securing and administering grants to ensure the viability of the agriculture sector and the implementation of the Jefferson County Development Authority Strategic Plan.
10. Serves as ombudsman for farmers and agriculture related businesses in dealings with county and state offices.
11. Works with individual landowners to develop marketing and business plans and to assist them in agriculture-related endeavors.
12. Develops and maintains databases of contacts for the use of the agricultural community in successfully achieving agriculture-related promotion, success, and development. Also maintains a database measuring the success of agriculture related programs instituted by the community and JCDA.
13. Makes agricultural related presentations to public groups, local bodies, legislators, and government agencies.
14. Supports land-use planning consistent with providing opportunities for the agriculture community to diversify and be sustainable, and coordinates with the County Planning Department and other agencies to achieve this goal.
15. Provides and maintains a web presence for the office and its clientele.
16. Makes periodic reports to the JCDA and the JCDA Agriculture Committee.

Recommended Minimum Qualifications:

Education and Experience: Bachelor's degree in agriculture from an accredited college or university with three to five (3-5) years of related work experience; or any equivalent combination of education, training and experience which provides the required knowledge, skills, and abilities to perform the essential functions of the job. Experience in marketing and social media management, experience with property management databases and GIS programs such as Zoom Prospector and LOIS 1 and a proven record of success in developing and implementing agricultural support projects and a demonstrated commitment to the future survival and enhancement of family farming.

Jefferson County Development Authority
Agricultural Development Officer
05/23/2022

**Jefferson County
Draft Job Description**

Special Requirements: A valid driver's license is required for this position.

Knowledge, Abilities and Skills

Knowledge: Common policies, practices and procedures of the department and office operations; laws and regulations pertinent to position functions. Working knowledge of the Internet in support of department operations which includes webs development and other social media tools.

Abilities: Ability to interact effectively and appropriately with the public and other personnel, perform multiple tasks and maintain confidential information.

Skills: Proficient personal computer skills, mathematical skills, recordkeeping, and clerical skills, written and oral communication skills. Outstanding interpersonal skills and attention to detail.

Physical and Mental Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the position's essential functions.

Physical Demands: Work requires some agility and physical strength, such as moving in or about construction sites or over rough terrain or standing or walking most of the work period. Occasionally, work may require lifting heavy objects and carrying them. There may be need to stretch and reach to retrieve materials. Usually, the work will require extended physical effort over a significant portion of the workday.

Motor Skills: Duties are largely mental rather than physical, but the job may occasionally require minimal motor skills for activities such as moving objects, operating a telephone system, computer and/or most other office equipment, typing and/or word processing, filing, and sorting.

Visual Demands: Visual demands include constantly reading documents for general understanding and for analytical purposes. Color vision is required for this position.

May 18th, 2022

IN THE COUNTY COMMISSION OF JEFFERSON COUNTY, WEST VIRGINIA

IN RE: ESTATE OF ROBERT D. GRANT, JR.

PETITION TO PROBATE A WILL IN SOLEMN FORM

COMES NOW your Petitioner, Terry S. Grant, and petitions for the admission and probate in solemn form of the Last Will and Testament of Robert D. Grant, Jr. pursuant to the provisions of West Virginia Code Chapter 41, Article 5, Section 5, and represents to the Commission the following:

1. That Terry S. Grant, of 299 River Road, Shepherdstown, Jefferson County, West Virginia, is designated as Executrix in a writing which is the subject of this Petition and which is a photocopy of the purported Last Will and Testament of Robert D. Grant, Jr., deceased, dated June 27, 2013.

2. That Robert D. Grant, Jr. died December 23, 2021, in the City of Washington, District of Columbia.

3. That the last place of residence and the domicile of Robert D. Grant, Jr., at his death was 299 River Road, Shepherdstown, Jefferson County, West Virginia.

4. That at the date of his death the nature of the estate of Robert D. Grant, Jr. consisted of real estate situate in Shepherdstown District, Jefferson County, West Virginia, and tangible and intangible personal property.

5. That at the date of his death, the said Robert D. Grant, Jr. was married to the Petitioner, Terry S. Grant; and that he had four children, all surviving at the time of his death, namely: Robert D. Grant, III, John W. Grant, Jason R. Grant and Leigh Ann Simmons.

6. That the known heirs at law and distributees of Robert D. Grant, Jr. as defined under West Virginia Code Chapter 42, and their relationship to the Decedent are as follows:

a. Terry S. Grant, spouse.

b. Robert D. Grant, III, John W. Grant, Jason R. Grant and Leigh Ann Simmons, children from a prior relationship.

7. That the Petitioner has delivered to the Clerk of this Commission a photocopy of a document entitled, "Last Will and Testament of Robert D. Grant, Jr." executed by the Decedent on June 27, 2013, a copy of which is attached to this Petition as Exhibit 1.

8. That the beneficiary under the Last Will and Testament of Robert D. Grant, Jr. dated June 27, 2013, was Terry S. Grant, and her relationship to the decedent was as his surviving spouse; and that Terry S. Grant was nominated by the Decedent as the Executrix of his Will.

9. That following the death of Robert D. Grant, Jr. on December 23, 2021, the Petitioner believes the original of the Last Will and Testament dated June 27, 2013, was present among the papers of the Decedent at his residence.

10. That following the death of Robert D. Grant, Jr. on December 23, 2021, Petitioner has made a diligent and thorough search for the original Last Will and Testament of Robert D. Grant, Jr. dated June 27, 2013, but has been unable to determine the whereabouts thereof.

11. That Petitioner has no reason to conclude that Robert D. Grant, Jr. revoked his Last Will and Testament dated June 27, 2013.

12. That subsequent to the death of Robert D. Grant, Jr. on December 23, 2021, Petitioner is unable to determine whether the

aforesaid Will has either been misplaced or accidentally destroyed.

13. Personal jurisdiction over the Respondents is asserted pursuant to West Virginia Code §41-5-1, et seq., West Virginia Code §44-1-1, et seq., and West Virginia Code §56-3-33.

14. Subject matter jurisdiction is asserted pursuant to West Virginia Constitution Article VIII, §6, West Virginia Code §41-1-1, et seq., and West Virginia Code §44-1-1, et seq.

15. Venue lies within this Commission pursuant to West Virginia Code §41-5-4, as said Petition involves the probate of a Will of the Testator who at the time of his death had a mansion house or known place of residence in Jefferson County, West Virginia.

WHEREFORE, the Petitioner respectfully petitions this honorable County Commission to issue process and summons to all those persons known as heirs at law of Robert D. Grant, Jr., and those interested in the probate of the Last Will and Testament of Robert D. Grant, Jr., deceased, to appear at a day named to show cause why the photocopy of the Last Will and Testament of Robert D. Grant, Jr. dated June 27, 2013, should not be admitted to probate pursuant to the provisions of Article 5, Chapter 41, of the West Virginia Code as if an original; to appoint Terry S. Grant as Executrix of said Will; and to take such further action as to this Commission may seem fair and just.

EXHIBIT 1

LAST WILL AND TESTAMENT

OF

ROBERT D. GRANT, JR.

I, ROBERT D. GRANT, JR., a resident of Jefferson County, West Virginia, being of sound and disposing mind and memory, do hereby make, publish and declare this as and for my Last Will and Testament, hereby revoking any and all wills and codicils by me at any time heretofore made.

ARTICLE ONE: At the time of the execution of this document I am married to TERRY S. GRANT. I have four (4) children, to-wit: ROBERT D. GRANT, III, JOHN W. GRANT, JASON R. GRANT and LEIGH ANN SIMMONS.

ARTICLE TWO: I direct my Executrix, hereinafter named, to pay from my residuary estate all of my just debts and funeral expenses, including any estate, transfer, succession or other inheritance taxes, as soon after my decease as it may be practicable for her to do so, and to pay the reasonable costs of a suitable marker for my grave and the inscription thereof.

ARTICLE THREE: I hereby give and bequeath such items of my personal estate to the named individuals in a written memorandum attached to this Will, knowing that my Executrix and beneficiaries will honor any memorandum I may leave respecting the disposition of certain of such property.

ARTICLE FOUR: I hereby give and bequeath all my remaining personal and household effects, not otherwise effectively disposed of, such as jewelry, clothing, automobiles, furniture, furnishings, silver, books and pictures, tools, and recreational vehicles, including policies of insurance thereon, to my wife, TERRY S. GRANT.

ARTICLE FIVE: All of the rest, residue and remainder of my estate, real, personal and mixed, of whatsoever nature and wheresoever situate, of which I shall die seized or possessed, or

to which I shall be in anywise entitled at the time of my death, including any legacies which may lapse or be invalid or for any reason fail to take effect, and all property over which I shall have at the time of my death any power of appointment or disposal which I shall not have otherwise exercised and released (my residuary estate), I hereby give, devise, bequeath and appoint to my wife, TERRY S. GRANT, absolutely and in fee simple.

ARTICLE SIX: I confer upon my Executrix and any successors with respect to the management and administration of any property, real or personal, including property held under a power in trust, all powers conferred by law upon executors and trustees, including, without limitation, those powers set forth in the Powers of Fiduciaries statute (West Virginia Code Section 44-5A-1 to 44-5A-3) which are incorporated in this will by reference. In addition thereto, I confer upon my Executrix and any successors the following discretionary powers, without limitation by reason of specification:

1. If the appointment of an Executor of my estate is necessary or desirable in any jurisdiction in which my principal Executrix is unable or unwilling to act, I appoint as my Executor in that jurisdiction such individual or corporation as may be designated in an instrument signed by my principal Executrix, to act without bond and to have all the powers and discretion with respect to my estate in that jurisdiction during administration that my principal Executrix is given with respect to the balance of my estate, to be exercised without court order.

2. To do any and every other act necessary and proper to the execution of my estate.

ARTICLE SEVEN: In the event that any beneficiary under this Will and I shall die in a common accident or disaster or under such circumstances that any such beneficiary does not survive me for the sixty (60) day period following my decease, then I direct that for the purpose of this Will such beneficiary shall be deemed to have

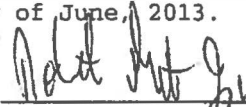

0.112
Ray
et al

predeceased me.

