1. Steve Cox called the meeting to order at 4:00 PM

2. Steve Cox explained the purpose of this Public Hearing

- a. Reason: The possibility of a scoring discrepancy as it relates to recent promotional processes. There is a discrepancy in the Rules and Regulations *Part VII. Promotions Section 7.04 Weight Assigned to Each Criteria. (d) Experience: Time in Service. The total months or partial months (days) of service from the appointment date with JCSO divided by 12.* The example that follows in the Rules and Regulations does not included the 'divided by 12'. This was an administrative error with no malice intended.
- b. Action to be taken: The Civil Service Commission will review the Rules and Regulations, receive or provide any and all evidence, and receive concerns/arguments relating this matter. The Civil Service Commission will then take the appropriate action if it sees fit to act on any discrepancy that is found.
