

**Jefferson County
Job Description**

Position Title:	Facilities Mechanic	Grade Level:	IV
Department	Fleet & Facilities Management	Last Updated:	11/15/19
Reports to:	Director	FLSA Status	NE

Statement of Duties: Performs skilled and technical work to ensure all assigned equipment, vehicles, operating supplies, tools and facilities are maintained. Employee is required to perform all similar or related duties.

Supervision Required: Under general supervision of the Director, the employee is familiar with the work routine and uses initiative in carrying out recurring assignments independently with specific instruction. The supervisor provides additional, specific instruction for new, difficult or unusual assignments, including suggested work methods. The employee is expected to recognize instances which are out of the ordinary and which do not fall within existing instructions; the employee is then expected to seek advice and further instructions. Reviews and checks of the employee's work are applied to an extent sufficient to keep the supervisor aware of progress, and to insure that completed work and methods used are technically accurate and that instructions are being followed.

Supervisory Responsibility: Employee, as a regular and continuing part of the job, leads other workers in accomplishing assigned work and also performs non-supervisory work that is usually of the same kind and levels as is done by the group led.

Confidentiality: Employee does not have access to confidential information.

Accountability: Consequences of errors, missed deadlines or poor judgment may include adverse public relations, labor/material costs or danger to public health/safety.

Judgment: The work requires examining, analyzing and evaluating facts and circumstances surrounding individual problems, situations or transactions, and determining actions to be taken within the limits of standard or accepted practices. Judgment is used to analyze specific situations to determine appropriate actions. Employee is expected to weigh efficiency and relative priorities in conjunction with procedural concerns in decision making.

Complexity: The work consists of a variety of duties which generally follow standardized practices, procedures, regulations or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Work Environment: Working conditions involve occasional exposure to intermittent machine or related noise or a combination of unpleasant elements such as odors, chemical fumes, dust, smoke, heat, cold, oil, dirt or grease. Includes work under typical shop conditions or outdoor work which is suspended when weather conditions are poor. Work may involve general cleaning, occasional work at heights or in confined or cramped quarters, or work around machinery and its moving parts. Work may also involve occasional mental stress, such as completing several unrelated tasks within a relatively short period of time.

Jefferson County Job Description

Nature and Purpose of Public Contact: Relationships are primarily with co-workers incidental to the purpose of the work involving giving and receiving factual information about the work. Ordinary courtesy and tact are required. Contacts with the public may be required on an occasional basis.

Occupational Risk: Essential functions regularly present potential risk of injuries from improper exposure which could result in loss of time from work. Examples of injury include burns from chemicals, steam or fire, severe muscular strains from working with extremely heavy material, falls from heights in excess of three feet and illness from exposure to communicable diseases. Special safety precautions, training, or protective clothing such as gowns, coats, gloves, glasses, hats or boots may be required.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

1. Perform light maintenance including but not limited to minor electrical, plumbing, carpentry and HVAC work, changing light bulbs, changing filters, etc.
2. Perform preventative maintenance and minor equipment repairs as needed.

17. Attends continuing education workshops, seminars and classes to enhance skills.

Recommended Minimum Qualifications:

Education and Experience: High School degree or equivalent with three to five (3-5) years related work experience; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities to perform the essential functions of the job.

Special Requirements: A valid driver's license is required for this position. Must pass a background check.

Knowledge, Abilities and Skill

Knowledge: Common policies, practices and procedures of the department and building maintenance. Working knowledge of the safety precautions, supplies and materials needed to perform duties. Knowledge of electrical, plumbing and carpentry work.

Abilities: Work independently and be self-motivated.

Skills: Proficient in electrical, plumbing and carpentry work to ensure the efficient and thorough maintenance and repair of buildings and grounds.

Physical and Mental Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the position's essential functions.

Physical Demands: Work requires some agility and physical strength, such as moving in or about construction sites or over rough terrain, or standing or walking most of the work period. Occasionally, work may require lifting heavy objects and carrying them. There may be need to stretch and reach to retrieve materials. Usually, the work will require extended physical effort over a significant portion of the work day. Driving in adverse weather and troublesome road

Jefferson County Job Description

conditions may be required.

Motor Skills: Essential functions involve close hand and eye coordination and physical dexterity. Manipulation and motor control under conditions which may require extreme accuracy may be critical. The manual skills required are comparable to those which might be needed in making repairs to delicate electronic instruments or complex equipment,

Visual Demands: Visual demands include reading documents for general understanding.