ARTICLE EIGHT: I hereby nominate and appoint my wife, TERRY S. GRANT, as Executrix of this my Last Will and Testament, and direct that she be allowed to qualify and act as such without surety on her official bond. In the event my wife is unable or unwilling to serve, or for any reason shall cease to act, then I nominate, constitute and appoint my brother, RONALD G. GRANT, as Executor of this my Last Will and Testament, and direct that he be allowed to qualify and act as such without surety on his official bond.

ARTICLE NINE: Wherever the context requires or permits the number and gender shall be interchangeable so that the singular includes the plural and the plural includes singular; a female gender includes the male and neuter gender, the neuter gender includes the male and female gender, and the male gender includes the female and neuter gender.

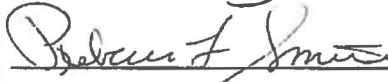

IN WITNESS WHEREOF I have hereunto set my hand and seal, have signed my initials on the two (2) preceding pages and acknowledge the same to be my Last Will and Testament in the presence of the undersigned witnesses this 27th day of June, 2013.

ROBERT D. GRANT, JR.

The foregoing instrument was signed, sealed, published and declared by ROBERT D. GRANT, JR., the above named Testator, as and for his Last Will and Testament in our presence, all being present at the same time, and thereupon, we, at his request and in his presence and in the presence of each other, have initialed the two previous pages and have hereunto subscribed our names as witness

this 27th day of June, 2013.

Jefferson County Commission, WV

DRAFT - Request For Proposal

**(Unofficial and Pending Jefferson
County Commission Approval)**

(2022)

**Multi-Function Digital
Copier/Printer/Scanner/Fax**

Page left intentionally blank

Information

The Jefferson County Commission, West Virginia, (hereinafter referred to as “the Commission”) is hereby soliciting Request for Proposals (“RFP”) to provide multi-function digital copier/printer/scanner/fax machines with related maintenance and support services.

Vendors must submit their proposal(s) via sealed envelope or electronic mail to the Commission, no later than **July 7th, 2022**.

The Commission anticipates all bids will be opened by **July 15th, 2022**.

The Commission anticipates the winning bid will be awarded by **August 12th, 2022**. Proposals not received by the specified date may be rejected.

Proposal may be mailed to:

Jefferson County Commission Attn: RFP MFDCSF
124 East Washington Street Charles Town, WV 25414

Proposals may be submitted via email to:

JCRFP@jeffersoncountywv.org

Questions may be submitted via email to:

RBurgess@jeffersoncountywv.org

Vendor Requirements

Vendors must have a minimum of three (3) years verifiable leasing, selling and servicing of multi-function copier/printer/scanner/fax machines within West Virginia.

Vendors must be licensed to conduct business within the state of West Virginia.

The purpose of the document is to provide information to submit a proposal. It is not the intent to limit the Vendor to a specific solution.

Cost of Preparing Proposals

The cost of developing and submitting proposal(s) is entirely the responsibility of the vendor. This includes costs for preparation of the proposals, submitting the proposal(s), negotiating the final contract and all other related costs.

Proposal Formats

The Commission would prefer that all proposals follow as closely as possible to the following format. This format is designed to maintain a consistent basis on which to evaluate the proposals.

- Cover Letter
- Table of Contents
- Summary of Proposal
- Hardware Included
- Hardware Specifications
- Software Included
- Software Specifications
- Detailed Explanation of support services included
- Breakout of all Costs included in proposal
- Summary of Costs included in proposal
- Requirements checklist showing vendor has met all requirements
- Vendor Summary and reference list
- Other relevant information

General and Technical Requirements

All multi-function digital copier/printer/scanner/fax machines shall be newly manufactured with no used or refurbished parts and include the capability for copying, printing, scanning, emailing and some machines will require the ability to fax. The Original Equipment Manufacture shall provide specification sheets listing all accessories, features, functions, technical requirements, user/administration manuals of each model copier/printer.

Vendor must deliver, install and configure each multi-function digital copier/printer/scanner/fax machine at each location listed for the individual machines. Note that machines will be located at multiple different locations within Jefferson County.

Unless otherwise specified in Appendix A, the Machine Requirement Listing, all multi-function digital copier/printer/scanner/fax machines shall meet the following requirements:

1. Capable of producing double-sided prints/copies.
2. Network connectivity using Ethernet TCP/IP protocol.
3. Machine trays shall hold at a minimum five hundred (500) sheets. This does not include the normal bypass tray.
4. Capable of enlarging and reducing documents.
5. Capable of scanning to email and SMB file shares.
6. Include an automatic document feeder with a minimum 50-sheet capability.
7. Include Job Build capabilities and easy to use touch screen panel.
8. Include Post-Script Kit as standard or as an optional accessory included on all devices
9. Include single, universal print drivers accessible from the County network.
10. Include Auto-Ship of toner and drums for individual machines

Additional Features: (Please refer to Appendix A)

1. Certain machines must be capable of faxing.
 - Because Analog Fax lines are being phased out, **please detail your fax solution for those departments that still require faxing capability.**
2. Certain machines must be capable of inline or corner stapling and 2-3 hole punching.
3. Certain machines must hold multiple paper trays.
4. Certain machines shall be capable of color.
 - **Vendor may provide two pricing structures, one with a mix of B/W and color machines and another with bulk rate on one color model for all that exceeds minimum base B/W requirements**
5. One machine, Sheriff Processing Room, must be a desktop model due to physical space constraints. Current machine occupies space roughly 22"W x 22"D x 24"H.

Requirements for Maintenance Support

1. Vendor shall provide a parts and labor warranty for a minimum of 90 days. The Vendor shall identify their warranty period in the Request for Proposal.
2. Vendor shall provide telephone support number for placing service calls, which will be available Monday through Friday, 8:00 AM to 5:00 PM, excluding legal holidays. **The County aims to minimize the practice of self-troubleshooting in favor of robust vendor technical and maintenance support.**
3. The Vendor shall bear all material, travel, and labor costs for repair of equipment defects and failure accruing within the warranty period.
4. The vendor shall maintain a minimum average rate of 95% uptime per copier/printer per calendar quarter. The average uptime rate is based upon the number of business days per calendar quarter, excluding County recognized holidays.
5. Poor performing and/or problematic machines will be replaced with new similar equipment repaired to the manufacturer's specifications and/or repaired to the County's satisfaction within 30 days of notification by the county.
6. If a machine does not perform to the manufacturer's specifications during the warranty period, the OEM shall replace the unit(s) with a new machine of the same model or equivalent within 7 days.
7. Initial training of County personnel shall be conducted upon equipment installation and at no cost to the County.

Network and Power Requirements

1. The networked multi-function digital copier/printer/scanner/fax machines will be connected to the County's data network, each networked digital copier/printers shall allow printing from any desktop PC or laptop within the County's network.
2. ***All equipment must be rated to use NEMA 5-15 "standard" outlets. Power to be rated at or below 15 AMPS/120VAC. Any other "special" electrical requirements must be specifically spelled, out and will be the responsibility of the vendor to bear all costs of installation of special electrical receptacles, dedicated lines, etc. Each device shall meet the OEM's recommendations for electrical surge protection. If power filters or surge protectors are recommended or required by the manufacturer, the vendor will supply these at no cost to the county.***

Pricing Requirements

1. Vendors shall provide a one dollar (\$1.00) buyout option at the end of all lease pricing. The lease price shall be based on a 60-month term. The monthly equipment lease payment shall be structured as a base equipment lease payment per digital copier/printer with a separate annual maintenance agreement based on a specified minimum number of prints for each multi-function digital copier/printer/scanner/fax machine, including a reduced per print charge for overages per multi-function digital copier/printer/scanner/fax machine
2. **Maintenance agreement pricing shall include all maintenance, repairs, parts and consumable supplies (except paper and staples). Vendor shall specify what supplies are excluded from the maintenance agreement and not the monthly cost associated with said supplies (based on estimated monthly volumes), per multi-function digital copier/printer/scanner/fax machine. All maintenance agreements WILL include firmware updates at NO ADDITIONAL CHARGE. All Firmware updates shall be automatic and occur outside normal Commission business hours, (Monday to Friday, 8am to 5pm EST).**
3. All bids should be fully itemized with all labor/equipment/travel and shipping cost included.
4. Any warranties, service plans, or optional add-ons that require additional cost should be clearly labeled and listed separately on the bid.
5. Vendor support contracts "MUST" include one (1) day response times for all service calls. All service calls must be resolved within five (5) business days. Any machine service call that is not resolved within the five (5) day time frame can be considered a non- functioning machine and must be replaced within 30 days if requested by the Commission.
6. The County reserves the right to change the number or specifications of machines ordered based on current needs. Vendor shall detail lease agreement terms for alternative scenarios like in-house rentals for additional machine, shorter-term lengths for newly added machines that coincide with end of master contract, upgrading machines or adding Finishers, etc.
7. Vendor may have the ability to collect meter counts from a software based collection system that collects meter reads automatically, dependent upon the Commission Information Technology department's approval of software to be utilized. Meter reads should be easy to read, itemized per unit per usage, and include customer location, serial number, Begin and End reads for B/W and Color, overages, and unit pricing.
8. Vendor must be able to provide billing to each department or agency. One master account with total pricing, breaking out each sub account (department or agency) must be submitted directly to the Commission each month.
9. **No allowance will be made for any rate increase (equipment, supplies, parts or labor) during the term of the contract. The contract shall be fixed pricing with no annual escalations. There shall be no additional property taxes or fees included in the contract.**
10. Machine Removal, Delivery, Set-up and Acceptance charges must be included within the vendors bid. No additional costs will be allowed for any of the above. This will include end of contract return of equipment if the county decides not to purchase the equipment and vendor agrees to remove said equipment within 30 days of the end of the lease. The county will be subject to NO additional costs for the above under any circumstances.
11. Any and all machines or related items that are rejected by the county for working improperly or not up the requirements listed in this request for proposal will be held at the vendors risk and expense.

Delivery

All equipment must be installed, configured, and operational no later than **November 11th, 2022**.

Applicable Laws Shall Apply

The contract awarded shall be governed in all respects by the laws of the State of West Virginia, and any litigation with respect thereto shall be brought in the courts of the State of West Virginia.

Contract

The successful vendor will be required to enter into a written contract that will include the provisions of this Request for Proposal.

