For camps to run, we must maintain a minimum number of campers needed to run camps. This policy encourages early registration and allows for certain safety standards with the correct number of staff to be met. Camps/programs will be canceled if minimum numbers are not reached.

Lunch - Campers will need to bring their own lunch and beverage to camp every day. Please bring at least one lunch, two snacks and plenty of water or another hydrating beverage. Refrigeration is not available. Water fountains and a water bottle filling station will be available. Small coolers or ice packs are recommended.

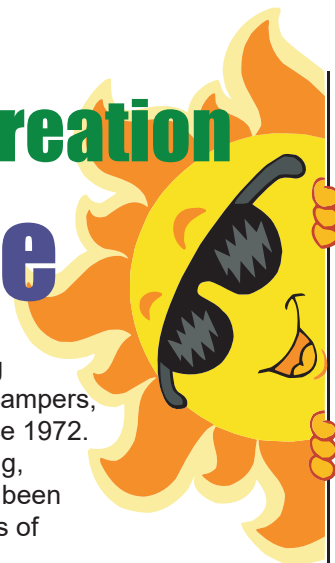

* Please Note: Participants who do not reside in Jefferson County will be subject to a \$5.00 out of county fee for each registration.

Outdoor Adventure

River & Trail Outfitters has been facilitating outdoor adventures for countless scouts, campers, school groups, churches, and families since 1972. The need for kids to have healthy, engaging, and active outdoor experiences has never been greater. We are excited to use our decades of experience to offer kids summer camps!

Our goal with Nature Camps is to provide opportunities for positive experiences with nature, and as an extension of this, have them gain confidence, a sense of connectedness to their natural environment, and develop leadership qualities such as responsibility, confidence, perseverance, resourcefulness, and a positive attitude.

Outdoor Summer Camp Activities & Challenges include: Whitewater Rafting • Climbing Wall with auto belay • River Tubing Teambuilding activities • Inflatable Whitewater Kayaking • Lessons on Water Safety & Preparedness • Survival Hikes • River Quest Field School Canoeing & Kayaking • Biking the C&O Canal • Nature-based art & ecology • Activities & discussion that foster leadership

***This camp is organized and operated by River & Trail Outfitters.**

Drop off and Pick-up takes place at 99 Cary Lu Circle, Unit 108, Harpers Ferry, WV 25425*

Outdoor Adventure Camps Adventure Fun Weeks are specially designed to give your child the opportunity to learn about and enjoy the most exciting outdoor activities that beautiful, Harpers Ferry has to offer, such as white water rafting, tubing, ziplining, climbing in the aerial

adventure park, kayaking, paddle boarding, hiking, and teambuilding. Each week on Friday, we conclude the week with an all day field trip activity that includes either a visit to a water park or lazer tag experience. Your camper will be able to choose from a selection of activities that best suits their interest and skill levels, as well as participate in organized group activities. Our professional, trained counselors will share with your child the most fun-filled, sunsational experiences, providing memories guaranteed to last a life time! Goals for your camper include increasing self confidence, physical fitness awareness, and developing knowledge of recreational sports and safety.

Tennis Lessons

at Jefferson Memorial Park City of Charles Town Parks and Recreation

The City of Charles Town, in conjunction with Jefferson County Parks and Recreation, is pleased to offer another great summer of tennis, led by Coach Jorge Almeyda, who was born in Peru and played collegiate tennis before becoming a USPTA Professional Tennis Instructor. He has spent more than 10 years coaching tennis, leading tennis clinics, and hosting tournaments in the Washington, DC Metropolitan area. Mr. Almeyda works with the First Serve Tennis Academy and continues to coach high level tennis players in UTR, USTA and ITF tournaments.

These small group programs will help your young tennis player improve their skills and take their game to the next level. Programs are offered for various age and skill groups, so you're sure to find the perfect fit for your child.

We are thrilled to announce a special guest who will be joining us at Sam Michaels Park for parts of the summer! Meet Comet, the highly-trained school therapy dog at Jefferson High School. Comet, along with his handler, Mrs. Stacey, works each school day greeting students, making kids smile, and helping to brighten the day of someone having a hard time. Together they will be continuing to share that joy here with us at Parks and Rec as he attends each of Ms. Stacey's summer camps. Be sure to say hi to Comet when you see him here at the park!

Lunch Bunch

Summer Lunch Bunch

Ages 3-16

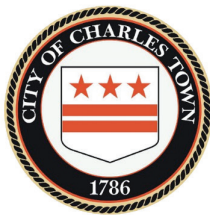

Is your camper registered for a morning half-day camp and an afternoon half-day camp at Sam Michaels Park? Do work or other commitments have you away during the day? Don't want to make the extra trip out to pick up and drop off each day?

LUNCH BUNCH IS THE PROGRAM FOR YOU!

Your camper will be signed out of their morning camp by a JCPRC staff member, who will spend the lunch hour with them and other Lunch Bunchers, then will drop them off and sign them into their afternoon camp program. You'll only need to drop off at 9 and pick up at 4!

