JEFFERSON COUNTY PLANNING COMMISSION  
July 13, 2010

**PUBLIC MEETING PROCEDURE:**

The President shall identify the matter before the Planning Commission (PC) and ask for a presentation by the applicant or the applicant's representative followed by staff's presentation and recommendation.

Once the applicant has finished speaking, the President shall ask for public comments. As a member of the public, once you are recognized by the President, please come to the podium, state your name, provide any credentials that you believe are appropriate, and make a brief presentation. If you agree with a previous speaker, you may simply say so.

The President may limit the presentation time of speakers.

Once the public comments are completed, the applicant may respond to the public comments.

PC members may ask questions at any time.

A copy of any document or exhibit used by a speaker in his or her address to the PC must be left with the PC and will become part of the official public file on the matter at hand. The applicant or a representative of the applicant may have the opportunity to view the document or material.

Once all speakers have finished, the PC will discuss and then vote on a motion 1) to approve, disapprove, or impose conditions on the application to comply with the Subdivision Ordinance if the application is a final plat; or 2) to approve, disapprove, or approve with conditions a variance request; or 3) to accept or not accept a Community Impact Statement (CIS).