Reservation of Rights

The Jefferson County Commission, West Virginia reserves the right to negotiate mutually acceptable project-related conditions and/or costs. The Commission reserves its right to reject any and all proposals, waive irregularities and informalities therein, and further reserves its right to award the contract that is the best value and in the best interest of the Commission. The Commission, specifically reserves the right to select the bid, which will provide the highest quality equipment and service package at a reasonable cost to the county. The Commission hereby notifies Vendors that certain equipment may be removed or exchanged from the contract for any reason deemed viable by the county. The Commission may choose a vendor based on any criteria it so deems appropriate and that the lowest total bid may not be the successful bid if quality, functionality, warranties, service availability, cost, and/or other aspects of the bid do not best meet the needs of the Commission.

**Jefferson County
Job Description**

Position Title:	Maintenance Shop Helper	Grade Level:	4
Department	Maintenance Department	Date:	January 2022
Reports to:	Maintenance Director	FLSA Status	NE

Statement of Duties: The employee is responsible for assisting the Auto Mechanic to ensure all assigned equipment, vehicles, operating supplies, tools and facilities are maintained. Employee is responsible for maintaining cleanliness and organization in auto shop. Employee is required to perform all similar or related duties.

Supervision Required: Under general supervision of the Maintenance Director, the employee is familiar with the work routine and uses initiative in carrying out recurring assignments independently with specific instruction. The supervisor provides additional, specific instruction for new, difficult or unusual assignments, including suggested work methods. The employee is expected to recognize instances which are out of the ordinary and which do not fall within existing instructions; the employee is then expected to seek advice and further instructions. Reviews and checks of the employee's work are applied to an extent sufficient to keep the supervisor aware of progress, and to insure that completed work and methods used are technically accurate and that instructions are being followed.

Supervisory Responsibility: Employee, as a regular and continuing part of the job, does not supervise other employees.

Confidentiality: Employee does not have access to confidential information.

Accountability: Consequences of errors, missed deadlines or poor judgment may include adverse public relations, labor/material costs or danger to public health/safety.

Judgment: Numerous standardized practices, procedures, or general instructions govern the work and in some cases, may require additional interpretation. Judgment is needed to locate, select, and apply the most pertinent practice, procedure, regulation or guideline.

Complexity: The work consists of a variety of duties which generally follow standardized practices, procedures, regulations or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Work Environment: Working conditions involve occasional exposure to intermittent machine or related noise or a combination of unpleasant elements such as odors, chemical fumes, dust, smoke, heat, cold, oil, dirt or grease. Includes work under typical shop conditions or outdoor work which is suspended when weather conditions are poor. Work may involve general cleaning, occasional work at heights or in confined or cramped quarters, or work around machinery and its moving parts. Work may also involve occasional mental stress, such as completing several unrelated tasks within a relatively short period of time.

Maintenance Department
Maintenance Shop Helper
1/12/2021

Jefferson County Job Description

Nature and Purpose of Public Contact: Relationships are primarily with co-workers incidental to the purpose of the work involving giving and receiving factual information about the work. Ordinary courtesy and tact are required. Contacts with the public may be required on an occasional basis.

Occupational Risk: Essential functions regularly present potential risk of injuries from improper exposure which could result in loss of time from work. Examples of injury include burns from chemicals, steam or fire, severe muscular strains from working with extremely heavy material, falls from heights in excess of three feet and illness from exposure to communicable diseases. Special safety precautions, training, or protective clothing such as gowns, coats, gloves, glasses, hats or boots may be required.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

1. Assists Automobile Mechanic to perform preventative maintenance repair on vehicles and equipment including, but not limited to: oil, transmission and other fluid changes, tire rotations, lubrications, replacement and repair of lights, windshield wipers, brakes, engine and drive train maintenance.
2. Assists Automobile Mechanic with the maintenance and repair of seasonal equipment including, but not limited to: lawn mowers, weed trimmers, and snow plows.
3. Responsible for maintaining shop cleanliness and organization including, but not limited to: sorting recyclables, operating baler, sweeping floors, cleaning restrooms, organizing & putting away supplies.
4. Ensure that safe conditions are being maintained at all times on County vehicles.
5. Perform preventative maintenance and minor equipment repairs as needed.
6. Work alone, or as a member of the Maintenance team, to ensure smooth operations and satisfaction of departments served by the Maintenance Department.
7. Ensures that safety is maintained at all times on the interior/exterior of the buildings for which responsible.
8. Maintains an awareness of security and maintenance deficiencies and correct and/or report such deficiencies to the Director of Maintenance or office staff.
9. Assist other maintenance personnel with snow removal, lawn care, election delivery, etc. on an as-needed basis and take on-site direction.

**Jefferson County
Job Description**

10. Assists in the moving of furniture or equipment.
11. Promote positive relationships with other departments and the public.
12. Refer all requests from other departments to maintenance office staff unless the request is an emergency.
13. Performs other duties as requested by the Maintenance Director.

Recommended Minimum Qualifications:

Education and Experience: High School degree or equivalent with one to three (1-3) years related work experience; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities to perform the essential functions of the job.

Special Requirements: A valid driver's license is required for this position. Must pass a background check.

Knowledge, Abilities and Skill

Knowledge: Common policies, practices and procedures of the department and vehicle maintenance. Working knowledge of the safety precautions, supplies and materials needed to perform duties.

Abilities: Work independently and be self-motivated.

Skills: Knowledge in vehicle repair and maintenance to ensure the highest level of operational performance and safety.

Physical and Mental Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the position's essential functions.

Physical Demands: Work requires some agility and physical strength, such as moving in or about construction sites or over rough terrain, or standing or walking most of the work period. Occasionally, work may require lifting heavy objects and carrying them. There may be need to stretch and reach to retrieve materials. Usually, the work will require extended physical effort over a significant portion of the work day. Driving in adverse weather and troublesome road conditions may be required.

Motor Skills: Essential functions involve close hand and eye coordination and physical dexterity. Manipulation and motor control under conditions which may require extreme accuracy may be critical. The manual skills required are comparable to those which might be needed in making repairs to delicate electronic instruments or complex equipment.

Visual Demands: Visual demands include reading documents for general understanding.

Date Requested – 2nd Choice:

Subject (*Wording to be placed on agenda*):

Program for Public Information (PPI) for the Community Rating System (CRS) of the National Flood Insurance Program (NFIP)

Please provide the County Commission with a description of your request or presentation, including any background information:

Jefferson County is a CRS Community. As a part of the 19 sets of activities that we must do annually, we do an annual PPI focused only on flooding. The JCHSEM Public Awareness, Education and Training Committee and staff have developed the PPI for this year. The rules for the CRS include that the plan must be approved by the committee (The committee originally approved this plan on October 12, 2016 and annually and this format for the PPI is still in use today). Every 5 years the plan must be approved by the Jefferson County Commission.

Is this a funding request? No

If so, how much?

Recommended motion (*Please type out the wording of the motion that you would like the Commission to approve*):

I move to approve the Jefferson County, WV Program for Public Information (PPI), a part of the Community Rating System (CRS) activities for Jefferson County, WV.

Attach supporting documents for request, or request may be denied.

JEFFERSON COUNTY, WV PROGRAM FOR PUBLIC INFORMATION 5-YEAR UPDATE

10/25/2021

Flood Hazard Outreach Plan for CRS

A well-informed public makes better decisions and they take steps to protect themselves from flooding by retrofitting their homes, buying flood insurance, and planning the actions they will take during the next flood. They are also more likely to support local floodplain management efforts and measures to protect the natural functions of their community's floodplain.

Jefferson County, WV

Program for Public Information 5-Year Update

FLOOD HAZARD OUTREACH PLAN FOR CRS

Introduction:

Jefferson County was named as a FEMA Project Impact Community in 2001. At that time, a Public Awareness Committee was formed that developed an Awareness, Education and Training Strategy each year since. Believing that public awareness, education, and training are critical components of Homeland Security and Emergency Management, one of our ultimate goals is to have a fully prepared community. A fully prepared community is defined as one whose citizens are fully aware of the hazards that they face, who are trained, and who know how to prepare for and respond to emergency situations. While we know that much of our community is aware that threats face our nation and our community, many have not yet participated in available training or awareness efforts. As a result, most are not yet adequately prepared for an emergency at home, at work, at school, where they play and where they pray. The Public Awareness Committee continues to strive towards making the goal of a fully prepared community a reality.

In 2013, Jefferson County developed a report, titled, "Emergency Management, Partnering with the Whole Community," patterned after the Federal Emergency Management Agency (FEMA) report called: "A Whole Community Approach to Emergency Management: Principles, Themes and Pathways to Action." In the FEMA report, the Whole Community approach is defined as, "...a means by which residents, emergency management practitioners, organizational and community leaders, and government officials can collectively understand and assess the needs of their respective communities and determine the best ways to organize and strengthen their assets, capabilities, and interests. By doing so, a more effective path to societal security and resilience is built. In a sense, Whole Community is a philosophical approach on how to think about conducting emergency management." Referencing the lessons of past community resilience initiatives like Project Impact and Citizen Corps, this plan offers examples of integrating public-private partnerships and diverse community stakeholders into emergency management, including some specific reference to mitigation and disaster risk-reduction.

As the name of the initiative indicates, it is truly the whole community that must be prepared to respond in ways that extend beyond the normal paradigms in which emergency management has traditionally operated. As a community that has participated in the Community Rating System (CRS) of the National Flood Insurance Program (NFIP) since 2004, Jefferson County wanted to develop and implement a Program for Public Information (PPI). As the committee that has been developing awareness, education and training strategies for the Jefferson County Multi-Jurisdictional All Hazards Risk Assessment and Mitigation Plan, the Jefferson County Homeland Security and Emergency Management's Public Awareness, Education and Training Committee will serve for the CRS PPI process.

The Committee held 1 meeting for 2017, February 8, 2017. In 2018, 3 meetings were held September 12, October 10, and November 14. In 2019, 3 meetings were held January 9, February 13, and May 8, where they worked to develop the PPI. Meeting summaries of the PPI Committee's preparation of this plan are provided in an appendix at the end of this document.

The PPI Committee:

The PPI Committee includes 6 County Government Employees and 6 non-local government representatives from the public and private sector.

Paula Marrone-Reese, Chair, JCHSEM Steering Committee Volunteer, CEO for Good Shepherds Inter-Faith Caregivers.