Campers must bring a packed lunch each day. This is ONLY for campers registered for BOTH morning and afternoon camps, and is not an early drop-off or extended care program. **LUNCH BUNCH is available at Sam Michaels Park Camps ONLY.**

217 Oak Lee Drive, Suite 3B
Ranson, West Virginia 25438

2025 CODE NINJAS CAMP SUMMARIES

"JUNIORS"

Ages 5-7

JR Trailblazers: Coding + Circuitry

Trailblazers is a hands-on camp where kids explore engineering, circuitry, and coding! They'll create paper circuits, DIY flashlights, and paper computers, code with micro:bit, build a LEGO marble maze, and finish with an interactive board game.

JR Inventors: Creative Engineering

Unleash your child's inner inventor in this fun camp for kids aged 5-7! Campers will explore STEM through hands-on projects, developing engineering and design skills while building confidence and creativity.

JR Explorers: Bits + Bytes

Welcome to JR Explorers, where kids aged 5-7 explore electronics and physical computing! Using micro:bit and Makey Makey, campers will design interfaces, controllers, and sensors, blending hardware and software to bring their creative ideas to life.

JR Gamemakers

Perfect for young game designers, this camp introduces basic coding through fun games like hide-and-seek, clicker games, and mazes. Campers will remix games, design backgrounds, create characters, and explore game design, all while building a strong coding foundation.

"CREATORS"

Ages 7+

Creative Studio: Digital Directors

Lights, Camera, Edit! In this camp, kids become filmmakers, using OBS and CapCut to create game commentary, a 30-second commercial, and a green screen news report. They'll learn key video editing skills, culminating in a final project for the Code Ninjas Film Festival. That's a wrap!

Creative Studio: Stop Motion Magic

Budding filmmakers will explore stop-motion animation using Claymation, LEGO® Minifigures, and paper cutouts. They'll create frame-by-frame videos, including magic tricks, character animations, and a 3-part story, fostering creativity and teamwork.

3D Studio: Creators I

Perfect for creative kids, this camp lets Ninjas design and print custom models using Tinkercad. They'll create fun items like bubble wands and keychains while learning tips, techniques, and best practices for 3D modeling and printing.

Developers: Mobile App Design + Code

Kids will explore app development with MIT App Inventor! They'll craft apps from scratch, master the interface, and test creations on various devices. For the grand finale, they'll design their own custom app using design thinking to bring their ideas to life.

Creative Studio: Digital Game Art

This camp lets Ninjas explore digital creativity by designing assets and user interfaces. They'll create images, animations, and tilemap assets for coding projects, blending art and technology while having fun and making friends!

3D Studio: Creators II

In this action-packed week, Ninjas use TinkerCAD and Blender to explore 3D modeling. From custom trophies to castles and monsters, creativity knows no bounds! They'll gain technical skills, boost problem-solving, and unleash their artistic flair, leaving with a unique collection to showcase in their 3D Dojo.

"MISSIONS"

Ages 8+

Mission: Coder Carnival

At the Coder Carnival, Ninjas use micro:bit microcontrollers and Makey Makey circuit boards to design interactive games with electronics, sensors, and sounds. They'll dive into coding and game design, building skills for the grand finale where they showcase their creations to family and friends.

Mission: Code Your Own Arcade

In this camp, Ninjas use Microsoft MakeCode Arcade to redesign classic arcade games. They'll code platformers and adventure games, then play and share their creations on handheld devices, boosting learning, confidence, and creativity.

AI Academy: Harness the Future

AI Academy empowers Ninjas to explore the world of Artificial Intelligence! Through coding, games, and robotics, campers learn AI fundamentals, create innovative projects, and discover how to use AI to make a positive impact. It's a fun, educational journey to prepare kids for the future.

Mission: LEGO: Python RoboDojo

This camp combines engineering and programming for a hands-on experience. Using LEGO® Education SPIKE™ Prime, campers will build autonomous robots with motors, sensors, and Python code, tackling challenges and boosting creativity!

Mission: Digital Data Defenders

In this cybersecurity camp, kids become Data Defenders, safeguarding virtual data centers from viruses and unraveling suspicious online activity. They'll code antivirus programs, spot phishing scams, and learn the power of strong passwords while having fun with hands-on activities.

Mission: Crack the Code

In this camp, kids explore cryptography, creating and deciphering coded messages like codebreakers. They'll use Microsoft MakeCode Arcade and micro:bit to write encryption programs and craft puzzles. The fun culminates in a collaborative escape room mega-puzzle to share with friends.

"GAMERS"

Ages 8+

Minecraft: Modder Gamers

This camp lets kids transform their Minecraft Java Edition worlds using MCreator to craft custom mods. Ninjas will create elements like ores, blocks, weapons, and even nuclear TNT. They'll also learn to code with MCreator's block language and use Blockbench to bring their modding ideas to life!

Roblox: 3D World Builders

Budding game developers will explore Roblox, designing 3D worlds and learning game-building basics. Ninjas will bring ideas to life, share creations, and build confidence through creativity and collaboration.

