

**JCESA**

## **TRAINING ANNOUNCEMENT**

# **Patient Handling**

Date: June 11, 2015

Time: 9am to 12pm

Location: JCESA - Station 11

Important topics addressed in this program include proper use of equipment, balance and strength, provider haste, maintenance of equipment, and bariatric patients. While we have a wide variety of devices available to move patients in a safe manner, the statistics clearly identify the need to take a closer look.

There is no cost to the student for this course. This course is open to all Jefferson County volunteers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To take this course you **MUST** register by calling 304-728-3287 no later than June 5 at 4pm.

Required Textbook: None