Stephen Allen, Director, JCHSEM Staff and Chair of the Local Emergency Planning Committee

Dick Myers, Deputy Director/Planner/Program Manager, JCHSEM Staff

Currently VACANT Position, Public Information Officer, Administrative Assistant, and Volunteer Coordinator, JCHSEM Staff

Teresa McCabe, WVU Medical Center-Jefferson Medical Center

Jesse Hott, American Red Cross

Mason Carter, CFM, Jefferson County Engineering Department-Floodplain Manager and Enforcement Officer

D.J. Derringer, Wal-Mart

Michele Goldman, Community Volunteer

Hans Fogle, Public Information Officer, Jefferson County Schools

Jeffrey Polczynski, Jefferson County Emergency Communications

Jane Tabb, Jefferson County Commission

Annual Partnership Meeting held at Hollywood Casino, Jan. 2016

Community Needs Assessment

Because several of the members of this committee also served on the Risk Assessment and Mitigation Planning Committee that worked on the 2018 Multi-Jurisdictional Hazard Mitigation Plan, it is using the assessments from that document, with additional information as identified during the development of this plan.

Jefferson County

Jefferson County is one (1) of 55 counties in the State of West Virginia and is located in the midst of the Blue Ridge and Appalachian Mountains in the eastern-most portion of the state's eastern panhandle. It is bordered on the north by the Potomac River and Washington County, MD; on the east by the Potomac and Shenandoah Rivers and Loudoun County, VA; on the south by Clarke County, VA; and on the west by Opequon Creek and Berkeley County, WV. Jefferson County was created by an act of the Virginia General Assembly on January 8, 1801 from parts of Berkeley County. It was named in honor of Thomas Jefferson, who was then President-elect of the United States, the author of the Declaration of Independence and one of America's greatest statesmen. The county contains five (5) incorporated municipalities including the Towns of Bolivar and Harpers Ferry, the Corporation of Shepherdstown, and the Cities of Ranson and Charles Town, which functions as the county seat with a population of 5,259. Jefferson County has a total population of 53,498 (U.S. Census, 2010). The county including the municipalities has a land area of 212 square miles and varies in elevation from a low of 247 feet above sea level at Harpers Ferry to a high of 1,553 feet east of Shannondale. Metropolitan cities located within close proximity to Jefferson County include Washington, DC (58 miles); and Baltimore, MD (67 miles).

Located at the confluence of the Potomac and Shenandoah Rivers, Jefferson County is separated into three (3) major drainage divides by the county's rolling topography. The Shenandoah River has a drainage area of 105 square miles at the downstream county boundary, the Potomac River has a drainage area of 62 square miles, and Opequon Creek has a drainage area of 44 square miles. The majority of the streams in the county flow in a northwest-southeast orientation toward either the Opequon Creek or Shenandoah River, and ultimately flow into the lower Potomac River and the Chesapeake Bay. The topography of Jefferson County is characterized by a series of parallel ridges and valleys pierced by occasional water gaps. The county is

comprised of karst topography that indicates dissolution of underlying rocks by surface water or ground water. There are numerous subdivisions on the eastern side of the Shenandoah River – Shannondale, Blue Ridge Acres, Keyes Ferry Acres, River View Park to name a few. There are 3,265 addressable structures in this area of the county. Raven Rocks Subdivision is only accessible from Virginia and has 50 addressable structures located in that section of the county.

According to the U.S. Census (2011) the county has a total area of 212 square miles and the land area of the unincorporated areas in the county is 196 square miles.

Climate

Jefferson County has a continental-type climate, predominantly influenced by air from the west. There is considerable variation in seasonal temperatures, with none of the temperatures being considered severe. The climate of Jefferson County is seasonal in nature, with warm summers, cold winters, stormy springs and mild fall seasons. The average temperature in January is 29°F, the July average temperature is 73°F, creating a mean average temperature of 51°F. Precipitation is evenly distributed throughout the year, with an annual average of approximately 37 inches. Data from the Sterling, Virginia National Weather Service (NWS) Office indicate that the area experiences approximately 25-30 inches of snowfall per year, usually during the December to March winter season, and relative humidity ranges between 53 percent (53%) and 78% daily.

Population Trends

Demographic information is an integral part of community and mitigation planning. According to the Federal Emergency Management Agency's (FEMA) Risk, Hazard and Value Evaluation, "an awareness of changes in population projections help decision makers anticipate needs before they arise." Jefferson County's population continues to grow primarily due to the county's close proximity to the Washington D.C. Metro Area. Many of the towns in the county are considered bedroom communities for the greater Washington, D.C. area. Jefferson County's population growth is represented in Figure 1.1 above. According to 2020 population data from the U.S. Census Bureau, Jefferson County has a population of approximately 57,701, which is a significant increase from 1970. Census figures also indicate that there are 23,762 housing units in Jefferson County. Housing units include both traditional houses and apartments. The county has an average of 2.65 persons per household. Further, the county's Median Household Income (MHI) is listed at \$82,551. "Jefferson County's population grew slowly in the early part of the 20th century increasing from approximately 16,000 people to 21,280 over the fifty-year period ending in 1970. The county's population increased dramatically throughout the 1970s, growing by 42.4 percent (42.4%) from 21,280 to 30,300 in 1980. While no other decade has since equaled that amount of growth, the county's population continued to increase rapidly throughout the 1980s and 1990s. The population growth rate was 18.56% from 1980 to 1990 and 17.4% from 1990 to 2000. The population totals at the end of those periods were 35,926 and 42,190 respectively. Since 1920, the average population growth has been around 3,776 people per decade." (Jefferson County Comprehensive Plan, 2012) Population projections for Jefferson County are based on information obtained from West Virginia University (WVU) – College of Business and Economics, Bureau of Business and Economic Research (2012). This source predicts the following populations:

Jefferson County Population Projections
Year Percent Increase over Year
2010 Population
Population Projections
2020 7.9% increase 58,009

2025 20.24% increase 67,075

2030 24.87% increase 71,208

"As all communities exist within a larger network of influences, Jefferson County is noticeably affected by regional influences. Although it has been decades since Jefferson County was relatively independent from the effects of the larger Washington D.C. metropolitan influences, with each decade that passes, the county becomes more intertwined into the ever growing Washington D.C. cosmopolitan environment. The easier it becomes to travel into the urban core and the more quality pay careers come to Jefferson County and surrounding communities just to the east of Jefferson County.

More information about Jefferson County's Flood Risk and Threat of Flooding, including Flood Profiles and mapping, can be found in Section 2.2.4 of the Jefferson County Risk Assessment and Mitigation Plan. A-1-92 through A 1-129.

Dam Failure Profiles, including mapping are listed in the Jefferson County All Hazards Risk Assessment and Mitigation Plan in Appendix of that plan, pages A 1-2 through A 1-30.

For the purposes of the Hazard Risk Assessment (HRA) and this Program for Public Information (PPI), it is assumed that Jefferson County has a moderate to high flooding risk. The risk of flooding is targeted to several different areas within the county. Identification of floodplain areas within the county and its municipalities is based on Flood Insurance Rate Map (FIRM) data produced by the National Flood Insurance Program (NFIP).

Flood Policy Information:

Jefferson County has 140 flood insurance policies in its jurisdictional special flood hazard area. There is much work to be done on promoting flood insurance within our SFHA.

Flood Hazard Conclusions:

Throughout the years, progress has been made in protecting the lives and property of Jefferson County's citizens and visitors from flooding, but much work remains to be done to make Jefferson County flood-safe. In addition to other activities, Jefferson County is a Storm Ready Community, a Project Impact Community, a Citizen Corps Community, and a Resilient Neighbors Network County. It is important that citizens of Jefferson County avoid being lulled into a false sense of security that could make them vulnerable to unexpected tragedy.

Target Audiences

Target Audience #1 Floodplain residents and businesses. Residents and businesses in Jefferson County's floodplains need to be aware of the flood hazard, flood insurance, and ways they can protect themselves from flooding.

Target Audience #2 Critical Infrastructure located in floodplains

Target Audience #3 Repetitive loss area residents and businesses. Properties in these areas have been hit more often by flooding, so they have a greater need for flood protection information. Jefferson County has 20 repetitive loss properties, and Structures within the repetitive loss area.

Target Audience #4 Residents of areas subject to flooding if an upstream dam fails

Target Audience #5 Residents of the County who are interesting in becoming volunteer Skywarn StormSpotters.

Target Audience #6 Spanish speaking residents. According to the most recent census, 4.7% of Jefferson County speaks Spanish as either a first or a second language. Committee members reported that Spanish speaking residents appear to be less aware about flood insurance and flood preparedness and that most of the explanatory materials available are in English.

Target Audience #7 Real estate, lending, and insurance companies: These companies are key to conveying information about flood hazards and flood insurance. The PPI Committee wants to make sure that they understand and have all the information they need about these topics.

Target Audience #8 Children Ages Pre-School to 18.

Target Audience #9 Vulnerable Populations, including Senior Citizens

Target Audience #10 Churches/Faith-based Groups

Target Audience #11 Tourists/Visitors to the area

Public Information Efforts

Note that some of the stakeholder organizations listed may be used for future public outreach endeavors identified by the PPI Committee over the coming year.

