- Notes:
1. Current zoning classifications shall remain in effect. This map does not alter or replace current zoning classification or rights. See the official zoning map for determination of zoning districts.
  2. Use of this map is to be in combination with the text and land use recommendations of the Envision Jefferson 2035 Comprehensive Plan when considering Zoning Map Amendments and future land use decisions.
  3. Areas within the Urban Growth Boundary are considered a growth area. For property shown within the Urban Growth Boundary of this map, particularly those shown as Rural/Agriculturally zoned, it is expected that upcoming or Zoning Map Amendments will occur when there are adequate public services to those locations. The plan recommendations and goals of Envision Jefferson 2035 emphasize that properties within the Urban Growth Boundary should be annexed into the municipalities with jurisdiction over the Urban Growth Boundary. The plan does not prevent a property owner within an Urban Growth Boundary, but not annexed into a municipality, from developing using Jefferson County's land development guidelines.
  4. The areas below are highlighted on this map with a colored asterisk for ease of reference in the Envision Jefferson 2035 Comprehensive Plan:
