

JCESA

TRAINING ANNOUNCEMENT

ALS Pharmacology

Date: Feb 18, 2015

Time: 6p – 9p

Location: JCESA - Station 11

This program is for ALS providers. The WVOEMS ALS medications will be presented with explanation as to why and how each medication works along with indications, contraindications, dosages and side effects of each medication. Med calculations and delivery methods will also be discussed.

This course is free for all Jefferson County EMS Providers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To take this course you **MUST** register by calling 304-728-3287 or register at jcesa.org no later than Feb 13 at 4pm.

Required Textbook: None