- American Red Cross pillow case project, website with preparedness information
- Blue Ridge Watershed Group booth at the Jefferson County Fair about Natural and Beneficial Functions of Floodplains
- Boy Scouts do the Backpacks for the Homeless for WATTS Program
- Charles Town Library-Provides space for books and information about flooding
- County Cable TV Channel 17 runs flooding messages when the PIO develops a power point slide and sends it to them.
- Fire Departments-Presentations and booth on public safety, fire and disaster preparedness by their public education volunteers.
- Jefferson County Chamber of Commerce-Sends out information to businesses about flood protection and allows us to put business continuity program information in their office. A representative of the Jefferson County Chamber of Commerce has served as the Chair of the Jefferson County Homeland Security and Emergency Management Steering Committee for 14 years,

- Jefferson County Health Department- provides public information on water safety, disease control, mold, lime use, vaccines before, during, and after flooding.
- Jefferson County Office of Homeland Security and Emergency Management holds disaster exercises with stakeholders on multi-hazard topics, including Flood, hosts Stormspotter Classes with the National Weather Service; Newspaper, TV, and radio interviews about disaster preparedness; holds Lunch-N-Learn activities at municipal staff lunches, businesses, and other venues; participates in PrepareAthon, Exhibit at fairs and festivals; holds training for Business Continuity Planning; teaches the Boy Scout Preparedness Badge presentation; Sends out NIXLE Alerts for all types of weather watches, warnings, advisories; Sends letters to residents that live in or near a floodplain and to areas of repetitive losses from flooding; Participates in the CRS of the NFIP program; Participates in the StormReady Program; works with the Charles Town Library to maintain information about flooding; Maintains a library at the JCHSEM office on topics of flooding, and other disasters; does the Disaster Ready Kids Program, which includes books, such as Miss Twiggley's Tree, I'll Know What to Do, and others that teach age-appropriate information to children about flood safety and disaster risk reduction; maintains an Facebook and Twitter Site to send out a wide variety of safety and disaster risk reduction information. Send letters to floodplain residents, repetitive loss properties, and repetitive loss areas regarding flooding information.
- Jefferson County Local Emergency Planning Committee-Booth at the Jefferson County Fair with Flood Information
- Jefferson County Planning, Zoning, and Engineering Office-Provides information about floodplain delineations, letters to mortgage companies, insurance agents and realtors
- Jefferson County Schools operates Comcast Channel 18. They put up flood alerts, watches, warnings, advisories, emergencies, and information about how to contact the EOC, where shelters and commodity distribution sites are, evacuation routes, and how to call for transportation from an evacuation area if you need it. The BOE sends out Emergency Alerts by telephone to student's parents.
- Jefferson County Sheriff's Department-assists with warnings and evacuation of transient populations along the rivers
- National Weather Service-Hydrology Partners Group; Teaches Skywarn StormSpotters classes on Basic, Flooding, Snowstorm; and helps us with the StormReady Community Program, and Turn Around, Don't Drown Program, sends out watches, warnings, advisories, emergency alerts, and maintains an Emergency Manager website page.
- Nurture Nature Center-Holding a Flood Focus Group to learn how people in the floodplains of Jefferson County use the products from the National Weather Service to make solid decisions related to flooding
- Print and Broadcast Media-Writes articles and stories and op-ed pieces as a part of outreach projects and before, during and after flooding events. The JCOHSEM PIO has developed and maintains the list of media for the area.
- Region 9 Planning and Development Council-Works on projects such as Storm Water Management, the Chesapeake Bay activity, and Source Water Protection Plans, Encourages municipalities to become involved in CRS, Participates in Tree Planting activities on Open Space.
- Salvation Army-presentations on disasters, works on outreach to the transient populations.

- USGS provides a website that uses gauges to forecast flood heights during storms and also has information about flooding history along the rivers.
- West Virginia Extension Service-Provides research-based education on agriculture and natural resources.
- WV211-Provides preparedness information to those who call them.

Inclusion of significant outreach activities subject to CRS:

Activity #320: Publicity of Map Information Service provided by County. See under Projects and Initiatives/Outreach Projects tables.

Activity #320: In addition to Outreach Projects, this activity includes Flood Response during and after a flood. See Flood Response Projects Table.

Activity #350: Floodplain Information (Flood Protection and Safety) provided on the Jefferson County Website <http://www.jeffersoncountywv.org/county-government/departments/homeland-security-and-emergency-management/floodplain-information> See under Outreach Projects table. The website will be reviewed monthly to ensure that all PPI messages are included, all links work, and all information is still valuable and pertinent.

Activity #360: Flood Protection Advice and Assistance, including after a site visit, offered through Jefferson County Engineering. The staff designated to provide this one-on-one assistance to homeowners are familiar with structural/non-structural flood protection and mitigation measures including flood insurance.

Activity #610 Flood Warning and Response. Information on flood warning and response, is included in Outreach Projects for Messages A-F, and are especially included in the Jefferson County website.

Messages and Desired Outcomes:

Message	Outcome	CRS Priority Topics
A. Know your risk of flooding	More requests for flood information and/or elevation certificates	1. Know your flood hazard
B. What are your options if you live in a repetitive loss property?	More requests for information on options for repetitive loss properties	1. Know your flood hazard
C. You Need Flood Insurance!	Increase in the number of flood insurance policies	2. Insure your property for your flood hazard.
D. Turn Around, Don't Drown	Fewer deaths due to drowning, or reports of water rescues or fire responses for drivers that drive through standing water or ignore barricades	3. Protect people from the hazard
E. You can protect your property from flooding	More requests for information on flood-resistant construction and rehabilitation.	4. Protect your property from the hazard
F. Get a building permit.	Fewer floodplain violations	5. Build responsibly
G. Only rain goes down the drain!	Increase in water quality in watershed.	6. Protect Natural floodplain functions.
H. Everyone should have a family disaster plan, communications plan, and emergency supply kit that includes your pets	More residents have family disaster plans and emergency supply kits.	<i>PPI Additional Topic:</i> 7. General Preparedness

<p>I. Every Business Needs a Disaster Plan!</p>	<p>More businesses report they have developed an emergency and business continuity plan after training.</p>	<p><i>PPI Additional Topic:</i> 8. Business Preparedness</p>
<p>J. Disaster Ready Kids</p>	<p>Kids are empowered to take action with their parents from power outages and emergencies.</p>	<p><i>PPI 9. Additional Topic:</i> Kids Preparedness</p>

Jefferson County Fair Booth

Fair Booth

Ranson Hispanic Festival

PPI Projects and Initiatives

Please see the table below for identified outreach projects to be implemented each year, as well as flood response projects to be implemented during and after a flood.

Outreach Projects

OP 1: Annual Notification Mailing to SFHA property owners

OP 2: Put flood information into the Charles Town Library.

OP 3: Brochures and Materials -Handouts on flood insurance, ICC, the National Flood Insurance Program, Protecting your home before, during, and after a flood used for outreach events.

OP 4: Social Media Outreach (Facebook Page and Twitter) with Floodplain Information, Weather Watches and Warnings and general information.

OP 5: Booth at the Jefferson County Fair with outreach materials

OP 6: Booth at Bark in the Park, Jefferson County Humane Society with outreach materials

OP 7: Floodplain Information on the County Website

OP 8: Business Continuity Training-Every Business Needs a Plan!

OP 9: Annual Notification Mailing to Repetitive Loss Property Owners/Repetitive Loss Areas

OP 10: Provide Skywarn Stormspotter Training to residents with National Weather Service

OP 11: Booth at the Ranson Hispanic Cultural Festival providing handouts in Spanish and English

OP 12: Annual Notification Mailing to Real Estate Agents, Mortgage Companies, and Real Estate Agents about services provided by the Engineering Office on floodplain delineations, availability of Elevation Certificates, and other inquiry information.

OP 13: Annual Mailing to Daycare Centers and Schools about the Disaster Ready Kids Program and the availability for our volunteers and staff to do presentations at the schools with age-appropriate materials.

OP 14 Presentations to various senior citizen groups (Jefferson County Council on Aging, the AARP, Harpers Ferry Women's Club), on Senior Disaster Preparedness and Preparedness for individuals with special needs.

OP 15 Blurbs for Church Bulletins

OP 16 Blurbs for Council on Aging Newsletter

OP 17 Monthly JCHSEM Newsletter sent out to over 1,000 email addresses and on County JCHSEM Website, as well as Facebook page.

OP 18 Media releases (Press inquiries, Broadcast Media, Commercials, Public Service Announcements, and Interviews)

OP 19 Public Information Officer Media Day

OP 20 Participation in WV Severe Weather and Flood Awareness Week Activities

OP 21 Send out NWS Watches, Warnings, Advisories, and Emergencies using NIXLE. Also use NIXLE to send out information about where shelters are set up and commodities are being given out after a storm.

Other items under Outreach Projects

The following items, although not outreach projects, are included as part of our PPI and are to be promoted as a resource in the above outreach projects:

Flood Protection Advice and Assistance

Map Information Service

Website

Flood Response Projects

All year, brochures and other printed material advising residents of flood response activities are available in several locations. In anticipation of an event, during an event, and after an event, press releases, PSA's, and other pre-scripted messages will be disseminated to the County's website, media outlets, on social media, NIXLE and other emergency alert systems.

FRP 1 Media releases (Press inquiries, Broadcast Media, Commercials, Public Service Announcements, and Interviews)

FRP 2 Social Media outreach

FRP 3 Use of NIXLE and other Emergency Alert systems

Target Audience	Message (s)	Outcome	Project (s)	Assignment	Schedule/ Description	Stakeholder
1 Floodplain residents and businesses	A-I	A-I	OP1 Send letter annually about risk and the need to purchase flood insurance.	JCHSEM	Annually Letters describing the risk from flooding and the need to purchase flood insurance.

JCHSEM PIO, Brandon Vallee, being interviewed at a local radio station.

Follow Up:

The JCHSEM staff will monitor submitted information on projects and initiatives as they are developed and implemented, including input from employees and stakeholders participating in the activities. That information will be share with committee members via email or at scheduled committee meetings.

The Public Awareness, Education, and Training Committee (also serves as the PPI Committee) will meet at least twice each year to review implementation of these projects and initiatives. At that time, the status of the projects will be explained and progress toward the outcomes will be discussed. The Committee may make recommendations for projects to be changed, discontinued, or added to.

At least once a year, staff will draft an update to the table of target audiences and send it to the Committee members. The Committee will meet and review the outcomes of each individual activity to change, add, or approve them. The Messages and Desired Outcomes table will be revised. The outcomes and revisions will be submitted as part of the County's annual recertification package for CRS, and a written report will be submitted to the Committee and the County Commission.

Adoption:

This PPI has been approved by the Jefferson County Homeland Security and Emergency Management's Public Awareness, Education and Training Committee (also serving as the PPI Committee), and the Jefferson County Commission.

Appendix A: PPI Committee Meeting Minutes and Sign In Sheets

Appendix B: Glossary of Terms & Acronyms

Activity- A floodplain management activity for which Community Rating System credit has been established.

American Red Cross (ARC)- The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. Mission areas are: Disaster Services, Blood Services, Training and Certification, Military Services, and International Services.

Certified Floodplain Manager (CFM)- The Association of State Floodplain Managers (ASFPM) has established a national program for certifying floodplain managers. This program recognizes continuing education and professional development that enhances the knowledge and performance of local, state, federal, and private-sector floodplain management professionals.

