

**US 340 Corridor Plan  
June 16, 2011 public meeting**

**Focus Group Questions**

1. What are some features of the US 340 planning area that should be preserved?
2. Are there aspects of the planning area that you feel should change?
3. Looking ahead twenty years, how do you envision the US 340 planning area? What kinds of land uses do you see along this corridor in the year 2030?
