

JCESA

TRAINING ANNOUNCEMENT

MCI I & II

Date: October 6, 2015

Time: 6pm

Location: JCESA - Station 11

This course covers the awareness and operations levels of WVOEMS Mass Casualty Incident Management. Topics include identification of a MCI, START triage, use of the WV triage tag, criteria for patient classification, and a review of the incident command structure.

There is no cost to the student for this course. This course is open to all Jefferson County volunteers. For questions or additional information, contact Beth Jeffries or Bob Burner.

To attend this session you MUST call 304-728-3287 or go to jcesa.org to register no later than Oct 1 at 4pm.

Required Textbook: None