Community Rating System (CRS)-A National Flood Insurance Program (NFIP) that provides incentives for NFIP communities to complete activities that reduce flood hazard risk. When the community completes specified activities, the insurance premiums of policyholders in these communities are reduced.

CRS Classification-A rating of a community's floodplain management program according to the CRS Coordinator's Manual. The premium rate credits for each class are listed in Table 110-1. A community that has not applied for a CRS classification is a Class 10 Community.

Consequences- The damages, injuries, and loss of life, property, environmental, and business that can be quantified by some unit of measure, often in economic or financial terms.

Critical Infrastructure-There are 16 critical infrastructure sectors whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or destruction would have a debilitating effect on security, national economic security, national public health or safety, or any combination thereof. These are: Chemical Sector, Commercial Facilities Sector, Communications Sector, Critical Manufacturing Sector, Dams Sector, Defense Industrial Base Sector, Emergency Services Sector, Energy Sector, Financial Sector, Agriculture and Food Sector, Government Facilities Sector, Health and Public Health Sector, Information Technology Sector, Nuclear Sector, Transportation Sector, and the Water and Wastewater Sector.

Federal Emergency Management Agency (FEMA)-The independent agency created in 1978 to provide a single point of accountability for all Federal activities related to disaster mitigation and emergency preparedness, response, and recovery.

Flash Flood-A flood event occurring with little or no warning where water levels rise at an extremely fast rate.

Flood-A general and temporary condition of partial or complete inundation of normally dry land areas from (1) the overflow of inland or tidal waters, (2) the unusual and rapid accumulation or runoff of surface waters from any source, or (3) mudflows or the sudden collapse of shoreline land.

Flood Hazard Area-The area shown to be inundated by a flood of a given magnitude on a map.

Flood Insurance Rate Map (FIRM)-Map of a community, prepared by the Federal Emergency Management Agency, which shows both the special flood hazard areas and the risk premium zones applicable to the community.

Flood Mitigation Assistance Program (FMA)-A planning and project implementation grant program funded by the National Flood Insurance Program. Provides pre-disaster grants to State and local governments for both planning and implementation of mitigation strategies. Grant funds are made available from NFIP insurance premiums, and therefore are only available to communities participating in the NFIP.

Floodplain-Any land area, including watercourse, susceptible to partial or complete inundation by water from any source.

Floodway-A "Regulatory Floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than a designated height. Communities must regulate development in these floodways to ensure that there are no increases in upstream flood elevations. For streams and other watercourses where FEMA has provided Base Flood Elevations (BFEs), but no floodway has been designated, the community must review floodplain development on a case-by-case basis to ensure that increases in water surface elevations do not occur, or identify the need to adopt a floodway if adequate information is available.

Flood Response Preparations (FRP)-FRP credits developing a pre-flood plan for public information projects that will be implemented during and after a flood. An FRP package is a collection of outreach projects prepared in advance, but not delivered until a flood occurs.

Frequency-A measure of how often events of a particular magnitude are expected to occur. Frequency describes how often a hazard of a specific magnitude, duration, and/or extent typically occurs, on average. Statistically, a hazard with a 100-year recurrence interval is expected to occur once every 100 years on average, and would have a 1 percent chance—its probability—of happening in any given year. The reliability of this information varies depending on the kind of hazard being considered.

Hazard-A source of potential danger or adverse condition. An event or physical condition that has the potential to cause fatalities, injuries, property and infrastructure damage, agricultural loss, damage to the environment, interruption of business, or other types of harm or loss. Hazards, as defined in this study, will include naturally occurring events such as floods, dam failures, tornadoes, high winds, hailstorms, lightning, winter storms, extreme heat, drought, expansive soils, urban fires, wildfires that strike populated areas, and earthquakes. A natural event is a hazard when it has the potential to harm people or property.

Hazard Event-A specific occurrence of a particular type of hazard.

Hazard Identification-The process of defining and describing a hazard, including its physical characteristics, magnitude and severity, probability and frequency, causative factors, and locations or areas affected.

Hazard Mitigation Plan-The plan resulting from a systematic evaluation of the nature and extent of vulnerability to the effects of natural hazards present in society that includes the actions needed to minimize future vulnerability of hazards. Section 409 of the Stafford Act requires the identification and evaluation of mitigation opportunities, and that all repairs be made to applicable codes and standards, as condition for receiving Federal disaster assistance. Enacted to encourage identification and mitigation of hazards at all levels of government. (Note that Jefferson County plan is called the Risk Assessment and Hazard Mitigation Plan.)

Local Emergency Planning Committee (LEPC)- A community-based organizations that assist in preparing for emergencies, particularly those concerning hazardous materials. ... The LEPC membership must include (at a minimum): Elected state and local officials. Police, fire, emergency management, and public health professionals.

Low-impact development (LID)-According to the U.S. Environmental Protection Agency, "an approach to land development (or re-development) that works with nature to manage storm water as close to its source as possible and treat storm water as a resource rather than a waste product. LID practices include bio-retention facilities, rain gardens, vegetated rooftops, rain barrels, and permeable pavements. Applied on a broad scale, LID can maintain or restore a watershed's hydrologic and ecological functions."
(www.epa.gov/owow/NPS/lid)

Messages-Messages are specific statements or directions that the community considers important for its audiences. For CRS credit, the messages are based on one or more of six priority floodplain management topics. Communities that have developed a PPI may add up to four additional topics of their own that are particularly pertinent to their communities.

National Flood Insurance Program (NFIP)-A federal program created by Congress in 1968 that provides the availability of flood insurance to communities in exchange for the adoption and enforcement of a minimum floodplain management ordinance specified in 44 CFR 60.3. The ordinance regulates new and substantially damaged or improved development in identified flood hazard areas.

Natural floodplain functions-The functions associated with the natural or relatively undisturbed floodplain that moderate flooding, retain flood waters, reduce erosion and sedimentation, and mitigate the effects of waves and storm surges from storms; and b. Other significant beneficial functions, which include maintenance of water quality, recharge of ground water, and provision of fish and wildlife habitat.

Outcomes-For each message, the PPI Committee is to determine what outcomes it would like to see. Outcomes are changes in behavior. To the extent possible, outcomes need to be objective, developing a plan for contingencies, and practicing the plan.

Outreach Projects (OP)- Public Information/Activities to get people to act, i.e., to take flood protection steps, such as buying flood insurance, developing a family emergency plan, retrofitting a building, or complying with floodplain management regulations.

Preparedness-Activities to ensure that people are ready for a disaster and respond to it effectively. Preparedness requires figuring out what will be done if essential services break down, developing a plan for contingencies, and practicing the plan.

Probability-A statistical measure of the likelihood that a hazard event will occur.

PPI Committee-The community's PPI must be developed be a committee of people from both inside and outside the local government. The number of participants and their identities is determined by the community, but the committee must:

- Comprise at least five people,
- Include one or more representatives from the community's floodplain management office,
- Include one or more representatives from the community's public information office, if there is one, and
- Have at least half of its members from outside the local government.

Program for Public Information (PPI)-The PPI is an ongoing public information effort to design and transmit the messages that the community determines are most important to its flood safety and the protection of its floodplains' natural functions.

Repetitive Loss Property-A property that is currently insured for which two or more National Flood Insurance Program losses (occurring more than ten days apart) of at least \$1,000 each have been paid within any 10-year period since 1978. While Repetitive Loss Properties constitute only 2% of insured properties, they account for 40% of flood damage claims against the NFIP.

Retrofitting-Modifications to a building or other structure to reduce its susceptibility to damage by a hazard.

Risk-The estimated impact that a hazard would have on people, services, facilities, and structures in a community; the likelihood of a hazard event resulting in an adverse condition that causes injury or damage. Risk is often expressed in relative terms such as high, moderate, or low likelihood of sustaining damage above a particular threshold due to a specific type of hazard event. It also can be expressed in terms of potential monetary losses associated with the intensity of the hazard.

Risk Assessment-A process or method for evaluating risk associated with a specific hazard and defined in terms of probability and frequency of occurrence, magnitude and severity, exposure and consequences. Also defined as : "The process of measuring the potential loss of life, personal property, housing, public facilities, equipment, and infrastructure; lost jobs, business earnings, and lost revenues, as well as indirect losses caused by interruption of business and production; and public cost of planning, preparedness, mitigation, response, and recovery.

Special Flood Hazard Area (SFHA)-An area within a floodplain having a 1 percent or greater chance of flood occurrence in any given year (100-year floodplain); represented on a Flood Insurance Rate Maps by darkly shaded areas with zone designations that include the letter "A" or "V".

Stafford Act-The Robert T. Stafford Disaster Relief and Emergency Assistance Act, PL 100-107 was signed into law November 23, 1988 and amended the Disaster Relief Act of 1974, PL 93-288. The Stafford Act is the statutory authority for most Federal disaster response activities, especially as they pertain to FEMA and its programs.

Stakeholder Delivery (STK)-Since most messages tend to come from the local government, extra CRS credit is provided for messages that are clearly from stakeholders-someone or some group concerned with the community, but not a part of local government.

Stakeholders-Floodplain residents, business leaders, insurance agents, civic groups, academia, non-profit organizations, major employers, managers of critical facilities, farmers, landowners, developers, and others who are affected by flooding or whose actions can help prevent or reduce flood losses.

Stormwater Management-Efforts to reduce the impact of stormwater or snowmelt runoff on flooding and water quality.

Substantial Damage-Damage of any origin sustained by a structure in a Special Flood Hazard Area whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50 percent of the market value of the structure before the damage.

Target Area-Target areas are neighborhoods, districts, or other areas of the community with similar flooding, building, and population characteristics.

Target Audience-A target audience is a group of people who need information on flood related topics.

Vulnerability-Describes how exposed or susceptible to damage an asset is. Vulnerability depends on an asset's construction, contents, and the economic value of its functions. Like indirect damages, the vulnerability of one element of the community is often related to the vulnerability of another. For example, many businesses depend on uninterrupted electrical power-if an electric substation is flooded, it will affect not only the substation itself, but a number of businesses as well. Often, indirect effects can be much more widespread and damaging than direct ones.

Zone-A geographical area shown on a Flood Insurance Rate Map (FIRM) that reflects the severity or type of flooding in an area.

