

JCESA

TRAINING ANNOUNCEMENT

Case Review: ACS

Date: April 15, 2015

Time: 6pm to 9pm

Location: JCESA - Station 11

Several relevant Acute Coronary Syndrome cases will be presented. Engaging the Socratic method, students will discuss the presentation, interventions, and outcomes.

There is no cost to the student for this course. This course is open to all Jefferson County EMS providers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To take this course you MUST register by calling 304-728-3287 or register at jcesa.org no later than Apr 10 at 4pm.

Required Textbook: None
