

JCESA

TRAINING ANNOUNCEMENT

Advanced Airway Lab

Date: April 28, 2015

Time: 6pm to 9pm

Location: JCESA - Station 11

This course will include a dynamic lecture reviewing considerations for establishing an airway with less than favorable conditions followed by a practical session.

There is no cost to the student for this course. This course is open to all Jefferson County volunteers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To attend this session you **MUST** call 304-728-3287 or go to jcesa.org to register no later than April 23 at 4pm.

Required Textbook: None