Jefferson County Representatives receiving the 2016 StormReady Designation Letter and Certificate from the National Weather Service-Baltimore Washington Area; Sterling, VA Office. Pictured are: Chris Cross and Jeff Polczynski, Jefferson County Emergency Communications Center; Larry Willingham and Dr. Sheri Hoff, Jefferson County Schools; Barbara Miller, CEM; CFM, Jefferson County Homeland Security and Emergency Management; County Commissioner, Jane Tabb; County Commission President, Patricia Noland, and Chris Strong from the National Weather Service. Jefferson County has been a StormReady Community since 2004.

National Flood Insurance Program
Community Rating System

A Local Official's Guide to
Saving Lives, Preventing Property Damage, and
Reducing the Cost of Flood Insurance

FEMA B 573 / 2018

FEMA

The Community Rating System Works

Every year, flooding causes hundreds of millions of dollars' worth of damage to homes and businesses around the country. Standard homeowners and commercial property insurance policies do not cover flood losses. To meet the need for this vital coverage, the Federal Emergency Management Agency (FEMA) administers the National Flood Insurance Program (NFIP).

The NFIP offers reasonably priced flood insurance to all properties in communities that comply with minimum standards for floodplain management.

The NFIP's Community Rating System (CRS) credits community efforts beyond those minimum standards by reducing flood insurance premiums for the community's property owners. The CRS is similar to—but separate from—the private insurance industry's programs that grade communities on the effectiveness of their fire suppression and building code enforcement efforts.

CRS discounts on flood insurance premiums range from 5% up to 45% (see Table 1), based on CRS credit points that are awarded to

communities. The discounts provide an incentive for communities to implement new flood protection activities that can help save lives and property when a flood occurs.

The CRS provides credit under 19 public information and floodplain management activities described in the *CRS Coordinator's Manual*.

You're probably already doing many of these activities. To get credit, community officials will need to prepare documentation that verifies these efforts.

The CRS assigns credit points for each activity. Table 2 lists the activities and the possible number of credit points for each one. The table also shows the average number of credit points communities earn for each activity. These averages may give you a better indication than the maximums of what your community can expect.

To be eligible for a CRS discount, your community must do Activity 310, Elevation Certificates. If you're a designated repetitive loss community, you must also do Activity 510, Floodplain Management Planning. All other activities are optional.

Based on the total number of points your community earns, the CRS assigns you to one of ten classes. Your discount on flood insurance premiums is based on your class.

For example, if your community earns 4,500 points or more, it qualifies for Class 1, and property owners in the in the Special Flood Hazard Area (SFHA) get a 45% discount on their insurance

premiums. If your community earns as little as 500 points, it's in Class 9, and property owners in the SFHA get a 5% discount. If a community does not apply or fails to receive at least 500 points, it's in Class 10, and property owners get no discount.

Table 1, below, shows the number of points required for each class and the corresponding discount.

Table 1.
How much discount property owners in your community can get

Rate Class	Discount for SFHA*	Discount for Non-SFHA**	Credit Points Required
1	45%	10%	4,500 +
2	40%	10%	4,000–4,499
3	35%	10%	3,500–3,999
4	30%	10%	3,500–3,499
5	25%	10%	3,000–2,999
6	20%	10%	2,500–2,499
7	15%	5%	1,500–1,999
8	10%	5%	1,000–1,499
9	5%	5%	500–999
10	0	0	0–499

* Special Flood Hazard Area

** Preferred Risk Policies are available only in B, C, and X Zones for properties that are shown to have a minimal risk of flood damage. The Preferred Risk Policy does not receive premium rate credits under the CRS because it already has a lower premium than other policies. Although they are in SFHAs, Zones AR and A99 are limited to a 5% discount. Premium reductions are subject to change.

Table 2.

What You Can Do to Get Credit

The CRS grants credit for 19 different activities that fall into four series:

Series 300	Public Information	Maximum Points*	Average Points *	
	<p>This series credits programs that advise people about the flood hazard, flood insurance, and ways to reduce flood damage. The activities also provide data insurance agents need for accurate flood insurance rating.</p>			
310	<p>Elevation Certificates</p> <ul style="list-style-type: none"> Maintain FEMA elevation certificates for new construction in the floodplain. (At a minimum, a community must maintain certificates for buildings built after the date of its CRS application.) 	116	38	
320	<p>Map Information Service</p> <ul style="list-style-type: none"> Provide Flood Insurance Rate Map information to those who inquire, and publicize this service. 	90	73	
330	<p>Outreach Projects</p> <ul style="list-style-type: none"> Distribute outreach projects with messages about flood hazards, flood insurance, flood protection measures, and/or the natural and beneficial functions of floodplains. 	350	87	
340	<p>Hazard Disclosure</p> <ul style="list-style-type: none"> Real estate agents advise potential purchasers of flood-prone property about the flood hazard. Regulations require notice of the hazard. 	80	14	
350	<p>Flood Protection Information</p> <ul style="list-style-type: none"> The public library and/or community's website maintains references on flood insurance and flood protection. 	125	38	
360	<p>Flood Protection Assistance</p> <ul style="list-style-type: none"> Give inquiring property owners technical advice on how to protect their buildings from flooding, and publicize this service. 	110	55	
370	<p>Flood Insurance Promotion</p> <ul style="list-style-type: none"> Assess flood insurance coverage within the community and implement a plan to promote flood insurance. 	110	39	
Series 300		Total	981	3448

*Maximum and average points are subject to change. See the current *CRS Coordinator's Manual* for the latest information.

Series 400	Mapping & Regulations	Maximum Points*	Average Points *
<p>This series credits programs that limit floodplain development or provide increased protection to new and existing development.</p>			
410	<p>Floodplain Mapping</p> <ul style="list-style-type: none"> • Develop new flood elevations, floodway delineations, wave heights, or other regulatory flood hazard data for an area not mapped in detail by the flood insurance study. • Have a more restrictive mapping standard. 	802	60
420	<p>Open Space Preservation</p> <ul style="list-style-type: none"> • Guarantee that currently open public or private floodplain parcels will be kept free from development. • Zone the floodplain for minimum lot sizes of 5 acres or larger. 	2,020	509
430	<p>Higher Regulatory Standards</p> <ul style="list-style-type: none"> • Limit new buildings and/or fill in the floodplain. • Require freeboard. • Require soil tests or engineered foundations. • Require compensatory storage. • Require coastal construction standards in AE Zones. • Have regulations tailored to protect critical facilities or areas subject to special flood hazards (for example, alluvial fans, ice jams, subsidence, or coastal erosion). 	2,042	270
440	<p>Flood Data Maintenance</p> <ul style="list-style-type: none"> • Keep flood and property data on computer records. • Use better base maps. • Maintain elevation reference marks. 	222	115
450	<p>Stormwater Management</p> <ul style="list-style-type: none"> • Regulate new development throughout the watershed to ensure that post-development runoff is no greater than pre-development runoff. • Regulate new construction to minimize soil erosion and protect or improve water quality. 	755	132
Series 400		Total	5,841
			1,086

Series 500	Flood Damage Reduction	Maximum Points*	Average Points *	
<p>This series credits programs that reduce the flood risk to existing development.</p>				
510	<p>Floodplain Management Planning</p> <ul style="list-style-type: none"> • Prepare, adopt, implement, and update a comprehensive flood hazard mitigation plan using a standard planning process. • Prepare an analysis of the repetitive flood loss areas within the community. <p><i>Note: category C repetitive loss communities must receive credit for either the floodplain management plan or the repetitive loss area analysis, above.</i></p> <ul style="list-style-type: none"> • Prepare, adopt, implement, and update a plan to protect natural functions within the community's floodplain. 	622	175	
520	<p>Acquisition and Relocation</p> <ul style="list-style-type: none"> • Acquire and/or relocate floodprone buildings so that they are out of the floodplain. 	2,250	195	
530	<p>Flood Protection</p> <ul style="list-style-type: none"> • Protect existing floodplain development by floodproofing, elevation, or minor flood control projects. 	1,600	73	
540	<p>Drainage System Maintenance</p> <ul style="list-style-type: none"> • Have a program for and conduct annual inspections of all channels and detention basins; remove debris as needed. 	570	218	
Series 500		Total	5,042	661

Series 600	Flood Preparedness	Maximum Points*	Average Points *
<p>This series credits flood warning, levee safety, and dam safety projects.</p>			
610	<p>Flood Warning and Response</p> <ul style="list-style-type: none"> • Provide early flood warnings to the public, and have a detailed flood response plan keyed to flood crest predictions. 	395	254
620	<p>Levees</p> <ul style="list-style-type: none"> • Annually inspect and maintain existing levees; have a system for recognizing the threat of levee failure and/or overtopping, disseminating warnings, and providing emergency response; and coordinate with operators of critical facilities. 	235	157
630	<p>Dams</p> <ul style="list-style-type: none"> • Have a high-hazard-potential dam that could affect the community; have a system for recognizing the threat of dam failure, disseminating warnings, planning and practicing emergency responses; and coordinating with operators of critical facilities. 	160	35
Series 600		Total	790
All Series		Total	12,654

Additional Credit

Your community can get additional credit for regulating development outside the SFHA to the same standards as development inside the SFHA. There is also credit for assessing future flood conditions, including the impacts of future development, urbanization, and changing weather patterns. See the *CRS Coordinator's Manual* for full details.

Many communities can qualify for what the CRS calls “state-based credit,” based on the activities or regulations a state or regional agency implements within communities. For example, some states have disclosure laws eligible for credit under Activity 340 (Hazard Disclosure). Any community in those states can receive the state-based credit.

Your community may want to consider floodplain management activities not listed in the *CRS Coordinator's Manual*. You should evaluate these activities for their ability to increase public safety, reduce property damage, avoid economic disruption and loss, and protect the environment. In addition, you can request a review of these activities to determine whether they could be eligible for CRS credit. FEMA welcomes innovative ways to prevent or reduce flood damage.

How to Apply

Participation in the CRS is voluntary. If your community is in full compliance with the rules and regulations of the NFIP, you may apply. There's no application fee, and all CRS publications are free.

Your community's chief executive officer (your mayor, city manager, or other top official) must appoint a CRS coordinator to serve as the liaison between the community and FEMA. The coordinator should know the operations of all departments that deal with floodplain management and public information. And the coordinator should be able to speak for the community's chief executive officer.

