

JCESA

TRAINING ANNOUNCEMENT

Infection Control

Date: September 26, 2015

Time: 8am to 9am

Location: JCESA - Station 11

This course will review bloodborne diseases, modes of transmission, areas of risk in EMS and the importance of "task-based" use of personal protective equipment when risks are identified. This course satisfies the bloodborne pathogens standards refresher requirements from OSHA.

There is no cost to the student for this course. This course is open to all Jefferson County volunteers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To take this course you **MUST** register by calling 304-728-3287 no later than January 21 at 4pm.

Required Textbook: None