Minecraft: Modder Masters

This camp is perfect for Minecraft fans who want to customize their game! Ninjas will design tools, weapons, and enemies, transforming Minecraft into a personal playground. By the end, they'll export their mods using Minecraft Java Edition to impress friends and family.

Roblox: World Creators

Embark on an epic Roblox adventure! Ninjas will program and design their own 3D worlds, transforming imagination into reality. Campers will create unique environments to share with the Roblox community, all while exploring, innovating, and connecting in a fun, engaging setting.

Minecraft: Redstone Realm

This camp dives into Redstone, teaching automation and advanced game design in Minecraft. Campers will automate farming, mining, and create flight simulations, mastering Redstone mechanics to build self-operating systems and elevate their skills, blending creativity with technical prowess.

Roblox: The Next Level

The Next Level camp challenges experienced Roblox creators to elevate their skills! Using Lua, Ninjas will craft a timed, sudden-death game and an interactive obstacle course. They'll collaborate, test, and publish their creations for the global Roblox community. Roblox experience required!

Animal Camps & Classes

Pony Tails and Trails

Ages 4-7

Brought to you by Robin Henry from Equestrian Dynamics, these lessons are designed to introduce young children to ponies and horses. Students will participate in hands-on activities of various equestrian subjects, including basic grooming, care, nutrition, breeds, colors, horse language, and a brief riding lesson. This program allows each child, through both unmounted and mounted exercises, the opportunity to enhance coordination and balance, increase awareness of motor skills, gain confidence, and more while having fun learning. *Limited class sizes, early registration recommended. Classes held at 1573 Gardners Lane, Shepherdstown WV, 25443*

Pony Tails & Trails Summer School, Ages 8-16

Students gain practical experience in mounted and unmounted horsemanship and riding skills, care, nutrition, and equestrian-themed games and activities. Each four-hour session offers different topics so new and/or repeat students are able to participate to grow within their own knowledge base. Bring a snack/lunch and water. (Location:

Equestrian Dynamics- 1573 Gardners Lane, Shepherdstown, WV)

Parks & Facilities

Sam Michaels Park

The entrance to this 130-acre park is located on Job Corps Road, near Harpers Ferry. The private setting of this park offers the perfect place to host weddings, receptions, and reunions and family events. The well shaded Mason Picnic Pavilion offers an adjacent kitchen and restroom facility. The Veterans Memorial Pavilion offers picnic tables, bathrooms and close proximity to the large playground area and Jefferson County Community Center. You will also find The Columns at Sam Michaels, baseball fields, athletic fields, playgrounds, walking and running trails, dog park, disc golf, event space

The AMP at Sam Michaels Park; Jefferson County's newest concert and Festival Venue opened in Spring of 2019. The AMP is home to the Levitt AMP Shenandoah Junction Music Series, as well as a number of other community events including concerts, plays, movies in the park. and more.

Peter Burr Farm

The oldest wood frame structure in West Virginia, Peter Burr Farm is owned and maintained by the Jefferson County Historic Landmarks Commission. They offer events and workshops to the public periodically though out the year. More information can be found at: <http://www.jeffersoncountyhlc.org>

James Hite Park

Our newest 119-acre park that includes a 2-mile walking trail, soccer and and rentable picnic pavilions, and a playground. Future plans include, dog park and softball and football fields.

Bolivar Nature Park

Located on primrose alley, near Harpers Ferry, this 7-acre park is filled with plenty of botanical delights. A walking trail allows you to stroll through the park.

Mount Mission Park

This picturesque three and one-half acre park is located on Mission Road, near Shannondale. The picnic pavilion, complete with restroom and kitchen facilities, has played host to family reunions, weddings, and birthday parties. An old church on site, a newly renovated playground, basketball hoop, horseshoe pits, sand volleyball and a baseball diamond make this park a convenient site for neighborhood get-togethers.

Leetown Park

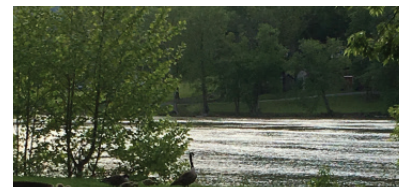

Located one mile East of Leetown, off of old Leetown Pike, this 10-acre park has been a gathering spot since the 1970's. On the park grounds are multi-purpose fields, tennis courts, a playground, and picnic pavilion. This park offers a great place to host your company's softball league or to simply relax and just play a pick-up game of baseball. Ball fields available for reservations.

South Jefferson

Located on Route 1, between Summit Point and Middleway, this 71-acre park accommodates six baseball fields, tennis courts, concession stand, a playground, and basketball court.

Moulton Park

On the shore of the Shenandoah River, just North of the Bloomery Bridge, this half-mile of river frontage features camping and other recreational opportunities. A public boat ramp gives access for fishing the Shenandoah River. In 2024, Moulton Park was expanded with the aquisition of an additional 83-acres. Future plans for the park include camping, trails, parking, fishing, disc golf, and more.