To begin the application process, your community submits a letter of interest to your FEMA Regional Office and documents that you are implementing floodplain management activities that warrant at least 500 CRS credit points. On the [CRS Resources website](http://www.CRSresources.org) (www.CRSresources.org) you can find a sample letter; the CRS Quick Check, a tool that helps you assess your community's possible credit points; and further instructions.

You may also want to download from that website a copy of the *CRS Coordinator's Manual*, which describes the program in full and provides specific information, including eligible activities, required documentation, and resources for assistance.

Help is also available through the contact information below.

CRS-related materials and many more resources are available at the [CRS Resources website](http://www.fema.gov/national-flood-insurance-program-community-rating-system) and on [FEMA's website](http://www.fema.gov/national-flood-insurance-program-community-rating-system) (<https://www.fema.gov/national-flood-insurance-program-community-rating-system>).

After your community applies for a CRS classification, the CRS will verify the information and arrange for flood insurance premium discounts.

AGENDA REQUEST FORM
www.jeffersoncountywv.org

Name: Michelle Gordon, Finance Director

Department or Organization: **County Commission**

Estimation of amount of time needed for appointment: 15 minutes

Date Requested – 1st Choice: **June 2, 2022**

If a specific date is needed, please provide reason for specific date:

Date Requested – 2nd Choice:

Subject (*Wording to be placed on agenda*):

- Review of FY2022 Budget to Actual as of 4/30/22
- Review and Approval of FY2022 State Budget Revision 6 for the General Fund
- Review and Approval of FY2022 State Budget Revision 4 for the Coal Severance Fund

Please provide the County Commission with a description of your request or presentation, including any background information:

- FY2022 Budget to Actual as of 4/30/22-Attached
- FY2022 State Budget Revision 6 for the General Fund-Attached
- FY2022 State Budget Revision 4 for the Coal Severance Fund

Is this a funding request? Y/N No

If so, how much? \$ NA

Provide exact financial impact/request:

Recommended motion (*Please type out the wording of the motion that you would like the Commission to approve*):

- Motion to accept FY22 State Budget Revision 6 for the General Fund
- Motion to accept FY22 State Budget Revision 4 for the Coal Severance Fund

Attach supporting documents for request, or request may be denied.

If not attached, explain:

Is equipment needed? Projector **Y/N NO** Internet/Wi Fi **Y/N NO** Telephone for conference call **Y/N NO**

Contact information:

Email address:

Phone Number:

FOR COMMISSION STAFF USE ONLY – FINANCIAL IMPACT/RECOMMENDATION

RESOLUTION

At a regular session of the Jefferson County Commission, held on the 2nd Day of June 2022, the following Order was made and entered:

SUBJECT: The revision of the Levy Estimate (Budget) for the County of Jefferson. The following resolution was offered.

RESOLVED: That subject to approval of the State Auditor as ex officio chief inspector of public offices, the Jefferson County Commission does hereby direct that the budget be revised as shown on **Fiscal Year 2022 budget revision number #6 to the General County Fund**, a copy of which is entered as part of this record.

The adoption of the foregoing Resolution having been moved by

_____, and duly seconded by _____
the vote was as follows:

Clare Ath	_____
Jane M. Tabb	_____
Caleb Hudson	_____
Stephen Stolipher	_____
Tricia Jackson	_____

Whereupon, Commissioner **Hudson** declared said Resolution duly adopted, and it is therefore ADJUDGED and ORDERED that said Resolution be, and the same is, hereby adopted as so stated above, and **Caleb Wayne Hudson**, President of the Jefferson County Commission, is authorized to affix his signature to the attached "Request for Revision to Approved Budget" to be sent to the State Auditor for approval.

Caleb Wayne Hudson, President
Jefferson County Commission

AGENDA REQUEST FORM
www.jeffersoncountywv.org

700- insurance
check

Name: Tom Hansen

Department or Organization: Sheriff's Office

Estimation of amount of time needed for appointment: 10 minutes

Date Requested – 1st Choice next meeting

If a specific date is needed, please provide reason for specific date.

Date Requested – 2nd Choice:

Subject (*Wording to be placed on agenda*): ACO Hire
Insurance Check
Vision Zero/SS4A Funding

Please provide the County Commission with a description of your request or presentation, including any background information:

I am requesting approval to fill the vacant Animal Control Officer position (formerly held by Christina Pope) with the hire of Clayton DeHaven. He would be an 80 hour employee with a start date of April 11, 2022 and a starting salary of \$37,750.

I am requesting that insurance checks received as a result of totaled vehicles assigned to a department under the Sheriff's Office be applied to our Auto Supplies line item so that we are able to pay for repairs and/or replacement vehicles. Most recently a 2017 Explorer was totaled and a check was sent to the Commission in the amount of \$22,407.33. I would like to use those funds to purchase a comparable used vehicle.

There is an upcoming grant opportunity with Safe Streets and Roads for All (SS4A) for projects to prevent roadway deaths and serious injuries (Vision Zero). A factsheet is attached to this agenda request. The program can help support the creation of an action plan or can help fund activities identified in an action plan. The notice of funding opportunity is expected to be released in May. The Sheriff's Office has projects that we feel would be worthy of the grant and felt that the County may have projects as well. The questions that need to be addressed are: Is this something the Commission is interested in pursuing? Do you want to start out with funding for an action plan or try to create our own before May to get funding for the projects? Would you like to form a committee of community partners/stakeholders to look more into the topic to determine if creating our own plan before the announcement date is feasible?

Is this a funding request? Y/N
If so, how much? \$
Provide exact financial impact/request:

Recommended motion (*Please type out the wording of the motion that you would like the Commission to approve*):

I move to approve the hire of Clayton DeHaven beginning April 11, 2022 at a starting salary of \$37,750.

I move to provide the addition of insurance funds received for Sheriff's Office employees into their Auto Supplies line item.

I move to form a committee to explore the options of applying for the Safe Streets and Roads for All grant opportunity.

Attach supporting documents for request, or request may be denied.
If not attached, explain:

West Virginia Communities Risk Pool
Member: Jefferson County Commission
Claim Number 0192022012191
Date of Loss 02/23/22

Dear Sgt. Fletcher:

Enclosed please find the WVcorp property damage check in the amount of \$22,407.33 to cover the total loss to the 2017 Ford Explorer, VIN 8399, that was damaged on 02/23/22. This amount was determined by *Property Damage Appraisers* vehicle appraisal with a suggested ACV of \$23,407.33, less the \$1,000 deductible. Please mail the signed title to WVcorp at your earliest convenience.

If you should have any questions regarding this payment, please do not hesitate to contact our office.

Sincerely,

Kelly Alexander

May 25, 2022 &

June 1, 2022

**NOTICE OF PUBLIC HEARING
Thursday, June 9, 2022 at 9:30 AM**

The Jefferson County Commission has scheduled a Public Hearing on the proposed text amendment to the Jefferson County Zoning and Land Development Ordinance, File #ZTA22-01, to allow Solar Energy Facilities to process as a Principal Permitted Use in areas located inside the Urban Growth Boundary and Preferred Growth Area as delineated on the Future Land Use Guide in the County's Comprehensive Plan; and as a Conditional Use in areas outside of the Urban Growth Boundary and Preferred Growth Area. The text amendment proposes revisions to Article 2 Definitions; Article 8 Supplemental Use Regulations (creation of Section 8.20 Solar Energy Facilities); and Appendix C Principal Permitted and Conditional Uses Table.

Oral or written comments can be provided during or prior to the hearing, **Thursday, June 9, 2022 @ 9:30 a.m.** in the Charles Town Library meeting room at 200 E Washington St, accessed at the side entrance on Samuel Street. Information to participate in the virtual meeting option will be provided on the County Commission's meeting agenda. Written comments may be submitted prior to the hearing to info@jeffersoncountywv.org or to PO Box 250, Charles Town, WV 25414.

A copy of the proposed text amendment is available at the Office of Planning & Zoning and on the County's website at: www.jeffersoncountywv.org. If you have any questions, please call the Office of Planning & Zoning at 304-728-3228.

By Order of the Jefferson County Commission
Caleb Hudson, President

Public Comment for Jefferson County Commission meeting May 19, 2022

I, David Tabb, a lifelong resident/taxpayer makes the following comments:

PUBLIC COMMENT –

I am sure the Jefferson County Commission had a sigh of relief on the evening of May 10, 2022. As normal, I don't quit that easily. I am working on several different proposals to be included on the ballot for the Commission's Charles Town seat for the general election. I received a respectable 45% of the Republican votes; that I am not giving up on. I believe there is a sizable amount of Democrats that would like to see me become a Jefferson County Commissioner. Regardless, I will continue to monitor and challenge the Jefferson County Commission and their antics such as: the state auditor that is still waiting for the proper procedures to the current violation of finances under review.

PRESENTATION # 5– Andrew Rosen, Jefferson County Information Technology

This appears to a Home Land Security grant for required cyber security. Paperwork is not clear: is this grant for equipment or software? Who is responsible, if this doesn't work? Who is to be trained to oversee this project? What happens if it doesn't work? If this was required, when was it required? And at whose responsibility? If this grant was already approved by Home Land, then why does the Commission have to approve it also?

PRESENTATION #7 – Michelle Gordon, Finance Consultant WVCORP Insurance and Merit/COLA review

This appears to be, the WVCORP savings of \$166k on insurance. The savings is being requested to be transferred to the employee's Merit/COLA fund. Instead, why doesn't the county take the \$166k and apply it to employee's deductibles; either through a deductible fund or an HSA. This way, the employee does not have to pay more taxes and the county will not be in violation with the State Auditor for transferring money from one account to another.

OLD BUSINESS:

County Administrator Reports:

This seems to be a request for the hiring of a Finance Director and an Executive Assistance with no paperwork to complete the request.

WVDOT/STIP:

Why wasn't the public included in this correspondence/information that requires public review and comments, ending on May 20, 2022.

"The public reserves the right to call out the public officials to follow the required laws to ensure the constitutional rights of the public. The government's order to "stay at home" deprived the public of notice and comments without reimbursement provisions. This is affecting every resident and business owner to be responsible for all losses, including the government."

It is hard to be safe, with the current County Commission.

Have a nice day!
